

DEPARTMENT OF NATURAL RESOURCES

HUMAN RESOURCES POLICY NO.: 10

EFFECTIVE DATE: OCTOBER 22, 2020

SUBJECT: WORKPLACE HARASSMENT AND DISCRIMINATION

AUTHORIZATION: THOMAS F. HARRIS, SECRETARY

I. POLICY

Harassment is deliberate, persisting conduct purposefully directed to an individual which inflicts emotional distress, unreasonably interferes with the individual's work performance or intentionally creates an intimidating, hostile or offensive work environment. Discrimination is conduct which evidences bias, prejudice, dislike or disfavor towards an individual or class of individuals based upon prohibited, non-merit factors. Discrimination also includes conduct or decisions which evidence preference for or favoritism towards an individual or class of individuals based upon prohibited, non-merit factors.

The Department of Natural Resources (DNR) strictly prohibits workplace harassment and discrimination on the basis of race, color, gender, sex, pregnancy, age, disability, religion, national origin, military service, sickle cell trait, protected genetic information or other non-merit factor. DNR also strictly prohibits employment decisions based upon or influenced by such factors. These decisions include recruitment, hiring, advancement, discipline, evaluations, wages, assigned duties, benefits and other such terms or conditions of employment or career development.

II. PURPOSE

DNR is committed to providing its employees a work environment free of harassment and discrimination. To do so, DNR has established this policy to define the many forms of harassment and discrimination that are prohibited in the workplace, and the procedure for effectively reporting such inappropriate conduct.

III. APPLICABILITY

This policy applies to all DNR employees, regardless of status or position.

IV. PROHIBITED CONDUCT

In general, harassment and discrimination include epithets, slurs, name-calling, jokes, negative stereotyping, ostracism and favoritism based upon a prohibited factor. Additionally, writings, pictures, caricatures, cartoons and the like which

degrade, demean or otherwise show hostility towards an individual because of or based upon a prohibited factor constitute harassment and discrimination. Particular forms of harassment and discrimination prohibited by this policy include:

- A. Harassment/Discrimination based on race or color:** Includes verbal or physical conduct that creates an intimidating, hostile or offensive work environment based upon an individual's race or color. People of any race or color may be victims of racial harassment or discrimination. Also includes employment decisions based upon an individual's race or color.
- B. Harassment/Discrimination based on gender:** Includes verbal or physical conduct that creates an intimidating, hostile or offensive work environment based upon an individual's gender and/or transgender status. Also includes employment decisions, especially regarding the payment of wages and benefits, based upon an individual's gender. The Equal Pay Act requires that employers equally pay males and females for equal work on jobs which require equal skill, effort and responsibility and which are performed under similar working conditions.
- C. Harassment/Discrimination based on sex:** Includes verbal or physical conduct based upon an individual's sex and/or sexual orientation that creates an intimidating, hostile or offensive work environment, including unwelcomed sexual advances and requests for sexual favor. Both males and females may be victims of sexual harassment or discrimination. See DNR's Policy Prohibiting Sexual Harassment for specific prohibitions and reporting requirements.
- D. Harassment/Discrimination based on pregnancy:** Includes verbal or physical conduct that creates an intimidating, hostile or offensive work environment based upon pregnancy, childbirth or related medical conditions. Special leave and workplace accommodations under state and federal law must be afforded pregnant females. Also includes employment decisions based upon an individual's pregnancy.
- E. Harassment/Discrimination based on age:** Includes verbal or physical conduct that creates an intimidating, hostile or offensive work environment based upon an individual's age. The Age Discrimination in Employment Act (ADEA) protects individuals age 40 and over and prohibits employment decisions based upon an individual's age.
- F. Harassment/Discrimination based on disability:** Includes verbal or physical conduct that creates an intimidating, hostile or offensive work environment based upon an individual's physical or mental impairment, limitations or disability. Also includes employment decisions based upon the perception that an individual is physically or mentally impaired or disabled.

An individual with a disability who satisfies the requisite skill, experience, education, training and other job-related requirements of the position he/she holds or desires and who, with or without reasonable accommodation, can perform the essential functions of the position is protected from discriminatory employment practices and decisions. DNR's policy implementing the Americans with Disabilities Act provides comprehensive information regarding the requirements of the ADA.

G. Harassment/Discrimination based on religion: Includes verbal or physical conduct that creates an intimidating, hostile or offensive work environment based upon an individual's religion or religious beliefs. People of any faith may be victims of religious harassment. Also includes employment decisions based upon an individual's religion/beliefs.

H. Harassment/Discrimination based on national origin/ethnicity: Includes verbal or physical conduct that creates an intimidating, hostile or offensive work environment based upon an individual's national origin or ethnicity. Examples include inappropriate behavior because of an individual's birthplace, ancestry, culture, surname or other characteristics common to a specific ethnic group. Also includes employment decisions based upon an individual's national origin or ethnicity.

I. Harassment/Discrimination based on military service: Includes verbal or physical conduct that creates an intimidating, hostile or offensive work environment based upon an individual's military service. Also includes employment decisions based upon an individual's military service. The Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA) affords military servicemen special leave, benefits and return-to-work entitlements. Under no circumstance should employment decisions be influenced by an individual's military service nor should an employee's rights under USERRA be disregarded or denied.

J. Harassment/Discrimination based on sickle cell trait: Includes verbal or physical conduct that creates an intimidating, hostile or offensive work environment based upon an individual possessing the sickle cell trait. Also includes employment decisions based upon such non-merit factor.

K. Harassment/Discrimination based on genetic information: Includes verbal or physical conduct that creates an intimidating, hostile or offensive work environment based upon information known regarding an individual's genetic test results, such results of the individual's family or the existence of a genetic disease, medical condition or disorder suffered by the individual or his/her family members. DNR may not require production of or otherwise obtain protected genetic information on an individual, nor request information regarding genetic services provided to an individual.

L. Harassment/Discrimination based upon political beliefs/affiliation:

Includes verbal or physical conduct that creates and intimidating, hostile or offensive work environment based upon an individual's political beliefs or membership in a particular political party. Also includes employment decisions based upon an individual's political beliefs/affiliations.

V. COMPLAINT PROCEDURE

Any employee experiencing or witnessing harassment/discrimination of any nature by anyone, including an administrator, manager, supervisor, co-worker, vendor, contractor or visitor, immediately shall report the inappropriate conduct. Any such complaint may be made verbally or in writing. Under most circumstances, complaints should be made to the employee's supervisor. If the complaint involves the employee's supervisor or someone within the direct line of supervision, or if the employee, for any reason, is uncomfortable reporting to his/her supervisor, he/she may contact any other supervisor or directly contact the Human Resources Division.

VI. INVESTIGATION OF COMPLAINTS

All complaints of harassment, discrimination or other such inappropriate behavior shall be reported immediately – either by the supervisor to whom it was initially reported or the employee experiencing and/or witnessing the behavior – to the Human Resources Director who will direct the investigative process. "Informal" complaints or requests to withhold investigation (unless or until a future occurrence) will be treated the same as a formal complaint and investigated immediately. Violations of this policy will result in disciplinary action, up to and including termination.
