RE: White House Security List (Attached)

Attached is the latest security list for the April 1 White House reception.

We are still waiting for the Japanese information to come in, as well as information for Paul Warnke and G.A. Van Weilingen and Bernice Johnson.

I would suggest that the security people involved simply replace the old list with this one, but if they need to know the additions and corrections made, I have also attached that listing.

I'll send down any further SS/Passport #'s and Birthdates as they are received.
