The iPad named "Hunter's iPad" belongs to little Hunter Biden and sometimes shared with Natalie Biden. They are the son and daughter of Joe Biden's deceased son, Beau Biden, and nephew & niece of Hunter Biden, Beau's brother.

Registered accounts on the iPad:
 [redacted]@gmail.com - Beau Biden
 [redacted]@gmail.com - Hallie Biden
 9004 - Little Hunter Biden
 3774 - Hallie Biden

Pedo Peter is the contact name for Natalie Biden on little Hunter's iPad. This is corroborated by the same number for Natalie in their uncle Hunter Biden's iPhone backup.

Ant Ashly ([redacted] 1996)

There is nothing in this world that your daddy loved more than the two of you. You were his heart and soul. I pray you continue to live in daddy's honor. He would be so proud of you. And I promise he is with you...use him as your guiding light. Your aunt will protect you, love you, and support you...all the days of your life. That is my honor. Sending you a big hug today. Your aunt adores you.
