Assets We Do Not Count

Your home, one vehicle

TO QUALIFY FOR LOUISIANA MEDICAID

- You must live in Louisiana.
- Income must be below the program limits.
- For some programs, the value of things you own must be below the program limits.
- For some programs, you must have a disability. A disability is a physical or mental impairment that prevents employment for 12 months or that will result in death, or corrected vision no better than 20/200.
- Must meet all other program requirements.

OTHER MEDICAID PROGRAMS AND SERVICES

Breast and Cervical Cancer Program - For women under age 65 who have been screened for breast or cervical cancer by an approved provider and need cancer treatment services; provides medical coverage for the treatment of breast and cervical cancer.

Extended Medicaid - For individuals who lose Medicaid benefits due to increased income, such as Social Security. Provides full medical coverage.

Parents and Caretaker Relatives - For parents and caretakers of children who have very low or no income. Provides full medical coverage.

Medically Needy Program - For families with minor children, people over age 65, or people who have a disability. You must have medical bills from the last three months. Provides limited services for a limited time period.

Long Term Facility Care - For people who live in a long-term care facility, such as a nursing home or group home. Provides full medical coverage.

Waiver (Home and Community Based Services) - For people who have a disability or people who are over age 65. Provides coverage so you can get services in your home that would normally require you to live in a long term care facility.

Tuberculosis Infected Individuals - For people infected with tuberculosis. Provides medical coverage for the treatment of tuberculosis.

Former Foster Care - For people who were in Foster Care in Louisiana when they turned 18. Provides full medical coverage through age 25.

SSI - For people who get Supplemental Security Income (SSI). Provides full medical coverage.

Provisional Medicaid - For people age 65 and older and those with disabilities.

Adult Group - For people age 19 through 64 with income less than or equal to 138% of the Federal Poverty Level (FPL), who are not entitled to or enrolled in Medicare Part A or Part B, and who are not eligible for any other Medicaid program.

Act 421 Children's Medicaid Option (TEFRA) - For certain children under the age of 19 with disabilities who meet an institutional level of care. Provides full medical coverage to children whose assets do not exceed \$2,000 in value and whose income does not exceed three times the federal benefit rate.
