AFFIDAVIT of PROBABLE CAUSE

Your affiants on this criminal complaint are sworn police officers in the Commonwealth of Pennsylvania. The information contained in this affidavit is from information received and personal observations which your affiants believe to be true and correct.

On April 9, 2014 law enforcement and emergency personnel responded to Franklin Regional High School after being notified that numerous students had been stabbed by the accused.

Samuel King, Vice Principal, was interviewed and he stated that he responded to reports that someone was getting cut and he saw students who appeared to be in a panic mode running past him, he proceeded to the area the students were running from. In the hallway he saw Sergeant John Resetar (security quard) and a boy (the accused) holding a knife in each hand. Both individuals had blood on them and Resetar had been stabbed in the stomach. The accused turned and was facing Resetar, King then grabbed the accused from behind and took him to the floor. The accused refused to drop the knives and was saying: "No, I am not dropping them, my work is not done, I have more people to kill." The accused was eventually disarmed, handcuffed and detained.

On April 9, 2014 a Search Warrant was served on the accused's school locker. A document was found in the locker that was dated April 6, 2014 and was signed by the accused. A passage from this document reads as follows: " I can't wait to see the priceless and helpless looks on the faces of the students of one of the 'best schools in Pennsylvania' realize their precious lives are going to be taken by the only one among them that isn't a plebeian."

It was determined by EMS personnel and hospital personnel that twenty-one (21) individuals had been attacked by the accused.

I,, BEING DULY SWORN ACCORDING TO THE LAW, D THE FOREGOING AFFIDAVIT ARE TRUE AND CORRECT TO AND BELIEF.	DEPOSE AND SAY THAT THE FACTS SET FÖRTH IN THE BEST OF MY KNOWLEDGE, INFORMATION
