[REDACTED]  
Dear Journal,

I am going to do it! I have been thinking about this moment since the 10<sup>th</sup> grade. I am going to buy shotgun and I am going to commit suicide. I bought some audio cassette tapes so I can explain to the police and my parents about why I did it. I plan to commit suicide on either April 20<sup>th</sup> or April 21<sup>st</sup>. April 20<sup>th</sup> is an obvious choice, for it is the seventh anniversary of the Columbine High School Massacre. However, I want to see the documentaries that they will show on the History Channel. If [REDACTED] is here, I will wait until he leaves. Then, I will commit the act. I will send Anna an e-mail telling her how much I love and care for her. I will tell her that I would pass by her house, and that I named my shotgun or rifle after her and the M-16 rifle in basic training. I will also call [REDACTED] and confess to him what I will do. I have to do this. Every since that

Dear Journal,

Well today I gave Arlene a complete makeover. I turned her into Eric's shotgun. I sawed off the barrel and stock of the shotgun with a hacksaw. It took a lot less time than I thought it would. I taped the butt of the shotgun with duct tape. Now I just have to test her. I also took [redacted]'s bomb apart, and I now know how to make more. I must reserve the motel for Denver today. Arlene looks so beautiful now. I also ordered a pistol belt and three ammunition pouches from the Internet. Everything is falling into place at last! Today, I also saw a program on the History Channel about Charles Whitman the Texas Sniper. He was an ex-Marine who killed his wife, mother, and a number of other people on August 1, 1966. This year will mark the 40<sup>th</sup> anniversary. I can compare

Dear Journal,

I will buy black cargo pants and black boots online to complete the uniform that Eric was wearing on April 20, 1999. I am feeling very depressed these days. I drown my sadness and depression with work, cleaning, and movies. Still, it just keeps coming back. I am a TV junkie. I have been addicted to movies and television ever since I was born. I just became interested in Rated R movies when I was 7 years old, around the same time I was shown pornography. I am having sexual fantasies these days and fantasies of being held hostage by an evil twin brother. I assume that he represents my dark side. I can't even cry! The anti-depressant I am taking doesn't seem to be working. On August 29, my depression will end permanently. I just want to die. I don't want to live like this anymore. I have endured 10 years

Dear Journal,

In one week, I will finally be dead. I am just putting the finishing touches on my autobiography. It is in my computer, in Microsoft Word, under the name Columbine. I have almost everything ready. I just need more ammo and I need to go to church before I begin. I cannot wait. I wish I could tell my family, but I can't. I miss Anna. Today, she starts her sophomore year at [REDACTED].

[REDACTED]. I will always think about her. She is so beautiful. I don't deserve her though. I do not deserve anyone. If I was mentally well, maybe I could've told her my feelings. I do feel sorry for scaring her. I know I am sick. What do you do with sick people like me. They can't change. You have to sacrifice them. Bad things could happen. We have to learn to sacrifice ourselves. I need to sleep now journal. Goodnight.

Dear Journal,

Today is the big day for Operation Columbine  
+ it's time that the world be reminded of  
Columbine. I will die today; I just killed my  
father. I + felt good'. He is finally dead.  
I do feel a little remorse. Still, he is  
finally with God and Tony. I loved  
my father. I hesitated but I finally  
did it. God be with him.
