ADDRESS OF THE GRAND MASTER

I want to welcome each of you to the 2002 Grand Lodge Session in Baton Rouge, and I hope all of you will have a pleasant time and I know the session will be harmonious and very productive.

I especially want to extend a warm welcome to all of our out of state friends and we plan to make your stay here as pleasant as possible. If there is anything we can do to accommodate your particular needs, feel free to contact me directly or Joseph S. Monaghan, Jr., P.M., who is General Chairman of the session, or Waldemar D. Stopkey, P.M., who is Housing Chairman.

My thanks go out to all of the Grand Lodge Officers and the various committees for their time and patience, and rest assured without your help this year, this year would not have been as fulfilling as it was.

To my wife, Gwen, I want to thank her for her patience and understanding and also for helping me with all of the correspondence and detail work which made my life much easier. Her assistance throughout the year was a great help for me to get things organized and completed in a timely fashion.

Thanks particularly go to Lloyd Hennigan, Chairman of Laws and Jurisprudence, and his entire committee, for keeping me out of trouble in the areas of Masonic Law. Lloyd has truly done yeoman's service this year and his efforts will always be remembered and appreciated. My thanks also go out to William H. Brown, P.G.M., and Scott McQuaig, Chief Attorneys for the Grand Lodge this year, as well as their entire committee for their continued support and interest in Free Masonry.

This year, in my travels throughout the state I have met many Masons and the friendship and camaraderie formed in these travels will always have a lasting effect on me and have truly enhanced my life this past year in many ways. I have clearly learned that while Masons around the state may have vastly different backgrounds, educations and circumstances, we can still work together for a very positive outcome and I truly believe that Masonry is alive and well in the State of Louisiana. Always remember that Masonry is what a Mason makes it and different Masons have different viewpoints, but certainly we all have one common goal and that is the betterment of mankind.

We will endeavor to move the Grand Lodge Session along this year in a very orderly fashion, and in that regard there will be some simple rules relative to the amount of debate that will be allowed on resolutions that are submitted, as well as on the election for Grand Master and the other elected officers. We will do our best to make sure that everyone gets to say what needs to be said without unnecessarily burdening the Brethren with repetitious statements. We also intend to ask that on all committee reports, the committee chairmen make his comments as brief as possible and if at all possible do not read his report as all of the reports will be printed and we can certainly read them ourselves.

In conclusion, I once again want to thank all of the Brethren of the State for electing me Grand Master for the year 2001, and I certainly hope that my efforts this year served to benefit our great fraternity.

Fraternally yours,

M:W: Patrick C. Kelley,
Grand Master

STATE OF THE ORDER

Louisiana continues to share with our other Grand Jurisdictions around the Country similar problems, such as, membership, recognition of other bodies in Masonry, and in some cases the misdirected efforts of some secretaries and treasurers to continue to think they run lodges as opposed to the duly elected Master.

It was clear to me throughout my travels this year that lodges with good leadership are doing very well, but the lodges that are lacking in good leadership are not doing as well. As I have mentioned before, it is very important that all members of each lodge in the state work together with their elected officers to make sure that those officers have a successful year and while certainly the Brethren may disagree with the elected officers it is their responsibility to respect their positions and to work together for peace and harmony which is the only way a lodge will succeed and prosper.

I have taken the clear position throughout the year that the 19 District Deputy Grand Masters are my personal representatives and I have asked that they attempt to deal with any problems in their respective districts and I must say that each of the Deputy Grand Masters did an outstanding job as there were very few problems presented to me other than those of the usual nature. Our Grand Secretary, Thomas J. Pitman, Jr., and the Grand Treasurer, Ray McLaurin, have been truly supportive of me during this year, and the diligent efforts of the Grand Lodge office staff certainly helped the Grand Lodge office to run smoothly and efficiently. I would also like to clear up any misconception about Past Grand Masters, and truly, each of the Grand Masters during my year have been extremely supportive of my efforts when called upon and have offered good advice, so I want to thank each and every one of them for their prior support and continued support.

There were many exciting events that occurred during the year 2001, and a few of those are as follows:

(1) The Masonic Parade and Re-enactment of a burial service in St. Francisville, La.;

(2) The Grand Master's Degree in Harahan, La., held at Louisiana Lodge 102;

(3) The Masonic Forum held at the Scottish Rite Temple in New Orleans, La.;

(4) The Rededication of the Old Masonic Temple Building at 333 St. Charles Avenue in New Orleans, La.

The above are just a few of the highlights, but rest assured, there were many more.

In concluding, if each of you would simply remember the meaning of the word **MASON**, I believe that you will continue to exercise the principles of free Masonry with the wisdom necessary to continue our great fraternity. Those words are simply as follows: The **M** stands for Morality, the **A** stands for Attitude, the **S** stands for Service, the **O** stands for Obedience, and the **N** stands for the Name of God. Best wishes to all of you.

NECROLOGY

We certainly want to express our sympathies to all of the families of the Brethren we lost during the year. We did lose one Past Grand Master this year and we especially regret the loss of M:W: Dr. Elmer Reid Minchew, P.G.M., he will be severely missed. On a personal note, I lost one of my good Masonic friends who was so helpful with our cemetery and my thoughts and prayers go out to the family of George Koeneke.

DISTRICT DEPUTY GRAND MASTERS AND LECTURERS

As mentioned to you earlier in this report, the DDGMs are a vital part of the Grand Lodge and without their help in 2001 my job as Grand Master would have been much more difficult.

Certainly, the Grand Lecturers are a significant part of the Grand Lodge and they do a wonderful job with the permanent committee on work in educating the Brethren and seeing to it that there is unity and cooperation within our Masonic fraternity.

GRAND LODGE OFFICERS

Certainly, my greatest thanks go out to all of the Grand Lodge officers, both elected and appointed, and without their continued support and help I would have had a much more difficult time during my year as Grand Master.

My consultations this year with the elected Grand Lodge officers have been invaluable to me and I truly want to thank Joseph H. Baker, Jr., Deputy Grand Master, Joe G. Cabuk, Jr., Grand Senior Warden, and Neil R. Crain, Grand Junior Warden.

My thanks go out to M:W: Thomas J. Pitman, Jr., P.G.M., Grand Secretary, and R:W: A. Ray McLaurin, Grand Treasurer, for all their support and effort in making 2001, a successful year.

MASONIC HOME PROPERTIES AND CHARITIES

As each of you know, the Home has been closed for many, many years now. All of the funds have been properly separated, we do have a new investment firm who has been handling our accounts as of the year 2000, and I am pleased to state that while our investments have been conservative in nature due to the fact that they deal strictly with funds for charitable and fraternal purposes we have done much better than expected even with the recent downturn in the economy.

MASONIC HOME EDUCATIONAL FOUNDATION

This is a wonderful charitable program which provides scholarships for worthy students in need of additional funds to go to the college of their choice. I fully support this program and recommend its continued support to all of the Brethren.

MASONIC EDUCATION

As usual, our Committee Chairman, W.A. Morris, has done a wonderful job of starting new projects, and I particularly want to thank him and his committee for hosting the first ever Warden's Conference in Woodworth, La., and this conference was an enormous success.

W.A. Morris, and I have not always agreed about the Achievement Award Program, and I may want to be a little bit more lenient than him, but I understand his reasoning and I do support him in these regards.

HONESTY AND INTEGRITY AWARDS

I must admit that prior to being elected as a Grand Lodge Officer, I really did not know that much about this program because my mother lodge, Louisiana Lodge 102, did not, at least to my recollection, host one of these programs, but having been exposed to this for the last four years and having handled many presentations this year I truly believe this is a worthwhile program which definitely honors the young people in our state who are the future of our fraternity, and certainly this program gives us positive exposure to the public in general.

MASONIC LEARNING CENTER OF LOUISIANA

As each of you know, our Masonic Learning Center of Louisiana, also known as the Dyslexia Program, is our statewide charity and I am pleased to report that said program is doing outstanding. There are currently over twenty classes throughout the state of Louisiana, and more of them are opening on a monthly basis. My thanks go out to M:W: Roy B. Tuck, PGM, and M:W: I.C. Turnley, PGM, and their entire committee for their outstanding efforts in managing this program for us. This program gives us the greatest exposure of anything we do for the public in general and the rewards that Masons reap as a result of helping young people with Dyslexia cannot be overstated.

Judge Roy B. Tuck, Jr., P.G.M., has traveled throughout the state of Louisiana in organizing, helping to set up, and dedicating various clinics around the state and I do not want his efforts to be unrewarded as they have been truly magnificent.

ANNUAL CONFERENCE OF GRAND MASTERS OF NORTH AMERICA

The Annual Conference of the Grand Masters of North America, was held last year in February in Phoenix, Arizona, and it was a most successful conference. Accompanying Gwen and I at the conference, were R:W: Joseph H. Baker, Jr., DGM, and his wife, Beverly; and M:W: Charles H. Penn, III, PGM, and his wife, Jessica.

I had the unique opportunity at that conference to have a private meeting with Robert Turnipseed, who was the Imperial Potentate at the time, and he and I discussed many issues involving Free Masonry and the Shrine, and I must say he was most receptive relative to the issues we discussed and I am pleased to report that as a result of this meeting there were absolutely no problems at the Imperial Session in Las Vegas, Nevada, in July that would directly concern Free Masonry in the State of Louisiana.

SOUTHEASTERN MASONIC CONFERENCE

The Southeastern Masonic Conference was held in August of 2001, in Charlotte, North Carolina. Several topics related to Free Masonry were presented and discussed, the most interesting of which, was a dissertation on Prince Hall Masonry presented by the Past Deputy Grand Master of North Carolina. While not everyone agreed with his presentation it was a most interesting talk and we should always remember that we cannot be blind to what is going on around the country.

The Grand Master of North Carolina and his entire committee did a wonderful job with the hospitality at the conference and it was definitely the best hospitality I had ever seen at a Masonic Conference.

Accompanying me to Charlotte for the conference were M:W: Ballard L. Smith, PGM, and his wife, Alice; M:W: Thomas J. Pitman, Jr., PGM, Grand Secretary, and his wife, Colleen; R:W: Joseph H. Baker, Jr., DGM, and his wife, Beverly; and of course, myself and Gwen.

LOUISIANA FREEMASON

This continues to be an excellent publication and M:W: Ray W. Burgess, P.G.M., and his committee do an outstanding job on the publication. I commend Brother Burgess, and his committee for a wonderful job and wish them the best for their continued success for this magazine.

PERPETUAL MEMBERSHIP

Once again, this is another outstanding Masonic program and this program should preserve our financial stability in the years to come. It is an ideal way in which a young, as well as an old Mason, can give financial security to their respective lodges or to the Grand Lodges, but it also insures that the Masons who become perpetual members would avoid expensive increases in dues in the future.

RECOMMENDATIONS TO THE GRAND LODGE

The following are recommendations that I believe will improve our fraternity and make Free Masonry better in the future:

(1) Have a workshop for secretaries and treasurers, and possibly even invite Past Masters and remind them that they are there to offer assistance to the newly elected officers of the lodge, but they are not there to run the lodge. These Past Masters have had their "day in the sun" and it is now time for them to be wise advisers, but not to interfere with the ongoing activities of the lodge or the newly elected officers.

(2) Hopefully in the future to sell the majority of the property in Alexandria in order to build a very simple and efficient Grand Lodge building which would house the Grand Lodge office, as well as to provide the other necessities to operate the Grand Lodge.

(3) Continue to support our various youth programs which include DeMolay, Rainbow, etc., with your contributions.

(4) Definitely a unified support our major Grand Lodge charity, The Masonic Learning Center of Louisiana, also known as The Dyslexia Program.

RULINGS

We were requested to rule upon several matters, but in every instance the Handbook of Masonic Law was either clear and complete or the matters were referred to Lloyd Hennigan, Chairman of Laws and Jurisprudence, and his committee for review and clarification after which appropriate rulings were issued.

GRAND LODGE OFFICE STAFF

Finally, but certainly not last, I want to sincerely express my thanks to the entire Grand Lodge staff for a great job in 2001. Without the office staff, 2001 would not have been the same. Thanks again.

CONCLUSION

Finally, once again I want to thank you, the Brethren of the State of Louisiana, for giving me the privilege to serve as your Grand Master for the year 2001, and I will never forget this great honor.

I truly believe that R:W: Joseph H. Baker, Jr., DGM, who I anticipate will be elected Grand Master at the session will do a wonderful job for the State of Louisiana and I earnestly solicit your support for him.

Always remember to continue the high moral standards that we all abide by as Masons, and best of luck to each one of you in the future.

Fraternally Yours,
Patrick C. Kelley
Grand Master, 2001

TWENTY-FIVE AND FIFTY YEAR CERTIFICATES

The Grand Lodge is authorized it issue twenty-five and fifty year membership certificates to all members in good standings in Lodge of our jurisdiction when they have attained twenty-five or fifty years accumulative, but not necessarily continuous good standing in the Masonic Fraternity. Certificates can be awarded at any time during the calendar year. These certificates are prepared by the Grand Lodge office, based on the computer run, which we receive and issue to the various Lodges. This past year we prepared 471, twenty-five year certificates and 361, fifty year certificates.

EMPLOYMENT TAXES

Exemptions from income tax does not relieve the Lodge from liability for Social Security Taxes or other applicable employment taxes. Smaller lodges who employ a Secretary or any other employee in a part time capacity and who either remit his dues and /or pay him a token salary, would not generally be liable for employment taxes, unless such salary is $50.00 or more in a calendar quarter.

Larger lodges employing a Secretary or any other employee at a larger salary, are liable for Social Security on his wages. Such taxes should be forwarded to the Internal Revenue Services each quarter on Form 941. Federal and State Unemployment Taxes must also be paid.

You are reminded that Social Security taxes for 2001, are 7.65 percent withheld from employees salary and 7.65 percent of the employees salary is paid to the Social Security by the employer totaling 15.3 percent.

STATE AND LOCAL SALES TAX

Lodges are not exempt from payment of State and Local Tax on their purchases. Lodges do not collect any taxes or make any reports concerning sales tax.

HANDBOOK OF MASONIC LAW

The revisions for 2001, were published as approved. Each Constituent Lodge and Grand Lodge Officers received a copy and many individuals have purchased same.

They are available from our Masonic Service Committee for $2.50, plus postage. The cost of the complete Handbook with all revisions, (without covers), is $12.50, and with the cover the cost is $17.50 plus postage.

MASONIC DIRECTORY

The annual Masonic Directory was published and will continue to be published in the foreseeable future. It contains the list of Lodges in various arrangements for reference purposes. It also contains the names and addresses, and phone numbers of Masters and Secretaries, plus meeting nights and location and the Committees and Board of the Grand Lodge. One copy is furnished initially to Lodges and additional copies may be purchased for $4.00, plus shipping.

The Lodge Secretary and Worshipful Master should review the line entry for his own Lodge and be assured we have printed it correctly. We must have the exact location of your Lodge Hall. Remember, this information comes from your Officer sheets which you submit at the beginning of the year.

DATA PROCESSING

During the past year we began up dating and up grading our Data Processing system. We expected to encounter problems in transferring the data from the old program to the new one, but the problems exceeded anything we could imagine. By working many long days and nights most of the problems have been corrected and we expect the new system to be fully operational soon. We appreciate the patience and assistance of the Lodge Secretaries in the effort.

Secretaries with internet access may now file most of their reports electronically from Lodge Secretary's Page at our web-site, La-mason.com, resulting in a significant savings in time, postage and paper.

LISTS OF SUSPENSIONS AND EXPULSIONS

Each year a list of suspensions and expulsions is sent to the District Grand Master of each Masonic District. He is to take this to the Masonic District Lodge meeting for review. Each Worshipful Master or Secretary should receive a list of the suspensions and expulsions in his Lodge, review it, and report any plural members to the second Lodge involved. A list is also distributed to each of the Appendant Bodies.

CHARTERS SURRENDERED

Universal Lodge No. 470, merged with Rudolph Krause Lodge No. 433. No Charters were surrendered in 2001.

LIBRARY

One area in which we could use volunteer help is in the Library. With the volume of Proceedings news letters and Grand Lodge publications we receive from other Grand Jurisdictions, it is impossible for our office staff to keep the incoming material segregated and organized. Therefore, any assistance in this area would be most appreciated.

CONCLUSION

The several Emergent Communications for the purpose of placing cornerstones, plaques and tablets are cited the Grand Master's report, as well as the Centennial Plaques awarded. The budget and other financial data are also addressed separately. We continue to work toward improved efficiency and economy in our operation. The Auditors report follows on the next several pages. As always, it is a pleasure to serve the fraternity in any and every manner possible.

Fraternally submitted,
M:W: Thomas J. Pitman, Jr., P.G.M.
Grand Secretary

INDEPENDENT AUDITOR'S REPORT

To the Officers and Members of the
Grand Lodge of Louisiana, F. & A.M.
Alexandria, Louisiana

I have reviewed the accompanying statement of financial position of the Grand Lodge of Louisiana, F. A.M. as of September 30, 2001, and the related statement of activities for the year then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of Grand Lodge of Louisiana, F. & A.M.

A review consists principally of inquiries of company personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, I do not express such an opinion.

A statement of cash flows and functional expenses has not been presented as required by generally accepted accounting principles. Also, depreciation expense is not included with the statement of activities. I am unable to assess the effect, if any, on the financial statements as a result of these omissions.

Based on my review, except for the items mentioned in the preceding paragraph, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

My review was made for the purpose of expressing limited assurance that there are no material modifications that should be made to the financial statements in order for them to be in conformity with generally accepted accounting principles.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of The Masonic
Educational Foundation, Inc.

I have reviewed the accompanying statement of financial position of the Masonic Educational Foundation, Inc. as of September 30, 2001, and related statement of activities for the year then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of Masonic Educational Foundation, Inc.

A review consists principally of inquiries of company personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, I do not express such an opinion.

A statement of cash flows and functional expenses has not been presented as required by generally accepted accounting principles. I am unable to assess the effect, if any, on the financial statements as a result of these omissions.

Based on my review, except for the items mentioned in the preceding paragraph, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

My review was made for the purpose of expressing limited assurance that there are no material modifications that should be made to the financial statements in order for them to be in conformity with generally accepted accounting principles.

MASONIC HOME PROPERTIES & CHARITIES
NOTES TO THE FINANCIAL STATEMENTS

September 30, 2001 and 2000

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The financial statements of the Masonic Home Properties & Charities have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Nature of Organization-

Masonic Home Properties & Charities (the Home), a not-for-profit organization was established under the laws of IRC 501(c)(3) for charitable purposes. The buildings are operated under IRC 501(c)(10). The Home, among other activities, operates as a center for dyslexic learning. The Home is supported by contributions and interest and dividend income from investments.

Financial Statement Presentation-

The Home adopted Statement of Financial Accounting Standards(SFAS) No. 117, "Financial Statements for Not-for-Profit Organizations." Under SFAS No. 117, the Home is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. In addition, the Home is required to present a statement of cash flows(See Accountants Review Report). The Home has discontinued its use of fund accounting and, accordingly, has reclassified its financial statements to present the three classes of net assets.

Income Tax Status -

The Masonic Home Properties & Charities is an exempt organization under Section 501(c)(3) of the Internal Revenue Code of 1986. The organization has no unrelated business activities that would be subject to income tax.

Donations Other than Cash -

Donations other than cash are recorded as income at an amount equal to the fair market value of the gift on the date of the donation. Items, such as stocks and bonds, held at the end of the organization's year are adjusted to their respective fair market values on that date, in accordance with the recommendations of the Accounting Standards Division of the American Institute of Certified Public Accountants (Statement of Position 78-10).

To the Board of Trustees
Masonic Home Properties & Charities
Alexandria, Louisiana

I have reviewed the accompanying statement of financial position of the Endowment Fund of the Masonic Home Properties & Charities as of September 30, 2001 and 2000, and the related statement of activities for the year then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of the Masonic Home Properties & Charities.

A review consists principally of inquiries of company personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, I do not express such an opinion.

As explained in Note 2, the financial statements being presented are only for the fund referred to above and does not include the assets, liabilities, and net assets and the activity and capital additions of any funds other than the Endowment Fund. Accordingly, the accompanying financial statements are not intended to present the financial position of the Masonic Home Properties & Charities as of September 30, 2001 and 2000, or the changes in its net assets for the year then ended in conformity with generally accepted principles. Also, the statements of cash flows and functional expenses has not been presented as required by generally accepted accounting principles.

Based on my review, except for the items mentioned in the preceding paragraph, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles.

My review was made for the purpose of expressing limited assurance that there are no material modifications that should be made to the financial statements in order to be in conformity with generally accepted accounting principles.

MASONIC HOME PROPERTIES & CHARITIES
ENDOWMENT FUND
NOTES TO THE FINANCIAL STATEMENTS

September 30, 2001 and 2000

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The financial statements of the Masonic Home Properties & Charities Endowment Fund have been prepared on the accrual basis. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Income Tax Status -

The Masonic Home Endowment Fund(the Home) is an entity of Masonic Home Properties & Charities, which is an exempt organization under Section 501(c)(3) of the Internal Revenue Code of 1986. The organization has no unrelated business activities that would be subject to income tax.

Donations Other Than Cash -

Donations other than cash are recorded as income at an amount equal to the fair market value of the gift on the date of the donation. Items, such as stocks and bonds, held at the end of the organization's year are adjusted to their respective fair market values on that date, in accordance with the recommendations of the Accounting Standards Division of the American Institute of Certified Public Accountants (Statement of Position 78-10).

Financial Statement Presentation-

The Home adopted Statement of Financial Accounting Standards(SFAS) No. 117, "Financial Statements for Not-for-Profit Organizations." Under SFAS No. 117, the Home is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. In addition, the Home is required to present a statement of cash flows(See Independent Auditors Report). The Home has discontinued its use of fund accounting and, accordingly, has reclassified its financial statements to present the three classes of net assets.

Other Matters -

All gains and losses arising from the sale, collection, or other disposition of investments and other non-cash assets are accounted for in the fund that owned the assets. Ordinary income from investments is accounted for in the fund owning the assets. Ordinary income produced by assets owned by the endowment fund is available for and transferred to operating funds.

2. OTHER FUNDS:

The Masonic Home Properties and Charities financial statements should include the Endowment Fund. The board of trustees has decided that a separate presentation is more useful since the Endowment Funds have separate investments.

3. RESTRICTED ASSETS:

The assets in the Endowment Fund are restricted by the Board of Trustees as to their use. All or a portion of the income from investments held in the Endowment Fund is transferred to the Masonic Home Properties & Charities on an annual basis.

To the Board of Directors

Educational Foundation, Inc.
Alexandria, Louisiana

I have reviewed the accompanying balance sheets of the Masonic Home Educational Foundation, Inc., as of September 30, 2001 and 2000, and the related statements of income and retained earnings, and cash flows for the year then ended, in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in these financial statements is the representation of the management of Masonic Home Educational Foundation, Inc.

A review consists principally of inquiries of company personnel and analytical procedures applied to financial data. It is substantially less in scope than an audit in accordance with generally accepted auditing standards, the objective of which is the expression of an opinion regarding the financial statements taken as a whole. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with generally accepted accounting principles. The statements of cash flows and functional expenses have been omitted from this presentation. I am unable to assess the affect, if any, that these omissions have on the financial statements taken as a whole.

My review was made for the purpose of expressing limited assurance that there are no material modifications that should be made to the financial statements in order for them to be in conformity with generally accepted accounting principles.

MASONIC HOME EDUCATIONAL FOUNDATION, INC.
5800 Masonic Drive
Alexandria, Louisiana 71301
Annual Report, 2002

To the M:W: Grand Master, Grand Lodge Officers, and Brethren:

Thank you for your continued interest in the Masonic Home Educational Foundation, Inc. The Foundation has not had a fund drive in several years and since the Masonic Home closed in 1994 contributions have decreased.

For several years the Grand Lodge allocated the investment income from the Masonic Home Endowment Fund to the Masonic Home Educational Foundation, until such time as a major charity could be established to replace the Home. That has now been accomplished with the creation of the Masonic Learning Center, also known as the Dyslexia Program.

Declining income from investments in the past year resulted in fewer grants being approved than at any time in recent memory. We received 76 applications. We had funds available for 58 grants, of this number, 33 were re-applications and 25 were new applications. A list of grants is included in the report. Wages and related employment expenses are pro-rated between the Foundation and the Learning Center.

We thank you for the opportunity to be of service and we solicit your support of this worthy undertaking.

Fraternally submitted,
M:W: Thomas J. Pitman, Jr., P.G.M., Grand Secretary, President

RESOLUTION 2002-6

Refers to Article VI, Section 13. Page 35, of the General Regulations of the Handbook of the Masonic Law.

WHEREAS, during the past decade, most Blue Lodges in Louisiana have suffered severe membership losses; and

WHEREAS, substantially decreasing membership severely and adversely affects the ability of our Blue Lodges to function effectively and to discharge the financial obligations incident to vital functions; and

WHEREAS, Plural Membership, is authorized and should be encouraged in Louisiana Lodges; and

WHEREAS, our Masonic Law now provides that all petitions for Plural Membership "shall take the usual course of petitions for initiation or affiliation"; and

WHEREAS, Master Masons petitioning for Plural Membership in Louisiana Lodges undergo a more stringent ballot/vote requirement in attaining membership than do those former members seeking reinstatement in the membership, in that Plural Membership requires a unanimous ballot, while reinstatement requires a two-thirds (2/3) vote; and

WHEREAS, there appears no logical or defensible reason to continue to treat a brother in good standing applying for Plural Membership in exactly the same manner as a profane; and

WHEREAS, the proposed change retains adequate protection for the Blue Lodge being petitioned;

THEREFORE, BE IT RESOLVED, that the third sentence of Article VI, Section 13, Page 35, of the General Regulations of the Handbook of Masonic Law, quoted above, be changed to provides as follows:

> "Each application for Plural Membership must be presented at a stated meeting and shall, when received by the Lodge, be referred to an Investigating Committee of three (3) members, who shall report to the Lodge not earlier than four (4) weeks after the application was received, after which a vote shall be taken and the applicant declared elected if he receives a favorable vote of two-thirds (2/3) of the members present."

RESOLUTIONS

Resolutions designated as Resolution No. 2001-1 through Resolution No. 2002-6, were filed and submitted to the Committee for its considerations. Based upon the information furnished to it, the Committee finds that the resolutions considered herein were timely filed in accordance with Article XI, Section 7, General Regulations, Handbook of Masonic Law. The essential provisions of the resolutions, comments and/or recommendations of the Committee are as follows:

RESOLUTION NO. 2002-1

This resolution proposes the creation of a new category of Grand Lodge Officers called " Grand Stewards of the Work", and granting that status to members of the Permanent Committee on Work.

As this resolution would amend the Constitution, Article IV, Section 1, Page 3 of the Handbook of Masonic Law , (as well as General Regulations, Article 1, Section 2 (F) and Article 11, Section 9,) it must be received by a majority vote, be printed in the proceedings of the Grand Lodge, and sent to all constituent Lodges, when a majority of the chartered lodges approved the same and notified the Grand Secretary thereof, or if, at the next Grand Communication, two-thirds (2/3rds.) of the members present of a sufficient quorum vote in favor of the same, it shall be adopted.

The committee makes no recommendation on this resolution.

RESOLUTION NO. 2002-2

This resolution, if adopted, would grant the Grand Lodge vote to Past Masters of the Lodges along with all present Grand Lodge members, so long as they are members in good standing of Lodges under this Grand Jurisdiction.

As this resolution would amend the Constitution, Article II, Section 1 and 2, page 2, of the Handbook of Masonic Law, it must be received by a majority vote, be printed in the proceedings of the Grand Lodge, and sent to all constituent Lodges, when, if a majority of the chartered Lodges approve the same and notify the Grand Secretary thereof, or if, at the next Annual Grand Communication, two-thirds (2/3rds) of the members present of a sufficient quorum vote in favor of the same, it shall be adopted.

The committee makes no recommendation on this resolution.

RESOLUTION NO. 2002-3

This resolution proposes to create a jewel for District Grand Lecturers to be worn while acting in their official capacity during their term of office.

This resolution, if adopted, would amend the Digest of Edicts, jewels, page 86, Handbook of Masonic Law. Accordingly, it must be received by favorable vote of a majority of the delegates, lay over from one session to another and be adopted by the favorable vote of those present and entitled to vote.

The committee makes no recommendation on this resolution.

RESOLUTION NO. 2002-4

This resolution, if adopted, would amend Article VI, Section 13, General Regulations to eliminate the requirement of a unanimous ballot for the election of applicants for plural membership and provide that such applicants may be elected by a two-thirds (2/3rds.) Favorable vote of the members taken after favorable report of the investigating committee made no earlier than four (4) weeks after receipt of the application.

The resolution proposes an amendment to the General Regulations. Accordingly, it must be received by a favorable vote of a majority of the delegates, lay over from one session to another and be adopted by the favorable vote of two-thirds (2/3rds.) Of a quorum.

The committee makes no recommendation on this resolution.

RESOLUTION NO. 2002-5

This resolution proposes to authorize the donation of Lot 14, block 46, Town of Marthaville, by the Grand Lodge to the Louisiana Annual Conference of the United Methodist Church.

The resolution does not amend existing law, and therefore it must be received by a favorable vote of a majority of the delegates, and be adopted by a favorable vote of a simple majority of those present and entitled to vote.

The committee makes no recommendation on this resolution.

RESOLUTION NO. 2002-6

This resolution proposes that the name and number of every constituent Lodge be placed on any corner stone, or in lieu thereof, any slab, plaque, or marker purchased by the said Lodge and furnished for installation.

This resolution, if adopted, would amend the Digest of Edicts, CORNER STONES, page 79, Handbook of Masonic Law. It must, therefore be received by favorable vote of a majority of the delegates, lay over from one session to another and be adopted by the favorable vote of two-thirds (2/3rds.) of those present and entitled to vote.

The committee makes no recommendation on this resolution.

MASONIC HOME PROPERTIES AND CHARITIES
GRAND LODGE OF THE STATE OF LOUISIANA
2001 REPORT

To the Most Worshipful Grand Master, Grand Lodge Officers and Brethren:

This board is charged with the responsibility of managing and maintaining the Grand Lodge properties in accordance with acceptable standards. The property consists of the Masonic Home property as well as several tracts of vacant land willed to the board by deceased members and other benefactors.

The 10 acre campus and building of the Masonic Home have been on the market for more than a year. No acceptable offer has been proffered. Some of the vacant land is out of state and we have spent years trying to get clear title in the name of the Grand Lodge so it can be sold. These matters continue to receive our attention.

We continue to provide classroom facilities for the Learning Center in Alexandria, as well as office space and facilities for the Masonic Learning Center of Louisiana. We thank the members of the board for their unselfish service and we thank each of you for your interest and support.

Fraternally submitted,
M:W: Thomas J. Pitman, Jr., P.G.M., Grand Secretary, Chairman

NECROLOGY COMMITTEE REPORT

Grand Master, Grand Wardens and Brethren:

We, your committee on Necrology, reports that there were no deaths in our current line of Officers, elected or appointed. We are however, greatly saddened by the loss of Most Worshipful: Doctor E. R. Minchew, Past Grand Master, having served in the year 1977. A fitting tribute was made by M:W: T. Scott Strickland, P.G.M., at our Memorial Service Sunday, February 3, 2002.

There were also losses in our Past Masters, Lodge Members, and Appendant Bodies, they will all be missed, fitting tribute was paid them at our Memorial Service.

We have consigned their bodies to the grave, we cherish their memory in our hearts, and have commended their spirits to God who gave it.

REPORT OF THE MASONIC HOME ENDOWMENT FUND COMMITTEE

Your Grand Lodge Committee for the Masonic Home Endowment Fund joins with all Louisiana Masons in mourning the loss of M:W: Elmer Reid Minchew, P.G.M. Dr. Minchew, was vitally instrumental in the fund's institution and for many years served as chairman if this committee. The growth of the fund's principal to its current level of over 1.6 million dollars is due largely to his efforts and for that we are truly thankful.

A detailed report of the operations and financial condition of the fund may be found in the independent Auditor's Report for Masonic Home Properties and Charities. It is the responsibility of the Board of Directors of Masonic Home Properties and Charities to oversee the fund's operations and that board is to be commended for exercising prudence in the fund's management.

As it is the duty of this committee to make certain recommendations to the Grand Lodge on the fund's behalf, we suggest the following:

(1) That income distributions for the year 2001, be made in accordance with the investment policy adopted in 1998, by the Board of Directors of Masonic Home Properties and Charities.
(2) That any and all distributions be divided evenly with one-half going to the Board of Trustees for the Masonic Learning Center of Louisiana, Inc., for benefit of our dyslexia training program, and with one-half going to the Board of Directors of the Masonic Home Educational Foundation, Inc., to provide college scholarships for deserving students.

Your Committee expresses its appreciation to the Grand Lodge for the opportunity to serve such a fine organization and to all the Masonic Brethren and others who have built and supported the Masonic Home Endowment Fund by their contributions.

Fraternally,
M:W: Charles H. Penn, III, P.G.M., Chairman
Charles L. McCarty, P.M., John L. Atkinson, George R. Smith, P.M., Oliver H. Neal, P.M.

FOREIGN CORRESPONDENCE COMMITTEE
2001-REPORT

Most Worshipful Grand Master, Grand Lodge Officers and Brethren:

Your Committee announces with great sadness the passing of a Brother who has been of invaluable assistance to us for many years: **Right Worshipful Brother Robert L. Dillard, Jr., Past Grand Master of Texas and Secretary-Treasurer of the Commission on Information for Recognition.** This Brother has devoted his life to the preservation of our Masonic goals and landmarks. Your Committee is proud to have been associated with this great man and Mason. We will miss his guidance.

Three new Grand Lodge jurisdictions have requested recognition by our Grand Lodge. The Commission on information has furnished this Grand Lodge information saying that the Grand Lodge of Sinaloa, Mexico and the Grand Lodge of the Kingdom of Morocco (Grande Loge du Royaume du Maroc) are **Regular.** Your Committee agrees and recommends full recognition of these Grand jurisdictions with exchange of representatives. The Commission on information is also investigating the request from the Grand Lodge of the Congo (Grande Loge du Congo) for recognition of regularity. This same Grand Lodge has also requested recognition from the Grand Lodge of Louisiana. Your Committee recommends that we defer any decision on the Grand Lodge of the Congo until this investigation has been concluded.

Your Committee wishes to report that the Grand Lodge of Arizona, has **withdrawn** their recognition of the Grand Lodge of the Valle de Mexico. Your Committee recommends that our Grand Lodge make no decision on this matter until after it contacts the Grand Lodge of Arizona and conducts appropriate inquiry and investigation as to their reason for withdrawing this recognition.

The United Grand Lodge of England has extended recognition to the Prince Hall Grand Lodge of Washington, District of Columbia.

Your Committee recommends that thanks and appreciation be extended to the Grand Lodge of Turkey, in recognition of their attempt to provide assistance the Grand Lodge A.F.& A.M., of Bulgaria who is enduring a disturbance from a group of former members who have tried to form their own Grand Lodge. Turkey has reaffirmed its loyalty to the Bulgaria Grand Lodge and has ostracized the disruptors.

Your committee thanks the Grand Lodge for the privilege of serving in this capacity and hereby moves that this report be received, that it be referred to the various appropriate Committees for review, and that ALL OF ITS RECOMMENDATIONS BE ADOPTED BY THE GRAND LODGE.

V.A. REPRESENTATIVE REPORT
NEW ORLEANS AREA
2001 - REPORT

Most Worshipful Grand Master, Grand Lodge Officers and Brethren:

1128 hours of volunteer work were recorded this year. The program were hosted by Committee members in the Veteran Affairs Medical Center in New Orleans.

The Committee was there when the patients needed them as the volunteers continued their other assignments, including the distribution of essential supplies of comfort items to the patients, the Library distribution program, whereby patients can get reading material to help pass their time spent in the Medical Center.

Five volunteers assisted as Santa's helpers at the annual Christmas Gift Distribution Day. These gifts given to each and every patient, are purchased through charity donations. The Committee is attempting to organize entertainment for the patients for a few hours a day, or a couple of days a week. These could include showing movies rented from outside rental businesses, and supplying the usual snacks associated with going to the movies. This would also include helping to operate the "Coffee" area. It is thought that the Lodges will be contacted for financial assistance to fund this program. All of these several "accounts" or "programs" are worthy charity projects in which Lodges can and should participate-your Committee urges each Worshipful Master to contact us for further details.

Your Committee wishes to thank M:W: Morris Shapiro, P.G.M., State Coordinator for the entire program of the Masonic Service Association for many years, who has been our Mentor. Through his wisdom and commitment to this program, all our Veterans have benefitted. They know that **WE ARE MASONS AND WE CARE!**

STATE OF THE ORDER COMMITTEE

To the Most Worshipful Grand Master, Officers and Members of the Grand Lodge of Louisiana.

Your Committee thanks the Grand Master for allowing us to serve on this committee.

The Grand Master and his Officers have performed in an outstanding manner; service to the Masons of Louisiana. His numerous visits throughout the State has demonstrated his love for our Grand Lodge and the tenants of Masonry.

There still remains a great amount of work for all of us to do in order for Masonry to continue to grow. Our Grand Master and his Officers have addressed many opportunities available to the Lodges and our membership for advancement of our Fraternity in Louisiana.

Those portions of the Grand Master address, referred to our committee are in order and in compliance with the Laws of the Grand Lodge.

REPORT OF COMMITTEE ON BURIAL PLACES OF PAST GRAND MASTERS

Your Committee has located the burial place of M:W: Yves LeMonnier, Grand Master (1820). It is located in St. Louis Cemetery No. 3, New Orleans. LA. Brother LeMonnier, was first interred in St. Louis No. 2, in June 1832. His remains were then moved to a tomb in St. Louis No. 3, on August 26, 1922, purchesed and constructed by his grandson.

Your Committee still needs photographs of the following Past Grand Masters: J. B. Modeste LeFebvre (1819); D. F. Burthe (1823); L. H. Feraud (1836 & 1837); Jean B. Lamonthe (1842); E. A. Canon (1843 & 1844); R. L. Preaux (1845); Martin R. Dudley (1848); and John Gedge (1851).

REPORT OF COMMITTEE TO SUPERVISE PUBLICATION OF THE LOUISIANA FREEMASON

The Committee has supervised the publication of four (4) issues of the Louisiana Freemason during the past year. We featured Past Grand Masters and Lodges named for individuals. It has been most difficult to get some Lodges to respond to requests for information about special programs, etc. and doubly difficult to acquire information about their history.

We would very much desire to publish the Louisiana Freemason in full color, but the cost for doing so is prohibitive. We believe we have one of the best publications in our Fraternity. We must support it with much effort.

PRESS AND PUBLICITY COMMITTEE REPORT
For the Year 2001

The Grand Lodge Press and Publicity Committee is pleased to report that many lodges are utilizing print and electronic media to publicize the Masonic activities in their respective areas. The use of e-mail to remind members of lodge meetings is growing at a rapid rate. This is more effective than telephone calls, letters, postcards or newspaper advertisements. Each lodge is encouraged to utilize this form of media in their future publicity efforts.

The Committee wishes to thank the Grand Master, Grand Secretary and the brethren for their continuing support of our efforts.

HISTORY COMMITTEE

During the year 2001, the History Committee members followed the directions of the Grand Master. The committee members talked to the Lodges in their areas about the importance of Lodge histories. They urged lodges to appoint a committee to undertake the task or writing the history of the Lodge. The lodges that already have a written history should undertake the task of updating the history.

Your Committee submits for consideration the following report:

An examination has been made of the returns of 268 Lodges which were in operation at the beginning of the year. After corrections, these lodges reported membership which totaled 25, 884. There was one consolidation in the year of 2001. Universal Lodge No. 470, merged with Rudolph Krause No. 433, on August 14, 2001. There were no requests for operation Under Dispensation during 2001.

These actions resulted in closing the year with a total of 267, lodges in operation. The committee thanks the reporting secretaries for their cooperation in maintaining accurate records and submitting timely reports.

The committee also wishes to express it's appreciation and sincere thanks to the Grand Lodge staff, for their cooperation and assistance in compiling this report.

SPECIAL COMMITTEE FOR ADMINISTRATION OF THE PERPETUAL MEMBERSHIP PROGRAM

Most Worshipful Grand Master:

Your committee on Perpetual Membership respectively reports the following activity and statistics for the calendar year 2001 as pertaining to Perpetual Membership in this Grand Jurisdiction:

December 31, 2000	Increase (+)	Decrease (-)
Membership in Program	1,979.00	
Dollars Invested	$1,254,569.98	
Percent (%) Membership Participation	7.45%	
Number Lodges Participating	194.00	
Percent (%) Lodges Participating	72.39%	

December 31, 2001		**GROWTH, 2001**
Membership in Program	2,320. 00	(+) 17.23%
Dollars Invested	$1,388,214.74	(+) 10.65%
Percent (%) Membership Participation	8. 88%	(+) 19.19%
Number Lodges Participating	212.00	(+) 9.28%
Percent (%) Lodges Participating	79.10%	(+) 9.27%

2001 Average Return on Total Invested Principal = **6.97%**

Grand Master, on February 14, 2002, we will have completed twelve years of participation and activity in the Grand Lodge Perpetual Membership Program. The dollar amount invested grew by a total of $133,644.76 in 2001. Those dollars represent new membership investment dollars and continued installment payments. All interest earned on prior investment dollars is returned to the Lodges near the beginning of each calendar year. Those dollars returned to the Lodges represent the **"Proportionate Ratio"** which replaces the Lodge dues and Grand Lodge per capita tax for Perpetual Membership Participants. **"Proportionate Ratio" dollars** returned to the Lodges afford the opportunity for the Lodges, and the Grand Lodge, to receive **more income** than if the participating member pays his dues in normal fashion. That opportunity is predicated on the investment dollars earning a minimum of a 5% interest return. We are presently averaging an approximate 6.97% interest return on invested dollars. That represents an **EXTRA** 1.97% of earnings for the constituent Lodge from each Perpetual Member's investment. For instance, that **EXTRA** 1.97% relates to an extra 39.00% in dollars for my Lodge/Grand Lodge. (Case in point...My regular Lodge dues were, at time of purchase, $36.00. That **EXTRA** 1.97% relates to a proportionate ratio return to my Lodge of $50.20, an **EXTRA** $14.20. Grand Master, your committee is committed to continued enthusiastic support for this excellent program, but to accelerate the productivity, we solicit the Worshipful Masters and Lodge Secretaries to get behind the program and feverishly promote in their Lodges.

It is our duty to inform our membership in order that they may be aware of the program and the benefits for the Lodge through their individual participation. We must remember that a Perpetual Member's **"proportionate ratio"** payment **never ceases** to return dividends to his Lodge. The member's investment **perpetually** returns dollars to his Lodge, even after the member's death.

In conclusion, and with pleasure, I commend to you, Most Worshipful Sir, for special, and well deserved recognition, the members of your special committee. R:W: Brother Joseph H. Baker, Jr., D.G.M.., W: Brothers E. L. "Blue" Archer, Jr., P.M., John W. Owensby, P.M., Leslie J. Wells, Sr., P.M. and Brother Allen T. Seagle, who have, as in the past, demonstrated a tireless and superb performance as they utilize their management skills in the name of Freemasonry. They epitomize excellence as a management team and have done a magnificent job for which we are appreciative. Additionally, each of the nineteen (19) District Chairmen and each of those who served as Lodge representative in his particular Lodge are commended to you for their zealous efforts and accomplishments on behalf of Perpetual Membership.

REPORT OF MASONIC EDUCATION COMMITTEE-2001

Your Education Committee is proud to report on our first Warden's Retreat and Ladies Seminar. Our retreat varied significantly from those held in other Grand Jurisdictions. Frankly, we had never before charged a fee for an educational meeting and we expected a low response. We made it a one day event rather than a weekend long program. We hoped that we would get 20 or 30 participants. We were thrilled when over 100 registered and 95 attended, along with some 37 instructors, workers and Grand Lodge Officers. In addition we had 19 ladies, along with 6 instructors and two able aides on the registration desk for a total of 27 ladies. Mrs. Beverly Baker, our ladies director and her staff, did a fantastic job.

Each preregistered participant received an autographed copy of the book "Free-Masonry at the Top" by our own John Beaumont and a 175 page looseleaf book written or revised specifically for Louisiana lodges.

We think the program was such a success that in 2002 we plan to have a full weekend retreat starting Friday evening and ending Sunday at noon. We also plan to have two one day retreats. These retreats should have a special session for secretaries.

The final count on the Educational Achievement awards for 2000 was 60. This represents a reduction but the simple fact is that we have fewer and smaller lodges than we have had in the past.

Our monthly quiz program is still in operation with ten quizzes sent out each year to provide short educational programs for our lodges.

We still maintain educational material on our Grand Lodge web site at www.lamason.com

It was a busy and enjoyable year for our committee.

SERVICE COMMITTEE REPORT

The Service Committee has been very busy this year and therefore, had a great year for the 2001/2002 period. This was made possible through the support of the Masons of Louisiana, purchasing their supplies and needs through their Service Committee. More items have been introduced and made available to the brethren this year through the support of these Masons and
it is planned to have more new items made available next year with continued cooperation. We thank all these Masons for their support.

Changes made to the inventory and item identification systems have assisted the committee members greatly in maintaining correct volumes of items. This helps maintain the correct number of materials available in stock. A complete inventory of all items made in September, 2001 has cleared up many inventory errors and has made for accurate accounting of items. This should help
maintain more items at an accurate inventory level so they can be available to the brethren when needed. Many special items requiring extra attention, such as but not limited to, Past Master Aprons, with inscriptions, require long lead times and should be ordered early. We understand that
dates can sometimes slip up on all of us requiring the rush of special orders.

The Service Committee has been doing everything possible to help rush these items when needed but understanding is needed when impossible dates are expected. This work is not done locally and the committee is at the mercy of the suppliers.

All of the good work done on the committee this year was possible through the leadership of the Grand Master, Grand Secretary, and a wonderful lady everyone knows as Ms. Lynn... (Lynn Gorum), as well as, some tireless super committee members. The committee wishes to take this opportunity to publicly thank them, not only as a committee, but as an end user of the products.

Thank you and God's blessing to each of you. Remember: "Kindness is one of the hardest things to throw away, it always seems to be returned"

HONESTY AND INTEGRITY AWARD PROGRAM

Brethren, how fast the years roll by. The time has arrived to submit another report. I still think this is the best program our Grand Lodge has ever adopted. You have heard it said many times that we should let the public know something about our fraternity, well, this is one of the best ways to educate the non members and their families concerning just a small part of what we do.

When you have a program to present the awards, you have the attention of the honorees and their parents. This is your chance to talk about Masonry and what it does for any man who is accepted. He not only gains in the so many ways, so does his family, because he becomes a better person in every station in his life. For the year 2001, our Service Committee informs me that 427 Honesty and Integrity Award Kits, were purchased, (which can be purchased at a very reasonable price). The above number sold is up till Sept. 30th 2001. Since most awards are presented in the month of October, I believe the numbers may be even higher now.

Again I wish to thank all who take part in this program all Masters of the Lodges, all members of the Committee of which there is one in each District, in addition to all the District Deputy Grand Masters, District Grand Lecturers and Grand Lodge Officers ..

I wish to also tell you that if you need any help, you can call any one of the above and they will be happy to assist you.

Respectively submitted,
R:W: Malcolm A. Ballard, Chairman

FIDELITY MEDAL AWARDS

Brethren, I am informed by our Service Committee that 27, medals were purchased by our Lodges up until September 30, 2001. I am glad to report that this is double the number sold in 2000.

The presentation of this award affords the Lodge another special program if the Lodge has not already made the presentation to the Mason who has been a member of the Lodge for the longest time. This award is Like the Honesty and Integrity award program in that it can be an open meeting, where all the family and friends can be invited. Another chance to expose to the public another thing that Masonry is doing.

We are recognizing our senior members for his service for so many years. This shows that we care.

I wish to thank the Lodges who have honored a member of their Lodge and at the same time I wish to encourage those who have not, to please consider making one of your older brothers happy. Fidelity Medals can be purchased from our Service Committee. To our Service Committee, I wish to thank Ms. Lynn Gorum for all her help she provided me, for with out it I could not produce this report.

Respectfully submitted,
R:W: Malcolm A. Ballard, P.M., Chairman,
Fidelity Medal Committee

REPORT OF THE INTERNET COMMITTEE

The Louisiana Masonic Family web site at www.la-mason.com has steadily grown in size and content. Many more Louisiana Lodges have their own web site but more important is the number of Louisiana masons using the internet. We are even getting petitions via the website so the efforts of those involved are paying high dividends. In addition, all of the Grand Lodge staff have email addresses to speed up the communication between the Lodges and Grand Lodge Office.

Many more Lodge Secretaries are using e-mail to communicate with the Grand Lodge with questions and submission of various reports. This has particularly been beneficial to both the Grand Lodge Office and the individual Lodges. As we progress further into the 21st Century, more and more Lodges will avail themselves of benefit that can be obtained by communicating electronically.

For those individuals that surf the internet please visit our Grand Lodge Website. We also ask that you provide any constructive comments to us so that our committee can serve you better. Just let any of the committee members know of your thoughts or comments and we will do what we can to accommodate you. With your help we can be proud of our Grand Lodge Website. If you would like something added that would be of interest to the community, please let any of the committee members know and we will do our best to see that your information is posted. Finally, with your help, we can all be proud to show what Louisiana Masons are doing in the Internet World.

DATA PROCESSING COMMITTEE and COMPUTER PROGRAMMING COMMITTEE

The computer system and updated database software for the Grand Lodge offices has been completed. During the last six months period from May through November, a complete modernization of office equipment has taken place with a greatly improved capability of offices staff.

With the office upgrade also comes the more efficient staff in completing tasks that were unheard of in the past. All Grand Lodge staff have their own email addresses and can communicate much more efficiently with our lodge Secretaries via email. In addition, all Lodge secretaries who wish, can complete many of their normal reporting tasks directly on the internet. This saves time and eliminates the postage expense.

As all are aware, most new software comes with bugs and new software requires training. The new database software is no exception. Several problems have surfaced but all problems originally encountered have been eliminated. The learning cycle is also coming to the end and the office staff should soon be quite familiar and capable in using the new equipment and software. Next year we will see a far more improved Grand Lodge Office.

Richard J. Shaw, P.M., Chairman

REPORT OF BOARD OF TRUSTEES MASONIC LEARNING CENTERS OF LOUISIANA

M:W: Grand Master and Brethren:

We, the members of the Board of Trustees of the Masonic Learning Center of Louisiana, express to you our gratitude for the opportunity of serving the Masons of Louisiana and the children, parents, and teachers of our state through the operation of the Dyslexia Training Program.

Incorporation

By Resolution No. 2001-5, the members of the Board of Trustees of the Masonic Learning Center of Louisiana were authorized, empowered and directed to take steps necessary to create a domestic, non-stock , non-profit corporation to be known as Masonic Learning Center of Louisiana, Inc., to be domiciled in Rapides Parish, Louisiana and to adopt appropriate by-laws. We are pleased to report that incorporation has been completed, articles of incorporation duly recorded with the office of Secretary of State of the State of Louisiana and the office of the Clerk of Court, Rapides Parish, Louisiana. By-Law have been adopted and both the articles of incorporation and the by-laws are available for inspection at the office of Masonic Learning Center of Louisiana 5800 Masonic Drive, Alexandria, Louisiana 71301.

Tax - Exemption

Application for classification as a charitable activity pursuant to the provisions of Section 501 (C) (3), has been completed and is pending approval by the Internal Revenue Service.

Scope of Program

As of December 31, 2001 a total of twenty - nine (29) classes had been opened since the commencement of the program. Optimum class size is six (6) students and, to the extent practical, classes have been limited to that size. In a few instances, classes have been initiated with as few as five (5) or as many as seven (7) students. In no case has a greater number been considered without prior consultation with the teacher/facilitator.

In six (6) of the classes, the students have completed the material. Certificates of completion are furnished to each student who successfully completes the training. It is specially noted that, in some instances, local Masons and/or sponsoring Lodges have hosted graduation ceremonies at a time when members, parents, teachers, relatives, ministers, administrators and others interested in the students are invited and are generally available to attend. Although, such ceremonies add nothing to the academic achievement of the students, they add greatly to the *esprit de corps* of the students, parents, teacher/facilitator personnel, local sponsors and potential contributors. They are, therefore, invaluable public relations events which greatly benefit the program and Freemasonry.

Teachers/Facilitators

We reiterate that our classes are each conducted by a teacher/facilitator who is a certified teacher in the state of Louisiana. These persons are part-time employees who are selected and paid entirely by the Masonic Learning Center of Louisiana, but who are chosen taking into account the input, knowledge and preference of local sponsoring groups. Each teacher/facilitator is furnished with a printed teacher's guide and video-tapes calculated to orient them to the program and each is invited to attend a training seminar conducted in Alexandria, Louisiana. We have conducted three (3) such seminars and it is submitted that each as been highly beneficial to teachers and Board members.

Publicity

Through the efforts of the Brethren throughout Louisiana many favorable presentations of this philanthropy and of Freemasonry have been projected through both the print and electronic media to the general public. Many opportunities have arisen to address public bodies such as school boards, and other civic and service groups concerning this program. Reactions have been favorable and positive. In a further effort to acquaint the citizens of our state, including professionals and public figures, with this Masonic philanthropy, your Board has generated a color brochure which has been very favorably received.

Receipts and Disbursements

During the fiscal year beginning October 1, 2000 and ending September 30, 2001 contributions and bequests in the total amount of $218, 923.72 were received. This amount included the sum of $11, 026.82 received as part of the Grand Master's Appeal. Also, included in this figure is the sum of $47, 057.46 dedicated to use exclusively in the Abbeville area and the sum of $47, 057.46 dedicated to use exclusively in the Lafayette area.

Although, a more complete presentation of total expenditures will be found in the Statement of Activities and Financial Condition filed by Blaine C. Hebert, Certified Public Accountant, the nature and general character of expenditures is demonstrated by the following partial list of disbursements, to - wit:

Teachers' Salaries	$62, 755.87
Payroll Taxes	21, 506.10
Workers Comp. Ins.	1, 103.19
Psychological Evaluations	20, 930.00
Supplies (including cost of educational materials)	18, 241.14
Contract Labor	2, 068.00
Office expenses	7, 234.20
Travel, Meals and Lodging (including teachers training seminar)	5, 217.26
Administrative expense (including Administrator and Secretary)	15, 385.75
TOTAL	$154, 441.51

The Future

It is submitted that continued expansion of this highly visible Masonic philanthropy should be continued at a deliberate pace. In addition to those units presently in operation, classes will soon be begun in Belle Chasse in Plaquemines Parish, and in Destrahan, in St. Charles Parish.

The Board and Brethren in the Abbeville area are now nearing completion of arrangements to present the Literacy Program (a condensed version of the Dyslexia Training Program) to an experimental class of teen-aged students. There will be a continuing and ever-increasing need for commitment of energy and financial support for this program by our members. There is, likewise, a continuing need to continue our efforts to acquaint the public with the program and to encourage contributions and bequests from corporate donors and other entities and individuals outside the fraternity.

Acknowledgments

Gratitude is due so many that a listing is impossible. We would, however, be remiss if we did not specially recognize the invaluable assistance of a few. Our Grand Master, M:W: Patrick C. Kelley, has been steadfast and untiring in his support of this program. The Board must also thank Mrs. Barbara Clay, for her dedication and M:W: Brother, Thomas J. Pitman, Jr., P.G.M., Grand Secretary, and R:W: Joseph H. Baker, Jr., Deputy Grand Master for their service and devotion. Eternal gratitude to each of you.

Respectfully and Fraternally,
Roy B. Tuck, Jr., P.G.M., Chairman

SYNOPSIS OF RESOLUTIONS CONSIDERED

RESOLUTION NO. 2002-1

This resolution proposes the creation of a new category of Grand Lodge Officers called " Grand Stewards of the Work", and granting that status to members of the Permanent Committee on Work.

As this resolution would amend the Constitution, Article IV, Section 1, Page 3 of the Handbook of Masonic Law, (as well as General Regulations, Article 1, Section 2 (F) and Article 11, Section 9,) it must be received by a majority vote, be printed in the Proceedings of the Grand Lodge, and sent to all constituent Lodges, when a majority of the chartered lodges approved the same and notified the Grand Secretary thereof, or if, at the next Grand Communication, two-thirds (2/3rds.) of the members present of a sufficient quorum vote in favor of the same, it shall be adopted. Motion was received.

RESOLUTION NO. 2002-2

This resolution, if adopted, would grant the Grand Lodge vote to Past Masters of the Lodges along with all present Grand Lodge members, so long as they are members in good standing of Lodges under this Grand Jurisdiction.

As this resolution would amend the Constitution, Article II, Section 1 and 2, page 2, of the Handbook of Masonic Law, it must be received by a majority vote, be printed in the proceedings of the Grand Lodge, and sent to all constituent Lodges, when, if a majority of the chartered Lodges approve the same and notify the Grand Secretary thereof, or if, at the next Annual Grand Communication, two-thirds (2/3rds) of the members present of a sufficient quorum vote in favor of the same, it shall be adopted. Motion not received.

Accordingly, it must be received by favorable vote of a majority of the delegates, lay over from one session to another and be adopted by the favorable vote of those present and entitled to vote. Tabled till next Session .

RESOLUTION NO. 2002-4

This resolution, if adopted, would amend Article VI, Section 13, General Regulations to eliminate the requirement of a unanimous ballot for the election of applicants for plural membership and provide that such applicants may be elected by a two-thirds (2/3rds.) Favorable vote of the members taken after favorable report of the investigating committee made no earlier than four (4) weeks after receipt of the application.

PROCEEDINGS OF THE GRAND LODGE

ACCEPTANCE ADDRESS OF THE GRAND MASTER-ELECT
Joseph H. Baker, Jr.

Most Worshipful Grand Master, Past Grand Masters, Grand Lodge Officers and my Brethren All.

I accept this great honor and from the depth of my heart - brethren - I thank you for the opportunity to serve you and our great fraternity in this high office. There are no words adequate enough to express my emotions at this moment - the deep sense of gratitude I feel for the esteem and confidence you have reposed in me by selecting **me** to serve **you** as Grand Master in the oldest and greatest Fraternity in the world.

Many people have contributed in my progress to this momentous occasion in my life. I owe a dept of gratitude to many of my brethren - too many to list here this morning. I am especially grateful for the advice and encouragement I have received from the Past Grand Masters I have known during the last several years. Most notably, M:W: Brothers E. R. Minchew, D. Allen Long, and Lewis Faciene, with whom I have had long and close associations.

I want, especially, to thank my wife, Beverly, for the love and support she has given me these last 50 years, 24 of which were in the Military service - and almost 42 of which have been in Masonry. She has looked forward to this day as much as I have.

I confess - that as I approached this moment - I sometimes felt somewhat inadequate for the responsibilities of this exalted position. But - **be assured** - my brethren - **I am confident** that with **your help** and the **help of God** we **will** have a successful year.

It will not be without challenge. We continue to have problems - I will not attempt to address them in detail this morning but I would like to comment briefly on a few.

Our decreasing membership is still the number one problem we face today. Everyone is painfully aware that our numbers are steadily decreasing, but permit me to give you some figures in order to give you some perspective.

In 1964 membership in Louisiana was at its highest figure ever - 51,512 - by the beginning of 2001 our numbers had dropped to 25,884. In the last 37 years we have lost 25,628 - an average of approximately 700 members a year.

Approximately a third of our Entered Apprentices drop out and do not complete their degrees to become Master Masons. Our losses due to Non-Payment of Dues has ranged from a high of 931 in 1972 to 406 in the year 2000.

Our Grand Lodge in Louisiana is only one half the size we once were, while the population in our state has increased by more than a third.

I am reminded of the comic strip character Pogo - some of you may **NOT** remember that character **but I bet that most of you do.** The setting of that comic strip was in the swamps and the characters were the animals of the swamp. Pogo was a 'possum and in one of his many pronouncements about life, he said, "We have met the enemy - and he is us!"

GENTLEMEN, WE HAVE MET THE ENEMY AND HE IS US!!!

We need to address some of the more fundamental problems in our Craft that contribute greatly to our loss of membership. ***These problems relate primarily to leadership.*** Let me give some examples of what I am talking about.

The Grand Lodge Achievement Award program is an excellent trestle board for a successful Lodge, ***yet hardly a third of our Lodges are participating in this program.***

The Bring A Friend program has made considerable progress in letting the un-initiated know who we are and what we stand for, - ***but all too often it is poorly conducted with very little planning.***

The Honesty and Integrity Award program is an excellent way to reach out into the community and bring it into our Lodge halls, ***yet - again - less than a third of our Lodges are participating.***

We will continue these programs ***and others like them*** that reach out to the community around us, ***but we must execute them with greater enthusiasm and greater emphasis on planning.***

Our Masonic Education Committee, chaired by W: Bro. W. A. Morris, did an ***outstanding*** job of putting together our Wardens Retreat last year. We plan to not only repeat this, we plan to expand it. Some leaders may be born but most require some training before they become effective. The Wardens Retreat is an excellent tool to address our leadership problems.

We need to strengthen our Masonic Districts so that this link in our organization may serve more effectively as middle managers. The **District Deputy Grand Master**, - the **District Grand Lecturer**, - the **District Lodge Master**, - and the **District Chairmen** of the various committees, i.e., Honesty and Integrity Awards, Perpetual Membership, and Membership Development - should work together as a ***District Leadership Team.*** I plan to address this concept during this next year.

The Lodge Secretary plays a very important role in the leadership of the constituent Lodge. He is the keystone in the Lodge operation. The way he does his job not only impacts his Lodge but also impacts the Grand Secretary's office. I have put together a Lodge Secretary Training Committee. This Committee will be responsible for developing a comprehensive training program for Lodge secretaries that will include an operations manual, a training program on the internet, as well as conducting workshops across the state. We intend to provide some type of Grand Lodge recognition for secretaries that meet the necessary requirements of their job.

We have another problem that demands our attention which I will refer to as "rectitude of conduct."

Too often we hear reports of deviations from the moral and ethical code taught in our Fraternity. It does no good to preach the noble concepts of our Craft if we do not demonstrate them in the way we live. In other words - we need to practice what we preach. The essence of Freemasonry is not the repetition of the ritual nor the safeguarding of secrets, but the regeneration of the Brethren.

Our Permanent Committee on Work and our District Grand Lecturers must devote considerable energy to improve the quality of our ritual work ***and at the same time connect it with the moral lessons the ritual is meant to impart.*** The responsibility is not theirs alone. The Master of the Lodge must develop programs around the moral lessons of our Fraternity.

PROCEEDINGS OF THE GRAND LODGE

The decline in membership is accompanied, of course, with a decline in revenue. This impacts our ability to support our charitable ventures ***and*** operate our constituent Lodges and our Grand Lodge. Every Grand Master has conducted some type of fund raiser during his year. Let me tell you what I have in mind.

It is imperative that we continue to fund our Masonic charities.

Soon after our Grand Lodge session, you will receive mailing labels and a letter soliciting your ***voluntary*** donation. As an incentive for a donation of $50 you will receive a handsome pocket knife with the Masonic Square and Compass emblem on the side of the knife. The donations after the cost of the program will be distributed between the Masonic Learning Center Dyslexia Program and the Masonic Home Education Fund.

You are all familiar with the new state quarters. In May of this year, the United States Mint will issue the Louisiana quarter. By next fall, you will receive an offer of a beautiful coin watch featuring the Louisiana quarter as the face of the watch. The proceeds from this sale will go to the benefit of our Masonic youth groups - De Molay for Boys and our Rainbow for Girls

Additionally, when the Lodge secretary bills you for your dues next September, you will be invited to "put your two cents worth in" by contributing 2 cents for each day of the year. This contribution will also go to fund our Masonic charities.

Gentlemen, I don't know what your individual opinion is of fund raisers of this type, but these programs have enjoyed considerable success in the past, and your generosity has gone a long way toward funding our charities. I pray that you will remember your Masonic obligations and be as generous as your individual circumstances will allow.

We must continue in our efforts to endow the financial status of our Grand Lodge Fraternal and the constituent Lodges.

- I am asking you to continue your support of the ***Fraternal Endowment Fund*** through voluntary contributions, fund raising events, and memorial donations.
- I will be placing a ***special emphasis on the Perpetual Membership Fund.*** This program is now enjoying considerable success. It provides a financial benefit for every one involved. It benefits the member, - his Lodge, - and his Grand Lodge.

Before closing, I would like to emphasize the Grand Master's support for a program that I think is an excellent way for our Grand Lodge to join the community in giving support to a very special group of people.

Several years ago, the delegates of the Grand Lodge, authorized the Grand Lodge to act as a sponsor for the Torch Relay of the Special Olympics - this has become known as the Grand Master's Charity Relay for Special Olympics. Brothers Don Burton, Stanley Elpers, Tommy Smith and others have devoted much time and effort in organizing and conducting this Relay.
This year I have formalized their efforts by creating the Committee for the Grand Master's Charity Relay for Special Olympics. The committee will be composed of Brothers Tommy Smith as Chairman, Stanley Elpers, Don Burton, Kenneth Reseau, and every District Deputy Grand Master and every District Grand Lecturer. I am asking every Worshipful Master, every District Deputy Grand Master and every District Grand Lecturer to give this program their full support - talk about it - publicize it - urge the Lodges in their Districts to support it. Soon you will be receiving a list of the scheduled stops for the Relay. Host Lodges will be designated for each stop. I am asking these Lodges and/or their District to accept the responsibility of getting local media coverage and providing a breakfast for the relay runners. The breakfast can be opened to the public as a

fund-raiser for Special Olympics. This is an excellent opportunity for the ***District Lodge Leadership Team*** to show what it is capable of.

My brethren, once again, thank you for electing me to serve you - and this Grand Lodge - as Grand Master. Every Grand Master in the last several decades has sought some way to slow, if not stop, the loss of members. I am under no delusions that we will reverse this trend in the next year, ***but we will work as though it is possible and that it is up to us to make it happen***

I do not have a theme statement or slogan as such for my year - if I were to select one, it would probably be to continue the theme used by our Grand Master. Pat Kelley. **Unity in Masonry and Brotherhood of Men.**

Unity with our appendant Masonic bodies - Scottish Rite - York Rite - and Shrine - and brotherhood of the members of our Blue Lodges among whom no contention should ever exist but that of whom can best work and best agree.

I look forward to working with you and visiting with you in your Lodges. Thank you

OF THE STATE OF LOUISIANA

DR. ELMER REID MINCHEW

1908-2001

GRAND MASTER 1977

M:W: Dr. E. R. Minchew, was born in Taylor, La., January 26, 1908. He was the son of Elmer and Sallie Reid Minchew. He received his early education in the Bienville Parish school and was graduated from Castor High School, where he was president of his Senior class. He was awarded a B.A. in Math Science from Louisiana College, serving as president of his Junior and Senior classes, president of Louisiana Alpha Chapter of the National Forensics Fraternity-Pi Kappa Delta, and Editor of the College weekly newspaper - The Wildcat. While at Louisiana College, he and M:W: Morris Shapiro, P.G.M., were tennis doubles partners in inter-collegiate competition. He received his M.A. and Ph. D. in Speech Education from Louisiana State University.

Brother Minchew, was married to Gladys Crawford, of Bienville, Louisiana, who preceded him in death. From that marriage were born two children; a son, Dr. Michael B. Minchew, and a daughter Mrs. Mary M. Sullivan, fittingly, both children followed in their father's footsteps as professional educators.

Brother Minchew, was born into Masonic family. He took great pride in the fact that his father was a Mason for 53 years, having served R.M. Crowson Lodge No. 281, in Castor, Louisiana as both Worshipful Master and Secretary.

Both his mother and father served in the Order of the Eastern Star as Worthy Grand Matron and Worthy Grand Patron.

Brother Minchew, was Assistant principal and coach at Bienville High School for one year. He was assistant principal and assistant coach at Lisbon High School for two years. He was principal of Castor High School for 32 years, three of which were spent in the United States Army Air Corps in World War II. He was Professor and Department Chairman of Speech at Louisiana Tech University for 11 years. He loved to follow the lives and Careers of his former students and took great pride in their success.

An illustrious career of service to the field of education garnered Dr. Minchew, many honors and awards. Among those President and Life Member of the Louisiana Teacher's Association, Life Member of National Education Association, Life Member of the Louisiana Parent Teacher Association, President of the Bienville Teacher's Association, President of the Bienville Parish Principal's Association, President of the North Louisiana Principal's Association, President of the Louisiana Tech Faculty Senate, President of the Louisiana Tech Men's Faculty Club, President of Louisiana Association of Higher Education, Member of L.T.A. and N.E.A., Resolution Committee for many years. Faculty Member of Omicron Delta Kappa, Governor of the Province of the lower Mississippi for Pi Kappa Delta and recipient of that order's highest honor bestowed upon a forensic coach. He was a nationally recognized authority in Speech Education and Parliamentary Law, and co-author of a textbook on Public Speaking. He served one term as member of the Louisiana State Democratic Central Committee.

Brother Minchew was raised to the sublime degree of Master Mason in R.M. Crowson Lodge No. 281, at Castor, Louisiana in 1938. He served that lodge as Worshipful Master in 1942, and as Secretary for several years. He was a perpetual member, Past Master, and Treasurer of Ruston Lodge No. 106, in the York Rite, he was a member of Palestine Chapter No. 37, R.A.M., in Ruston, Council No. 53, R. & S.M. and Monroe Commandery No. 8, K.T. Brother Minchew, was a member of the Monroe Valley, A.A.S.R., Past Venerable Master of Monroe Lodge of Perfection, and in 1971 he was coronetted as a 33rd degree Inspector General Honorary for many year he

served as the Monroe Scottish Rite Bodies, as Director of Work and as a member of the Inspector General Advisory Conference. Brother Minchew was a Noble of Barak Temple, A.A.O.N.M.S.

In the Grand Lodge arena, Brother Minchew, served as District Deputy Grand Master of the 2nd Masonic District in 1943. And as Grand Junior Deacon in 1963. He was a 25 year Gold Certificate of proficiency holder. He served as chairman of the Masonic Education Committee and the Masonic Home Endowment Fund Committee, was a member of the Grand Lodge Hall Board, and was Grand Representative of the Grand Lodge of the Philippines near the Grand Lodge of Louisiana. He attended more than 50 Grand Lodge Communication. Elected Grand Junior Warden in 1974, Brother Minchew regularly passed the successive stations to serve as Grand Master of Masons in Louisiana in 1977. He often marveled at the fact that someone from the humble roots of a small country Lodge could someday be elected Grand Master.

Brother Minchew was instrumental the in the institution and growth of the Masonic Home Endowment Fund which has accumulated foundation principals in excess of $1.7 million and which is presently served to fund our Masonic Charities. Also, during his tenure as Grand Master, the Honesty and Integrity Awards Program was established to reward young people for developing those virtues of moral character which we as masons hold so dear to date, the awards have been presented to thousands of Louisiana High School Juniors. The success of these two programs were a great source of pride to Brother Minchew, and by them he leaves a lasting legacy for which the masons of Louisiana owe him a deep debt of gratitude.

E. R. Minchew, was a deeply religious man. He joined the Baptist church when he was 11 years of age. He taught Men's Bible Class for 60 - plus years. He was a Baptist Deacon who could often be found in the pulpit serving as a lay speaker. He loved his Bible and always caused scripture to be read at the opening of his Lodge. He served as Chaplain of many organizations, both Masonic and otherwise, often being called upon to offer up prayer.

Dr. Minchew was a talented speaker and orator. Gifted with a wonderful voice, he won state championships in oratory and debate on both the high school and collegiate levels. When the occasion called, he would take the Grand Lodge floor to debate for what he thought was right. He always stressed that no matter how fiery the argument, Masons should always part as friends. He developed an affinity for the theater, and while in graduate school at L.S.U. he played titled roles in several major university productions. His long-running portrayal of Squire Bentley in Cloudy's Masonic play, " A Rose Upon the Altar" was inimitable and as a Masonic ritualist, he had few peers.

E. R. Minchew was a truly a man for all seasons. His personal interest were many and varied. He loved family, loved to bird hunt, loved to fish, loved to smoke that pipe, loved to sing, and lived to dance. He was a fine gardener. When women's basketball came to Louisiana Tech, he became a court side fixture at Thomas Assembly Center and perhaps the lady Techsters number one fan.

Whether it be as son, husband, father, student, teacher, coach, principal, professor, orator, debater, actor, hunter, fisherman, gardener, singer, dancer, Christian, citizen, or whatever other task he undertook, whatever role he assumed, E. R. Minchew's goal was always excellence and more often than not, he achieved it.

As was his, the goal of every Freemason should be "To live respected and to die regretted". He will be sorely missed, but Oh so fondly remembered.

M:W: Elmer Reid Minchew, passed this life on July 1, 2001 at the age of 93 years, and was buried with full Masonic Honors.

Alas My Brother!

CONDENSED DESCRIPTION OF THE VARIOUS RESOLUTIONS PRESENTED AT THE 2001 GRAND LODGE COMMUNICATION

RESOLUTION NO. 2002-1

This resolution proposes the creation of a new category of Grand Lodge Officers called " Grand Stewards of the Work", and granting that status to members of the Permanent Committee on Work.

As this resolution would amend the Constitution, Article IV, Section 1, Page 3 of the Handbook of Masonic Law, (as well as General Regulations, Article 1, Section 2 (F) and Article 11, Section 9,) it must be received by a majority vote, be printed in the Proceedings of the Grand Lodge, and sent to all constituent Lodges, when a majority of the chartered lodges approved the same and notified the Grand Secretary thereof, or if, at the next Grand Communication, two-thirds (2/3rds.) of the members present of a sufficient quorum vote in favor of the same, it shall be adopted. Motion was Received

RESOLUTION NO. 2002-2

This resolution, if adopted, would grant the Grand Lodge vote to Past Masters of the Lodges along with all present Grand Lodge members, so long as they are members in good standing of Lodges under this Grand Jurisdiction.

As this resolution would amend the Constitution, Article II, Section 1 and 2, page 2, of the Handbook of Masonic Law, it must be received by a majority vote, be printed in the proceedings of the Grand Lodge, and sent to all constituent Lodges, when, if a majority of the chartered Lodges approve the same and notify the Grand Secretary thereof, or if, at the next Annual Grand Communication, two-thirds (2/3rds) of the members present of a sufficient quorum vote in favor of the same, it shall be adopted. Motion not received.

RESOLUTION NO. 2002-3

This resolution proposes to create a jewel for District Grand Lecturers to be worn while acting in their official capacity during their term of office.

Accordingly, it must be received by favorable vote of a majority of the delegates, lay over from one session to another and be adopted by the favorable vote of those present and entitled to vote. Tabled till next Session .

RESOLUTION NO. 2002-4

This resolution, if adopted, would amend Article VI, Section 13, General Regulations to eliminate the requirement of a unanimous ballot for the election of applicants for plural membership and provide that such applicants may be elected by a two-thirds (2/3rds.) Favorable vote of the members taken after favorable report of the investigating committee made no earlier than four (4) weeks after receipt of the application.

The resolution proposes an amendment to the General Regulations. Accordingly, it must be received by a favorable vote of a majority of the delegates, lay over from one session to another and be adopted by the favorable vote of two-thirds (2/3rds), of a quorum. Motion Failed.

RESOLUTION NO. 2002-5

RESOLUTION NO. 2002-6

This resolution proposes that the name and number of every constituent Lodge be placed on any corner stone, or in lieu thereof, any slab, plaque, or marker purchased by the said Lodge and furnished for installation.

The law of the Grand Lodge does not fix the place of the Grand Lodge Session and fixes the time thereof in general terms. The author of this resolution is likely to be Grand Master at the time of the session referred to herein.

The resolution does not amend existing law and therefore it must be received by a favorable vote of a majority of the delegates and may be adopted by the favorable vote of a simple majority of a quorum. Motion was Approved.
