Mr. BROWN, from the Committee on Banking, Housing, and Urban
Affairs, submitted the following

R E P O R T

**RULES OF PROCEDURE FOR THE COMMITTEE ON
BANKING, HOUSING, AND URBAN AFFAIRS**

[Adopted in executive session, February 11, 2021]

Rule 1.—Regular Meeting Date for Committee

The regular meeting day for the Committee to transact its business shall be the last Tuesday in each month that the Senate is in Session; except that if the Committee has met at any time during the month prior to the last Tuesday of the month, the regular meeting of the Committee may be canceled at the discretion of the Chairman.

Rule 2.—Committee

[a] Investigations. No investigation shall be initiated by the Committee unless the Senate, or the full Committee, or the Chairman and Ranking Member have specifically authorized such investigation.

[b] Hearings. No hearing of the Committee shall be scheduled outside the District of Columbia except by agreement between the Chairman of the Committee and the Ranking Member of the Committee or by a majority vote of the Committee.

[c] Confidential testimony. No confidential testimony taken or confidential material presented at an executive session of the Committee or any report of the proceedings of such executive session shall be made public either in whole or in part or by way of summary, unless specifically authorized by the Chairman of the Committee and the Ranking Member of the Committee or by a majority vote of the Committee.

[d] Interrogation of witnesses. Committee interrogation of a witness shall be conducted only by members of the Committee or such professional staff as is authorized by the Chairman or the Ranking Member of the Committee.

[e] Prior notice of markup sessions. No session of the Committee or a Subcommittee for marking up any measure shall be held unless [1] each member of the Committee or the Subcommittee, as the case may be, has been notified in writing via electronic mail or paper mail of the date, time, and place of such session and has been furnished a copy of the measure to be considered, in a searchable electronic format, at least 3 business days prior to the commencement of such session, or [2] the Chairman of the Committee or Subcommittee determines that exigent circumstances exist requiring that the session be held sooner.

[f] Prior notice of first degree amendments. It shall not be in order for the Committee or a Subcommittee to consider any amendment in the first degree proposed to any measure under consideration by the Committee or Subcommittee unless fifty written copies of such amendment have been delivered to the office of the Committee at least 2 business days prior to the meeting. It shall be in order, without prior notice, for a Senator to offer a motion to strike a single section of any measure under consideration. Such a motion to strike a section of the measure under consideration by the Committee or Subcommittee shall not be amendable. This section may be waived by a majority of the members of the Committee or Subcommittee voting, or by agreement of the Chairman and Ranking Member. This subsection shall apply only when the conditions of subsection [e][1] have been met.

[g] Cordon rule. Whenever a bill or joint resolution repealing or amending any statute or part thereof shall be before the Committee or Subcommittee, from initial consideration in hearings through final consideration, the Clerk shall place before each member of the Committee or Subcommittee a print of the statute or the part or section thereof to be amended or repealed showing by stricken-through type, the part or parts to be omitted, and in italics, the matter proposed to be added. In addition, whenever a member of the Committee or Subcommittee offers an amendment to a bill or joint resolution under consideration, those amendments shall be presented to the Committee or Subcommittee in a like form, showing by typographical devices the effect of the proposed amendment on existing law. The requirements of this subsection may be waived when, in the opinion of the Committee or Subcommittee Chairman, it is necessary to expedite the business of the Committee or Subcommittee.

Rule 3.—Subcommittees

[a] Authorization for. A Subcommittee of the Committee may be authorized only by the action of a majority of the Committee.

[b] Membership. No member may be a member of more than three Subcommittees and no member may chair more than one Subcommittee. No member will receive assignment to a second Subcommittee until, in order of seniority, all members of the Committee have chosen assignments to one Subcommittee, and no member shall receive assignment to a third Subcommittee until, in

order of seniority, all members have chosen assignments to two Subcommittees.

[c] Investigations. No investigation shall be initiated by a Subcommittee unless the Senate or the full Committee has specifically authorized such investigation.

[d] Hearings. No hearing of a Subcommittee shall be scheduled outside the District of Columbia without prior consultation with the Chairman and then only by agreement between the Chairman of the Subcommittee and the Ranking Member of the Subcommittee or by a majority vote of the Subcommittee.

[e] Confidential testimony. No confidential testimony taken or confidential material presented at an executive session of the Subcommittee or any report of the proceedings of such executive session shall be made public, either in whole or in part or by way of summary, unless specifically authorized by the Chairman of the Subcommittee and the Ranking Member of the Subcommittee, or by a majority vote of the Subcommittee.

[f] Interrogation of witnesses. Subcommittee interrogation of a witness shall be conducted only by members of the Subcommittee or such professional staff as is authorized by the Chairman or the Ranking Member of the Subcommittee.

[g] Special meetings. If at least three members of a Subcommittee desire that a special meeting of the Subcommittee be called by the Chairman of the Subcommittee, those members may file in the offices of the Committee their written request to the Chairman of the Subcommittee for that special meeting. Immediately upon the filing of the request, the Clerk of the Committee shall notify the Chairman of the Subcommittee of the filing of the request. If, within 3 calendar days after the filing of the request, the Chairman of the Subcommittee does not call the requested special meeting, to be held within 7 calendar days after the filing of the request, a majority of the members of the Subcommittee may file in the offices of the Committee their written notice that a special meeting of the Subcommittee will be held, specifying the date and hour of that special meeting. The Subcommittee shall meet on that date and hour. Immediately upon the filing of the notice, the Clerk of the Committee shall notify all members of the Subcommittee that such special meeting will be held and inform them of its date and hour. If the Chairman of the Subcommittee is not present at any regular or special meeting of the Subcommittee, the Ranking Member of the majority party on the Subcommittee who is present shall preside at that meeting.

[h] Voting. No measure or matter shall be recommended from a Subcommittee to the Committee unless a majority of the Subcommittee are actually present. The vote of the Subcommittee to recommend a measure or matter to the Committee shall require the concurrence of a majority of the members of the Subcommittee voting. On Subcommittee matters other than a vote to recommend a measure or matter to the Committee no record vote shall be taken unless a majority of the Subcommittee is actually present. Any absent member of a Subcommittee may affirmatively request that his or her vote to recommend a measure or matter to the Committee or his vote on any such other matters on which a record vote is taken, be cast by proxy. The proxy shall be in writing and shall be sufficiently clear to identify the subject matter and to in-

form the Subcommittee as to how the member wishes his or her vote to be recorded thereon. By written notice to the Chairman of the Subcommittee any time before the record vote on the measure or matter concerned is taken, the member may withdraw a proxy previously given. All proxies shall be kept in the files of the Committee.

Rule 4.—Witnesses

[a] Filing of statements. Any witness appearing before the Committee or Subcommittee [including any witness representing a Government agency] must file with the Committee or Subcommittee [24 hours preceding his or her appearance] 30 copies of his or her statement to the Committee or Subcommittee, and the statement must include a brief summary of the testimony. In the event that the witness fails to file a written statement and brief summary in accordance with this rule, the Chairman of the Committee or Subcommittee has the discretion to deny the witness the privilege of testifying before the Committee or Subcommittee until the witness has properly complied with the rule.

[b] Length of statements. Written statements properly filed with the Committee or Subcommittee may be as lengthy as the witness desires and may contain such documents or other addenda as the witness feels is necessary to present properly his or her views to the Committee or Subcommittee. The brief summary included in the statement must be no more than 3 pages long. It shall be left to the discretion of the Chairman of the Committee or Subcommittee as to what portion of the documents presented to the Committee or Subcommittee shall be published in the printed transcript of the hearings.

[c] Five-minute duration. Oral statements of witnesses shall be based upon their filed statements but shall be limited to 5 minutes duration. This period may be limited or extended at the discretion of the Chairman presiding at the hearings.

[d] Subpoena of witnesses. Witnesses may be subpoenaed by the Chairman of the Committee or a Subcommittee with the agreement of the Ranking Member of the Committee or Subcommittee or by a majority vote of the Committee or Subcommittee.

[e] Counsel permitted. Any witness subpoenaed by the Committee or Subcommittee to a public or executive hearing may be accompanied by counsel of his or her own choosing who shall be permitted, while the witness is testifying, to advise him or her of his or her legal rights.

[f] Expenses of witnesses. No witness shall be reimbursed for his or her appearance at a public or executive hearing before the Committee or Subcommittee unless such reimbursement is agreed to by the Chairman and Ranking Member of the Committee.

[g] Limits of questions. Questioning of a witness by members shall be limited to 5 minutes duration. Members may be permitted further questions of the witness after all members have been given an opportunity to question the witness.

Additional opportunity to question a witness shall be limited to a duration of 5 minutes until all members have been given the opportunity of questioning the witness for a second time. This 5-minute period per member will be continued until all members have exhausted their questions of the witness.

After a witness has completed his or her testimony before the Committee or Subcommittee, members may submit questions in writing to the Clerk for the record, which shall be due to the Clerk by a date determined by the Chairman, in consultation with the Ranking Member, but such due date shall be no later than 7 calendar days after the witness's appearance before the Committee or Subcommittee. Any such witness shall respond in writing to any such written question for the record no later than 45 calendar days after the witness's date of appearance before the Committee or Subcommittee. For nominees before the Committee, the Chairman shall, in consultation with the Ranking Member, determine the time periods for the submission of member questions and the receipt of responses from nominees.

Rule 5.—Voting

[a] Vote to report a measure or matter. No measure or matter shall be reported from the Committee unless a majority of the Committee is actually present. The vote of the Committee to report a measure or matter shall require the concurrence of a majority of the members of the Committee who are present.

Any absent member may affirmatively request that his or her vote to report a matter be cast by proxy. The proxy shall be sufficiently clear to identify the subject matter, and to inform the Committee as to how the member wishes his vote to be recorded thereon. By written notice to the Chairman any time before the record vote on the measure or matter concerned is taken, any member may withdraw a proxy previously given. All proxies shall be kept in the files of the Committee, along with the record of the roll call vote of the members present and voting, as an official record of the vote on the measure or matter.

[b] Vote on matters other than to report a measure or matter. On Committee matters other than a vote to report a measure or matter, no record vote shall be taken unless a majority of the Committee are actually present. On any such other matter, a member of the Committee may request that his or her vote may be cast by proxy. The proxy shall be in writing and shall be sufficiently clear to identify the subject matter, and to inform the Committee as to how the member wishes his or her vote to be recorded thereon. By written notice to the Chairman any time before the vote on such other matter is taken, the member may withdraw a proxy previously given. All proxies relating to such other matters shall be kept in the files of the Committee.

Rule 6.—Quorum

No executive session of the Committee or a Subcommittee shall be called to order unless a majority of the Committee or Subcommittee, as the case may be, are actually present. Unless the Committee otherwise provides or is required by the Rules of the Senate, one member shall constitute a quorum for the receipt of evidence, the swearing in of witnesses, and the taking of testimony.

Rule 7.—Staff Present on Dais

Only members and the Clerk of the Committee shall be permitted on the dais during public or executive hearings, except that a member may have one staff person accompany him or her during

such public or executive hearing on the dais. If a member desires a second staff person to accompany him or her on the dais he or she must make a request to the Chairman for that purpose.

Rule 8.—Coinage Legislation

At least 67 Senators must cosponsor any gold medal or commemorative coin bill or resolution before consideration by the Committee.
