I argued with my dad last night that he's being a pussy and he's going to regret it and he said well hunt so far. he's getting a little a wild. so we are leaving. i'll text back soon The fact is it comes down to your word and she has been very convincing in her blaming you. So I sent him this. Click to Download New RecordingHallie... 253KB There is another hour of much more horrific things she says to me and inadvertently admits to doing which she has always said that I do to her. The kind of stuff that led you to hold in your head that I was fucking Hallie while Beau lay dying. If my last friend Liz could believe that of me imagine what everyone else has bought Her telling arms about the escort she planned to fuck with Daria made me cry. And Liz as for parenting device why do you keep putting Oliver in situations in which he is bound to fail and fail spectacularly in an environment of judgmental and thoughtless self centered people. They are all Hallie's. It's like you're wanting everyone to see just how hard it is but the everyone you want to see could care less about anything beyond there tennis match being disrupted. And you know full well that Hallie then piles on and tells everyone what a entitled person you are and that NOT being a member there is no way you let anyone Oliver haven't already Violeta's her guest quota. i'll listen and read soon. let me get O settled. Text Message thanks. i've called you 4 times. iMessage Jul 8, 2018, 6:29 PM hang on. natalie crying About what? you and hallie she is calling you now. To whom What do you say liz natalie...she needs reassurance that you both love her and that the adults (you & hallie) are trying to figure things out She won't let me come home and she wo t Coe here even if we were both in rehab she refuses to try to fix this relationship and lies about literally everything Thats not mean its the reality ugh. don't say that to natalie. she will freak. she wants you all together so badly she is dying for the 4 of you to be together I have to say that Liz — giving her false hope that hallie and I will be together when. Hallie won't be invited to the beach house let alone keep me on a string from afar- its over as it could ever possibly be- nd she has no remorse no empathy and no shame Jul 9, 2018, 11:13 AM Call? Jul 10, 2018, 1:51 PM Are you not available? Does it matter anyway? It's natalie i love i Show me next time GIVE AUNT LIZ THE PHONE LIZ:: should I expect Hal to keep her promise to call me once a day and talk or has she changed her mind. I onLY care because I don't want her to shut me out of Nat and hunts life. As she is now. I only care because when she slips I want to be there for them sober. I'm on day one. Jul 10, 2018, 4:42 PM That is not for anyone Liz. Do not share my business in any way with anyone for any reason. Not my family your family no one regarding anything. The best answer is I have I'm so anxious and lonely Liz I need to hear how she is I'm so scared she has s going to do something she won't be able to take back or hide so far so good. we just got back from more pickups and drop offs. hallie lilly natalie hunter and i sitting outside. we still have to get robbie and ricky at 9pm. i'm proud of you for starting. day 1!!! just win the day. I just got off the phone with Danielle: we talked for a long time about our friendship the impact of Hallie on that and the guilt she has for not being a friend to me because she felt manipulated by Hallie. I'm so disappointed in myself for ever having felt anything but disdain for Hallie. Why did I ever even try.. She is an amazingly awful human being. The shit she has done to me and I mean to me. She disgusts me. Jul 10, 2018, 7:46 PM Call me Liz Jul 11, 2018, 12:03 AM Wow Liz you make me rethink whether there is any reason at all Jul 11, 2018, 4:22 AM you up? Jul 11, 2018, 7:53 AM Call me pls. Jul 11, 2018, 1:26 PM i'll call you when i'm alone. I have an important question liz calling you. going to vmail Jul 11, 2018, 3:37 PM Liz talking to you when you find the time in your busy life is really hard for me but I seem to constantly fall back to old habits and get the same result. Its the only thin g I k ow at the mom ent and I. Sorry if you feel taxed by problems. You're probless are just as great and although I always find the time and never chastise you or say but liz you're an addict and irresponsible and entitled so... I always say what do you need me too do Liz- I tell you everything I know because information makes us feel connected silence and absence of any detail makes us feel apart. Im understandably do not warrant the loyalty or trust your sister does. Im not your brother im not anything really but your friend. Hallie is not your friend despite the fact she is your sister she no more protects you than any stranger would. In fact she does more harm than good. And in this I=nstance what you don't allow yourself to see is that hallie is seducing you again and liz she is cutting me down one branch at a time. The thing you're not seeing liz is that you need me more right now than almost anyone and when she finally cuts down the whole tree of me where are you going to turn? You telling me I need to get sober isn't an answer to why its wrong for hallie to deprive me of Natalie and Hunter. Who does she hurt by doing that Liz—more than anyone Natalie. You say you defend me but liz are you as outraged as fucking outraged as I was when Hallie told everyone that you're her enabler and amenity brit to be a parent and that you shouldn't be alone with Natalie and Hunter. Jul 11, 2018, 5:46 PM Liz I'm blocking you. I can't handle this anymore. Goodbye. Text Message Jul 14, 2018, 1:38 PM i'm at the club. can't answer i'm at the club iMessage Oh ok nvm then I'll put block back on I thought it was important or something about Nat. Thx And tell your idiot sister that if she thinks I ordered whatever on amazon for a cam girl on her credit card and account she truly has lost her shit. don't block me. i'll call you when we leave. Liz im blocking you for the simple reason that against my better judgment I unblocked you because I thought maybe she cares enough... and you can't even walk away from the ducking pool to your car at Wilmington to speak to me. That speaks volumes / that is exactly the person I know you are and I think well maybe. Why does it amaze me that the pool at Wilmington is more important to you than me. Really you more than anyone break my heart. It's truly amazing i just got here and was talking to mike gioffre. i couldn't walk away stop attacking me Not an at attack - if you said that it would be ok but you said you'd call me when you left whatever the fucking reason it's bull shit no attack the two of you are who you are why i care anymore is only because I hate the idea that you will turn Natalie and Lilly into carbon copies Jul 14, 2018, 6:05 PM I'm sorry Liz I'm just upset tell Hallie all is well and she's just doing what she needs to do and I know that you are too she is your sister and that's reason enough. Let dad know when he can bring Hallie to see me please. And please please Liz stop going into my accounts. it's not me in your accounts. maybe it's that girl nikki that ordered all the amazon stuff. Oh Liz you're so funny. You really makes me happy you make me love and want to live my best life. No the cam girl who is so sweet and honest and respectful of me said she received things she knew I obviously did send from Hallie and is returning them whenever she may get them . She ms truly a really cool woman. I'm talking about the 49k to Amex the over and over 2900k to you without my knowledge and the approx 75 K to Xbox and all her other shit and your other shit you self righteous hypocrite. Jul 15, 2018, 4:59 AM i love you and will always be here for you Jul 15, 2018, 7:46 AM Thats so comforting to know Liz. You've been such a good friend to me. Let me know when you can speak to arrange some logistical things I would appreciate you handling for me back home. Thanks for the kind words. Jul 15, 2018, 10:36 AM Never mind Liz ill have my Dad call you so he can get access too the things I need. At least you're consistent Liz. Jul 15, 2018, 12:08 PM Liz just so we are clear my Dad was in that house today stood around the kitchen counter talked as if all was well and kissed and hugged Hallie hello and good bye. no. he was outside dropping little hunt off talking with hallie me my mom and andrè And hugged and kissed Hallie as you said i can't remember By the way you told me he came inside and talked around the island in the kitchen and obviously Liz you said he kissed and hugged Hallie. You're whole point being that he sure didn't seem mad because he "hugged and kissed Hallie hello and goodbye" and sat around to chat like there wasn't an issue at all. "No walked out of mass early HALLIE and little Hunter on bench after going to grave alone Didn't kiss her hugged Hunter asked if he could go to Jansens with me ALONE After breakfast dropped him off did not leave drive way her mother was leaving started to rain waived goodbye" Either way the account above according to you is a complete fabrication on my Dads part. Jul 15, 2018, 4:36 PM Im turning off. Y phone all together Liz. Im done writing you long letters and complaints which you don't even read. Im not being vindictive Liz this is self preservation. You need to find incomer a job and a cosigner by August 1st. She needs to find health care as well. just leaving the wake. we've been standing in line for over 3 ½ hours. have to get robbie from b-ball come on hunt. It really isn't fair to ask me to do that wen I really cant afford it while you do absolutely nothing for me and she tells everyone including your mother and kids we have an inappropriate relationship. Im not kidding im. not threatening liz Im not drunk or stoned or not thinking Its totally inexcusable on my part to enable you this way Im not trying to get your attention Because it never happens anyway So you have cobra was which lasts????? 6 moths right hunt you're an ass. call me i'm in my car alone Im an ass What a fucking cunt you are liz Jul 15, 2018, 6:29 PM i have robbie in car with me. Jul 15, 2018, 8:49 PM And once again. You prove me right despite promise after promise after Jul 17, 2018, 11:50 AM do you still have that apartment in nyc? andrè and i going for the night. it's his birthday. every hotel is over \$1000 Why would you tell her that I'm in a hotel room all day naked and on drugs? What possibly would be your motive Liz. Why possibly would your mother tell me she was going to make certain I could see Natalie (and Hunter) only to say today —nothing about it — but insist that all that really needs to happen now is for ME to get my act together. I'm an angry irrational man now according to your mother Liz. You're way to in the middle unfairly Liz so I'll be the adult and say let's not talk or involve ourselves in each other's affairs for the time being. what are you talking about? i didn't tell anyone that you are in an hotel room naked. you said that to my mom. on facetime hang on. let me find and book a room then i can concentrate on your texts. btw, my mom said she saw no problem with naomi and the kids visiting you. And she said she would make Hallie let that happen—so is she coming No Hallie said it to me wtf is the need for concentration to read what I just wrote. Jul 21, 2018, 11:34 AM Pop -This is from hunter to Natalie. This is inappropriate, hurtful, manipulative and wrong on so many levels. It's too much for Natalie. I am sober and having tests report to you. If Hunt does not enter a program and get multiple tests weekly then I don't know how YOU could allow Natalie or hunter anywhere near him. Pop I've had enough of hunter creating "sides." He too needs to get sober and stop talking about how he has been wronged by me. I'm moving on from the MANY MANY ways he has wronged me. I of course want him in the kids lives, but his behavior is damaging them. oh my did your dad respond?

Jul 21, 2018, 12:54 PM You should probably call me liz- for her sake Stop Yeltsin at me Caroline. Sorry that was for Caroline — inside Russian joke. Were all having lunch together poolside and visiting Malibu to see house I'm renting. He's going to stay a couple extra days because we were thinking of doing the Porsche racing course in Long Beach. What response Liz Did she not think before she sent that Liz. Kind of makes a lie of everything she has said to Natalie your mom you everyone. Does she not know that people see through her Liz. The many many ways I have wronged her. Goodness Liz I hope I haven't so wronged her that she cant find love again. The world is her oyster Liz as long as it can be found in one of three bars in Greenville or the WCC she's going to be fine. She's such a great parent Click to Download Image-1.jpg 253KB She needs to seek help Liz. Pretty incredible that i fell for it like I do every time Im coming gi\ve me a minute please i was in the shower. just called you I'm having fun - just her know that this is just horrible- let her know that I promise I am out of her life and I'll leave the kids alone and maybe in a few months she will let me speak to them. Jul 21, 2018, 3:30 PM By the way Hallie didn't show them this text that I wrote because Amalie begged me too and said she promised me Mommy would respond and reach out to me and say something real too. Hallie you know I will always love you. I've told you that from the beginning. I told you that if you ever left me or made it impossible for me to be with you that I would never love another woman again. You filled every part of me when you said the same. I am so broken by your refusal to be an even slightly caring or giving or selfless or honest with me. I told you that you didnt even have to meet me in the middle. You could meet me way on your side and I could deal. But Hallie you wont give even an inch. So hear I am and everyone in the world says Hunter just move on this is crazy why put up with that you're too young and handsome and smart and why Hunter. I ask the same thing Hallie. Why put up with this? Why torture myself and everyone around us. Because I believe there was an "us" hallie a family a partner my best friend. You are who you are. but if this is who you are the friend who cant tell me one thing that they can do to show me they love me. Still not one thing. I show you and show you and show you again and again. I cant stop loving you Hallie my heart aches everyday and has since too long now. I don't want to die this way an old bitter man or a young bitter sad man, that longs for the love he found and will never be given. So please let me be bitter and mean and sad away from the people and places that just make it worse. I told you there is no love anymore if there is no love from you. And that is true. I know it for certain now. Instead Liz she cherry picked texts and write that. Liz I would like to end this not over text through you. Tell her to call me no yelling and screaming but we need to be civil and part ways like responsible parents not like this. It is so unfair to Nat and hunt. my parents uncle andy hallie and i and the kids having dinner. i'll takes to her when everyone leaves Just tell her to call me. We need to resolve this divorce now. And if she thinks this isn't of the magnitude of a divorce in the kids eyes then she is delusional. Click to Download Image-1.jpg 253KB Did Natalie really say this to me. Deja Vu J. She can blatantly lie tell people things like — he's ruining my credit- he owes me money- I paid \$100,000, he was drunk and high on crack and paid \$42,000. It's all his bills. He is immapropriate with Natalie - he FTs everyone naked - wow what an embarrassment he is. He clearly can't be around my children. If I ever in a million years even had to think about whether or not Beau would co sign for me. Beau would have moved out of his bedroom to allow me to live with him and he'd insist I bring the dog all three kids and put my paintings up and take half the walk in closet. And you think her behavior towards you is something that she and you aren't passing on to Lilly and Nat and Hunt. If the two of you act this way how in the hell do you think your kids are going to be towards each other with no real man around them Jul 23, 2018, 5:39 AM When I write you these things I know it's as useful as speaking into the wind- so you even hear it Jul 23, 2018, 8:27 AM i hear everything you say. just a lot of chaos with kids at the moment. i'm on with movers. call you after call me Jul 23, 2018, 10:36 AM Onaratulations So are we finished you lecturing me that all of this hinges on my sobriety. Got it then really no need for me to review with you anything in the past Liz. I know what she has done and I could have lived with all of it at least to be her friend. But I cannot live with her complete denial. I cannot live with her subjecting me to the one thing I've said time and time again that will be the death of me. I cannot be told I'm not being isolated when the only choice I have in the immediate (- 10 days of being sober 20 - 30) is to move in to my parents house and wait for my dad to be home in order to see hunt and Nat. I cannot live with you saying I put Natalie in the middle when you have seen what she does. I cannot live with not being included in the important decisions about their lives as if I'm just some rebound boyfriend that they will go over having around the house. I'm not heartbroken or lost or ranting. Im just frustrated that once again I will have to do what no one else is ever subjected to. Prove she is lying about the Amex bill which is now the definitive story about my fucked uo selfishness all the way to the WCC. Liz if she had an ounce of remorse wouldn't she at least say- I'm sorry I fucked you over with David, I'm sorry I fucked your relationship with Danielle and Devon and your mom and Robi and now she's got you Liz. It's amazing that she shows an ounce of remorse Liz and you are convinced she is a new person. Why is it that she can express that to you Liz but doing that even in the smallest way for me jeopardizes her sobriety. Remember when you were the supplier and enabler Liz and the addict—why is alright for her to be around you but not me. You know Liz I gave all I can. Jul 23, 2018, 11:52 AM i want to respond to you at length. and to each point, give me some time today to respond... i'm multitasking so it will take me a bit. you're smarter and more efficient. There is non response liz. Just answer this question do you believe I am or ever have been a danger to my children sober or not? Did you believe that I have ever put any child in a position of neglect or abuse? This is a punishment Liz not a protection. And if you believe it is protective measure than I will make certain we all abide by the same rules going forward. She says whatever and hangs up on me. Liz goodbye. Take me off the lease n ow. I mean it I have too detach from this insanity. She is evil. Aug 1, 2018, 9:17 PM Liz I was calling about Lilly. Naomi had a horrible day and I was on the phone while she cried for an hour. I'm now searching for Caroline who's going to violate her parole most likely and somehow I am responsible for her now. I'm living out of a car and my uncle is I. A tail spin and I've got to come up with more money than you can believe to pull someone's ass out of the fire. I literally have not one friend to call and I broke down and texted your sister begging her to Love me just please let me here you voice Hallie. And nothing. But amidst all of that and the NYTs calling about the major article they are doing on me and discussing with dad about what I need to get in order before he runs for president I spent an equal amount of time dealing with my friend Danielle (Tyler fucking beat her up again/ 9 months pregnant- same man Hallie said was a good guy and I shouldn't get arrested after he threw a baby in the river) And your shit. So Liz you've spent the last 6 out of 8 weeks supporting your sister (who fucks You over every time) by NOT Taking sides- by telling me I'm wrong when you think I am - which I never am. It's exhausting Liz... you must be so tired. You all break my heart. You all use me up and I get what back Liz- you answer every 5th time I call. Aug 8, 2018, 6:51 AM 2 minutes You make it hard for me to believe anything Liz oh my. You really don't see it i'm on with joel Aug 8, 2018, 8:51 AM I need you Liz now Really Liz now My phone is disconnected ... texting you from my computer. She met with David Did you know that Liz? I Could she have done a hthing more hurtful No she didn't. She bumped into him at Starbucks Internationaly cruel And she spoke with him at kength she told me Liz She did it because I'm so mean to her and I'm not sober Is he sober Liz No. I promise you she bumped into him. I always get coffee for her or Andre goes There is no excuse Liz I have no reason to care anymore Liz she would have to hate me he would have to hate me to do that Hunt.. she is not interested in David even his friendship. You would have to hate me to not tell me I don't care Liz why would she possibly sit at Starbucks in front of the world and show David attention while she refuses to talk to me It's beyond anything I could have even imagined She honestly does love you. She just needs to learn to show it and express it You really don't see that Liz Who the fuck wants that love Liz I know. Its hard when you are the one being hurt. I'm so truly begging To see why not being here is an option And youre making excuses for her and telling me I'm crazy And an addict I'm truly at a crossroads Liz and I'm truly considering a different path all together. Im not telling you that you are crazy. Im saying you are hurt and angry. And yes you need to get sober. And she needs to continue with her sobriety Maybe once she is stronger and you are clean, she could move out there? I don't want to live this life right now. I don't understand how she possibly could have rationalized that and not told me and you not telling me either. This is not something you recover from Liz. Duck all of it and fuck her and David. She chose David over me again and again and again. And ever. Worse he did the same. What excuse Sensitivity chip. I really get to make the choice OE Liz not about her that's clearly a door she never wanted to reopen why sis we have to use him as her way out though/ I truly did love David A how could he be so hurtful Liz why does he still get the love and attention of you both? How am I wrong here I must be Now I know why she hasn't needed me Liz She did not just run in to him at Starbucks once Liz. They've been meting and talking. And least she admitted that. She's Forget what I can't control Liz I will control this . I'm never trying again. I'm never trying to do anything at all again but make the roasting the end faster and in a total daze. David. Mmmxxxxn cmcxxddryygg hunt... She's an awful human being or I am simply insane and I've been so horrible to everyone in my life that you can't believe how I think when we are in a dark place and maybe I'm projecting so I apologize if I am but I think that we won our needs met first before were able to meet somebody else's me with his needs are right or wrong whether the other person's needs a right or wrong true love is meeting that person needs. Maybe none of us are capable of it I don't know WTF does this even mean Liz Please call me Liz Aug 8, 2018, 10:52 PM Liz please Aug 9, 2018, 11:54 AM hunt... Aug 9, 2018, 4:26 PM Sorry, I can't talk right now.

okay

why? what are you doing are you okay. you scared me last night. lilly was hysterical until 2am. then joel came to get her. i couldn't focus on you. so just please let me know you're okay I'm not. The two of you can find the support and love you need from David. I cannot believe that she would continue that relationship in any way and still tell people she loves me. Say I am all wrong that phone records and out right lies are all made up by me. Why in the world would you do the one thing that would enrage me? Why would he not answer my calls? Why would you lie to me and say you have seen him once or talked to him? So no Liz I'm not okay with any of it. I'm not ok with her telling Natalie that I'm can see her anytime and telling me I have to go away for 30 days then go into an outpatient program before I can see her without my father being present. I don't know why I even try to explain to you. You never in the end choose the truth you know. You never act on it even when it is the same thing thing that's trapping you in a life you don't want. Are you really my friend Liz- because I have really been yours. You may need to ignore her in order to deal with your issues. But as my friend I need you to tell people including her the truth regardless of whether she is your audited or not—b/c the rules she insists that you play by-loyalty above all else- are not the rules she plays by in any way. She is not just mean to your face Liz she is mean behind your back - even cruel. And yes Liz my battle is your battle you do owe me you do have a responsibility to help me by telling the truth about what she has done and what she is doing now. I told her I would go to anywhere she wants me to in order to see Natalie and she then tells me she talks to David because she needs to live her life and have someone who can be there when she needs him and not be a mean asshole like me. When have I lies to you. When have I ever ignored your call when you said please its really important-Lilly is being a brat Liz. What kid is entitled to be at any private school she wants regardless of circumstance. And for her to be crying over Upland is ridiculous. You're putting you're hurt over tattnall into her. Tattnall would be horrible for her. Tell her she had no right to be hysterical over not being able to go to the \$35k a year private school of her choosing. And you know this the reason you Don't have any of your old friends is because "you are a druggy Cheater mooch who is just so stupid and selfish—- but you know Liz!!!!" Who do you think says or doesn't defend that being said Liz. One person and you melt her run me into an early grave. Aug 10, 2018, 4:07 AM i keep reading your text over and over it's so upsetting. Aug 10, 2018, 7:23 AM i have to take robbie to 30th street station today, i need to leave by 12 noon ??? oops. sorry that was to hallie Aug 10, 2018, 11:04 AM Well then fuck you too Liz Aug 11, 2018, 7:41 AM Do you hate me too Liz. Am I really such a bad man? hunt... i love you like a brother, best friend always Y r u not with me. Do you not see that her actions contradict her words. If you won't or cant talk to me just let me know than I'll truly Stop badgering you and i will always and want to talk to you. no matter what.. you can be as angry mean vindictive hurtful or any other horrible thing to me and i'll still be by your side. you can be sad happy wild calm whatever... and i'll never turn my back on you. and weather you believe it or not, hallie not only feels the same way. it she loves you truly madly deeply hallie wants to come out there and take you to rehab. would you go with her. she also said she would stay out there to visit you and attend therapy with you hello? just a yes or no ... is sufficient i'll come also Aug 11, 2018, 12:11 PM hunt... Aug 11, 2018, 7:16 PM Liz why do you allow her to do this to us. Why would I want her to come knowing that a relationship with David is more important than one wit me? Do you feel the same way honey? Am I that demanding of you or anyone? It feels like she is trying g to save herself and letting me drown. It doesn't feel that way- it is that way. My pain is not unique or greater than anyone else's. My pain is simply so painful when you consider all that I have been through. And you ask if I want you to come - Liz you're really my only friend. And like the both of you choose David and it is a choice —- you choose her. You don't have to abandon her or betray her Liz- but I hate that you validate the idea that her driving me to rehab is anything I'd ever. Want Or need or desire after telling me for the 50tg to Aug 12, 2018, 7:47 AM hunt... Aug 12, 2018, 5:14 PM WRU? Tell her this Liz . That the love I need is the kind I give. If she would risk everything to be with me - give up anything for me - love me with everything she had to love with and told people how and why she loved me- always defended me- listened without judgment-Tell her I just wish she could say one reason she loved me. That she could just once think of my feelings before she acted Will I ever meet her friends Can she please not stay in contact incidental or purposeful with someone who at best has just been horrible to me. Ive called and called FT computer only thing working right now walking into therapy with lilly. ill face time you at 6. this number? Whats the # that comes up Cann you real quick 10 seconds call m,e now 10 seonds Sep 19, 2018, 4:09 PM Lizzzzzz at a basketball meeting. sorry. I will for sure call you before I go to bed tonight JUST text mer please Think don't just say you don't know What can you remember that changed since about one week 10 daYS AGO One thing I seem to think is that she iOS spending far less time with you Even though she is not working that is true. i see her everyday at least once. but i'm running from 3 kids to 3 different schools. and R & L with high school sports. and visiting O. she seems to have more down time than i do. although i'm terrible at managing my time. Sep 20, 2018, 3:07 AM Call if you're up Sep 20, 2018, 4:08 AM getting kids to school Sep 20, 2018, 10:37 AM Ok So liz think really hard with doctor for lilly. she had a medication reaction what am i thinking? text me with details. my head is scattered and i can't remember anything. I have no details liz- I just know she suddenly shifted from being completely non communicative to asking me to come home no con editions and then proceeds to lie to me for n o reason on every phone call and call me the most horrible things acts strange then tells me my frustration with her is obviously because im n to sober and I don't deserve her honesty. Fucked up dude I do nt really mind it anymore she's nuts and. Im done taking it personally but it worries me for her. And I really cant fucking stand being suckered in every time. Bottom line is that every time she has done this in the past six mon the it was the lead up to a boor relapse or in the midst of one. So what can you see thats not obvious and seemingly harmless but different out of the ordinary even slightly. Hanging with Toni Toomey? Lunch at Creomwells everyday. Goes to a noon. Meeting but tells the kids she's going to evening meeting... I don't want to know for any other reason than I know I can help now and don't really need for her to be anything beyond the person she is Sep 21, 2018, 10:51 AM We finished liz? no. i'm at upland. Well honey maybe when you get a few minutes in the next few weeks you can fin=d 10 minutes 1 hour 1 day to call me or even respond to a text. If you can squeeze me Sep 21, 2018, 10:49 PM You really hurt my feelings Liz. I know you think I'm Jonny drama too-/ but you really have hurt my feelings. Sep 22, 2018, 7:27 AM Done talking Liz? no. hold on. oliver's school called. he ran away joel. what's your plan? i'm on the phone with O's school. oops. sorry. still hang on. that was meant for joel How long has he been gone Liz? Liz really what can I say to you that doesn't make me seem and appear desperate for

Connection and compassion. The you or your sister have a problem or an issue that is so important even if its so entirely against my interests I always am there without condition. Always. Yet I'm here alone on news years day with no one literally not a friend in the world I WANT to talk yo to just to let me know they love me. And let me love them—lets talk about Lilly its important your hear what I have to say on that

subject. Despite how much danger and peril and what a bad influence and creator of chaos Hallie says I am for those /MY children including yours I promise you I know more about their lives in specific and in depth then any other adult in their lives. And it's not because I'm crazy Uncle Hunter or some other bullshit you guys want to think it is— its because I'm an incredible father and role model with the best advice and most compassion. That's my TRUTH. But I'm dying inside and that's the drama I probably am addicted to as I sit here alone - getting texts from Hallie that I'm not allowed to speak to the kids and when they are away or I am she always always always takes there phones so I cant speak to them. DO any of you know what up

with Hunter -= none of you have the slightest clue. How about Robbies biggest fears and insecurities. I do. But here I am once again not allowed to be apart of their lives AGAIN. SHER FUCKING SAID IN THAT LAST TEXT - IT DOESN'T MATTER WETHER I

The address is 340 Broadway ninth floor American rehabilitation services

And you say I blame you falsely for this and that. You both are shit parents and you both kn ow it. I kn ow more about your kids lives then. You ever will. And you think its good for men to trapped here and not with my daughter. Would I not be on a plane to get Hallie to go with her to get Natalie if this was reversed. You ain't have to be my friend Liz but please be respectful enough to tell me you're not going to actually call as you said you would. I've not bothered you for close ton3 weeks and at the moment I'm once again. The center of hallies rave that beats me down from miles and miles alway where she wanted me to be but it still isn't good enough for her. Just let me know please. it keeps going directly to vm hello I called you I'm amazed - why I have no idea. geez hunt. Mar 9, 2019, 6:39 PM I'll assume that her answer is that she doesn't want me to cOme home whether I'm clean or not whether I'll take the same tests she takes whether I've done the thing she demanded or not. You however could have told me that rather than just ignoring me Liz. That was a really big step for me to take and put my faith in the idea that she does live me and wants to be with me. Pretty awful for neither one of you to respond in any way. I'll let you know where and what I'm doing when I get there Liz just out of common courtesy and for the sake of kids. Mar 11, 2019, 5:33 PM Liz. Please at least give me an explanation. How could you imagine this silence makes the possibility of me staying the course anything but near impossible. Please answer me or tell me to stop contacting you. It's truly cruel to simply not respond. Mar 12, 2019, 4:12 AM call me Mar 13, 2019, 2:31 PM Liz- this is what I mean. I'm 3 days from coming home and im in complete limbo. Who does this? Not in any way an exaggeration - my life is in limbo liz. Mar 13, 2019, 4:51 PM just landed in houston. ill call you when i get to the hotel Mar 14, 2019, 8:48 AM Oh well, Mar 16, 2019, 5:36 AM Please tell Hallie- her phone is still blocked and she's not answering home phonethat my counselor/ therapist would like times that Hallie will be available today after 12 and tomorrow. He is is not in this weekend but he will make time to speak with her. The only reason I am texting you Liz is because I'm blocked and I don't want to involve Natalie - I think it's really wrong - and I have no one else that I can talk about this with even to pass a message. It's embarrassing. She told me this morning that she will not commit to being with me even if I am at my best self sober and whatever else she may think is my best self. That's not in any way an exaggeration or distortion of what she said. She told she won't commit to being with me even if I succeed in getting well the way she demands. Even if I give in and abide by all of her ultimatums. She wants to she says but she won't commit to to being my partner no matter what I do. I don't know how to even process that even after 31 days of being clean. Telling me that after all of this on the day I'm free to go home she leaves the country with the kids tells me I can't go to "her house" even while she is away that i need to move in with my parents and "work and make some money for a change" and she thinks I'm drunk right now and if I drive home I won't make it even half way before I relapse regardless of any of that if I somehow at sometime consistently appear to be my best self as judged and defined by her she isn't certain in any way that she will be willing to be my partner. I only write to you so that I can remind myself of why it is I so doubt her Love is in any single human being or animals perspective love. Not a single person in the world would see the above which is 100% exactly her actions and words and no conclude that she was intentionally hurting me and creating an almost perfect storm for my relapse. And I have only one friend to talk to about it. And you say things like well she says she didn't say "xxxxxxbncmf" And I record her saying exactly that and she still says she didn't say "xxxxxhjkdbdb" even after you listened to her say it. And still you say there are two sides here. What do I do Liz. If I say it's over she tells Nat and Hunt I've abandoned them. If I don't oaky by her rules she makes impossible for me to be there for them in any consistent way. And because I don't follow her recipe for relapse she says I'm not clean or that she knows I've been using and of course for the past 2 years have lived up to her expectation that I'll never pull it together. I really don't know how to leave because the isolation and loneliness is doing to Jill, and I'm certain that staying under her ultimatums will kill me by me failing and slowly killing myself with the poison. hunt i love you and i'm here for you. but real talk. you're wrong. i'm sorry if that hurts you. Im calm liz please pick up the phone Tell me how I am wrong about anything g I just wrote you if I'm hearing things that haven't been said or things that im Taking exactly the opposite as expressed I need to know I will take 3 minutes of your time hunt... But im not feeling very loved or supported If you will not speak to me tell me Liz And just get a time from her for my therapist to call. she said after your conversation with her this morning she's not ready to engage in a conversation with you and your therapist. Its just therapist im not going too be on phone Id really appreciate you calling me liz That would be helpful to me okay. hang on hang on. i have coordinate with the mom train times for robbie to come home today liz- I Mar 16, 2019, 6:55 PM Don't know where to go. I understand what you're saying to me about what I'm doing wrong and you've said it to me 1000 times. I am expecting or hoping we're asking what she can't give give and probably will never give up. I'm asking for her to let me in the way that is demonstrable to love me in a way that is loyal in a way that is completely a open partnership and she is not capable of that. And the things that I've done wrong more than any of the things she may be legitimately angry about is to continue to think that she can love in a way that I need to be loved. She is just like my mom in so many ways and I don't like my mom I love her but I don't like her and that's not gonna change and my mom doesn't like me because of the same reasons that Hallie doesn't like me she loves me but she's never gonna like me Like my mom how he can be deceitful secretive and incredibly mean with no compassion. So Liz when you tell me I'm wrong it's so frustrating because I'm not wrong and you know it she says the things that she says that I say she says she does the things that I tell you she does all of them and I may exaggerate and I may become completely obsessed and irrational about something that she believes is harmless and none of my business. Things that I see as extremely hurtful and disloyal I don't think she sleeping with anybody Waze I don't think that she had an affair sexual affair with anyone Liz. But I am certain that she from the moment she seduced me until this very moment has never shows in me first if it is not another person it is her self and when I become upset about that justifiably so She becomes even more determined to rationalize and continue the exact behavior she Full well knows is so hurtful to me. It's my fault Liz I keep coming back for more and I keep allowing for this cycle to repeat itself over and over. Like every good addict I seek out what is most painful and difficult like the relationship I have with my mom and I mirror that relationship in the women I choose to love because I continue to have and hold onto the false believes that I can fix it but I can make them love me. There are no two people in the world who better exemplify the phrase "taking kindness my kindness for weakness" Because for them kindness as weakness vulnerability is foolishness. And I am certain of one thing or no to people in my life will take me more a week for this person that they love on their terms then my mother and Hallie. I'll never apologize never done anything wrong. They never lie and when confronted with Unassailable evidence that they did with Dey deny with all of their heart and soul they will still look you in the eye and say "You're crazy that never happened that recording is a violation of my privacy you're a crazy addict and you need help and I won't even discuss this anymore -you need to go away." And everyone turns and says well you know Hunter she is right you are acting crazy you are violating her privacy you do need to go away. No one dares say "That all may be true but you're lying you're lying to all of us and it's really hurtful it is even more hurtful to continue to do that to him and insist that he's insane for saying the truth asking for honesty And getting nothing but disdain in public shaming." You may think that this has nothing to do with me insobriety ladies but that is such Bullshit. Every professional I spoke to understand the bind that I am in through no fault necessarily of my own. Hallie has made Natalie and Hunter weapons that she uses against me and listen you continue to say that I put Natalie in the middle did I say things to Natalie that are inappropriate please just step back for one minute and think of the times that your sister has Told the kids things about not only me but also of you that are beyond inappropriate think of the number of times she has directly put them in the middle with no apology and stop saying I do the same and equal measure because I do not and neither do you. How he is doing the same exact thing that Kathleen did exactly what Kathleen did and continues to do and where is my failure to get sober well trying to do so with all sincerity and open this is not in anyway a rationale for an anger that justifies her behavior towards me. But the kids do you mind not coming home not being with your mother as abandoning them because that is what she's told Eve you might be away as my failure is selfishness and deceit. And every thing I do to correct that narrative becomes evidence of my inappropriately involving the children. It's wrong on so many levels liz. But your first response to me when I basically give you a transcript of exactly what she said is that she didn't say that Hunter you're wrong you don't seem well you're asking too much she's angry in there for like gives a right to say or do anything she wants to you. I don't know what to do list complete loss but that's leading the kids the kids will be OK and they will Liz but you know that it is so unfair to them and to be honest it's always fair to me I need my family I need my children I need Natalie Hunter without them without my five children I feel like I have nothing because they mean everything to me and when you put Road blocks and when I build my Road blocks resulting from my addiction issues seems like sobriety is not a smart choice as compared to isolation Shame and Guilt I accurately feel I done so many selfish hurtful things Liz and my relationship with your sister I've been wrong so many times I'd knowledge it I take full responsibility for it and I asked forgiveness so many times and I am so hyper focused on the bad person that I've been there it's really hard to see the good person I thought I was. Some days I only see the person she insists I am the person that in public she says I love Hunter but you know Hunter is my addiction not my love we all love Hunter but... I I started to believe her because I made her like I made my mom the center of my ego the one whose judgment and approval I needed most. When Beau was alive he completely balanced out the lack of approval from my mother the lack of love from her but now there is no balance and I've come to believe her judgment of me my mothers judgment of me more often then Not. I put their public and private judgment of me above almost everyone even though almost everyone else sees The opposite. Except for one thing it's easy to believe the things that she says about me at all of her obvious love and patience people believe she has for me when we looked at in the context of my addiction of which almost none of them have ever witnessed in for except for one thing it's easy to believe the things that she says about me with all of her obvious love patients people believe she has for me when looked at in the context of my addiction of which almost none of them have ever witnessed in full why wouldn't they believe exactly what Hallie tells them. Or my mom tells him things like I'm sexually inappropriate with the children. So tell me please how do I keep my kids without killing myself in the process. Please read this Liz I am lost right now and you may think all of this is some drama that will blow over in a day I'm alone right now without any pain killer and I am truly lost and filled with despair.
