This is a legal document. Signing the form is voluntary. Since this form has legal consequences, YOU MAY WANT TO CONSULT AN ATTORNEY BEFORE SIGNING. This is a sworn statement, under oath, and has legal consequences for the child and the parents.

This Acknowledgment of Paternity Affidavit is used to add the biological father/parent to a child's birth certificate if the mother/parent was married to someone other than the biological father/parent at the time of the child's birth or if she had not been divorced at least 300 days prior to the child's birth.

This acknowledgment must be properly completed, signed, **and accompanied by certified results from a DNA-based paternity test that demonstrates paternity with at least 99.9% probability.** Once complete, the biological father/ parent's (husband/ex-husband/spouse/ex-spouse) name is entered on the birth certificate in place of the presumed father/parent of the child under the law. This acknowledgment has the same effect as a court order of paternity for the purpose of child support, custody or visitation, but not for other legal purposes.

If the agreement of any party cannot be obtained or if the parties cannot meet the statutory requirements, a court order establishing paternity in accordance with R.S. 40:46.1 must be obtained for the biological father/parent's name to be added to the birth certificate.
