§2554. Certification and appointment
* * *

C.(1) In the event a vacancy cannot be filled by reinstatement or by re-employment as above provided, the board next shall certify the names of the persons upon the promotional list, in the order in which they appear thereon, for the class in which the vacancy is to be filled.

(a) The appointing authority shall select and appoint to the first vacancy to be filled the one person certified to it who has the greatest seniority in the departmental service. Any remaining positions to be filled in the same class shall be filled by appointing to each such successive vacancy the one of the remaining persons certified therefor who has the next highest seniority in the departmental service. If any one or more persons so certified should refuse the appointment, the appointing authority shall then select and appoint one of the persons certified by the board with the next highest seniority in the department service. This procedure shall be followed until the position has been filled by appointment of the one person who has the greatest seniority in the departmental service who is willing to accept the appointment, or until each person whose name appears upon the list has in this order been certified and offered the appointment for the vacancy.

(b) Any person certified to the appointing authority who, because of work-related illness, injury, or incapacity, is unable to immediately begin a working test, shall be appointed in accordance with Subparagraph (a) of this Paragraph. However, the working test shall be immediately interrupted and shall not commence until the employee has fully recovered and returns to full duty. If the employee fails to recover and return to full duty within six months of the date of his appointment, the board shall declare him ineligible to continue therein, and the appointment shall be made to one of the remaining persons certified therefor who has the next highest seniority in the departmental service. Any such person appointed in accordance with R.S. 33:2496(2) to substitute for the injured employee during the period of interrupted working test shall have such time counted toward his twelve-month working test period.

(2) Notwithstanding any other provision of law to the contrary, in the city of DeRidder a vacant position in the police department shall be filled in the following manner:

(a) If a vacancy cannot be filled by reinstatement, or by reemployment as provided in Subsections A and B of this Section, the board shall next certify the names of the persons on the promotional list, in the order in which they appear thereon, for the class in which the vacancy is to be filled.

(b) The appointing authority shall select and appoint to the first vacancy to be filled the one person certified to him who has the greatest promotional seniority in the next lower rank. Any remaining positions to be filled in the same class shall be filled by appointing to each such successive vacancy the one of the remaining persons

certified therefor who has the next highest promotional seniority in the next lower class.

(c) If any one or more persons so certified should refuse the appointment, the appointing authority shall then select and appoint one of the persons certified by the board with the next highest promotional seniority in the next lower class. This procedure shall be followed until the position has been filled by appointment of the one person who has the greatest promotional seniority in the next lower class and who is willing to accept the appointment or until each person whose name appears on the list has in this order been certified and offered an appointment to the vacancy.

(d) If two or more persons possess an equal amount of promotional seniority, those persons shall be reinstated or listed on the promotional list and offered promotions in the order of departmental seniority, from highest to lowest.

(e) Any person certified to the appointing authority who, because of work-related illness, injury, or incapacity, is unable to immediately begin a working test, shall be appointed in accordance with Subparagraph (a) of this Paragraph. However, the working test shall be immediately interrupted and shall not commence until the employee has fully recovered and returns to full duty. If the employee fails to recover and return to full duty within six months of the date of his appointment, the board shall declare him ineligible to continue therein, and the appointment shall be made to one of the remaining persons certified therefor who has the next highest promotional seniority.
