NEWS & NOTES

CAJUNS CRACK 100 IN NCAA RPI

For the first time in the Garry Brodhead era, the UL Lafayette Ragin' Cajuns women's basketball program (14-3, 7-1 SBC) earned the No. 100 ranking in the RPI. It is the highest ranking for the Ragin' Cajuns since Brodhead took over at the helm of the women's basketball program in 2012 when they were pegged at No. 303 in the RPI. This season, the Cajuns are off to their best start through 17 games since 2006-07 (12-5). They have defeated two SEC programs in Ole Miss and the University of Arkansas, and have won seven of their first eight conference games for the first time in program history.

HITTING THE BLOCKS CENTURY MARK

The four blocks by South Alabama against UL Lafayette gave the Jags 101 on the season, marking the eighth time the program has eclipsed the century mark in blocks. Additionally, Chyna Ellis recorded two blocks in the loss to UL-L and moved into sole possession of fifth place in the Jaguar record books. The Jaguars rank seventh as a team in the nation with 6.4 blocks per game.

SUN BELT STUDENT-ATHLETES OF THE WEEK

KHADIJA BROWN-HAYWOOD

ARKANSAS STATE | SENIOR | FORWARD

Arkansas State senior forward Khadija Brown-Haywood helped Arkansas State to its best start Sun Belt Conference history at 8-0 by helping lead her team to three victories this past week, including a pair of road contests in the state of Texas. Brown-Haywood averaged 19.0 points and 9.3 rebounds as the Red Wolves picked defeated Little Rock at home and then downed UT Arlington and Texas State on the road. A-State now stands at 14-3 overall on the season and is one win shy of tying the best start in school history. The Centralia, Ill., native turned in three solid performances on the week, including posting a career-high 29 points in Thursday's victory over the Mavericks. She also grabbed 12 rebounds in the contest for her sixth double-double of the season. She book-ended that performance with a pair of 14-point games and nearly missed another double-double with nine rebounds against the Bobcats and tied a career-high with five steals. Brown-Haywood also registered PER (Player Efficiency Rating) of 29 against UT Arlington, which is the highest of an A-State player on the year. She followed that performance with a PER of 28 on Saturday at Texas State. She didn't miss a free throw shot on the week, draining all 10 of her attempts while also knocking down five 3-pointers, including three against the Mavericks to help secure the win on Thursday.

SEASON NOTES

HOT START TO LEAGUE PLAY

Arkansas State is off to its best start in league play in school history having won eight consecutive games to open league play for an 8-0 record. Overall the Red Wolves are 14-3, one win shy of tying for the best overall start in program history. All but two of A-State's 14 wins have come by double-digits.

HOME SWEET HOME

The Red Wolves return home from a brief road swing and will play four consecutive games at the Convocation Center where they are currently riding an 18-game winning streak.

TROY'S ABK SETS SCORING MARK

With her 22 points against Texas State, Ashley Beverly Kelley upped her career scoring total to 1,621 points, the most by any player in Troy's 23-year Division I history. The Mid-Major All-American now ranks third all-time in scoring at Troy. She is also just 135 points from becoming one the Sun Belt's top 25 scorers of all-time. At her current scoring average, ABK would finish the regular season with 1,905 points, tying for 12th all-time in the Sun Belt in scoring.

TROY AGAIN TOPS IN SCORING

Troy has led the Sun Belt in scoring in every season under Chanda Rigby. In those three-plus seasons, the Trojans have scored 80-plus points in 47 games. They have scored 100-plus 11 times, something it had done just three times in 19 Division I seasons before Rigby's arrival. With its 112 points against Texas State, Troy went over the century mark for the fifth time this season, tying the 2015-16 team with Troy's 1992-93 team for the most 100-point games in a season. Entering this week, Troy is nearly 14.0 points ahead of the Sun Belt's second leading scoring team (Arkansas State, 73.3).

RED WOLVES RUNNING THROUGH LEAGUE PLAY

The Arkansas State Red Wolves have jumped out to a 5-0 record in the early going of Sun Belt play with an average score of 79.8 to 58.6, a 21.2 difference. The Red Wolves will play three games this week - hosting Little Rock on Monday before traveling to Arlington on Thursday and Texas State on Saturday.

NEW ORLEANS LAKEFRONT ARENA

Lakefront Arena has set the standard in the metro-New Orleans area in providing a venue for sports and concerts. Events are intimately presented whether the performance is in 3000, 10000 or anything in between. Because of the excellent acoustics and the intimacy of design, the Arena has maintained the reputation that there is no bad seat in the house.

TIE-BREAKING PROCEDURES

SUN BELT TOURNAMENT STRUCTURE SEEDING AND TIE-BREAKING PROCEDURES

1. Seeding and Tie Breakers

The seeds for the 2015 Women's Basketball Championships shall be determined based on each team's overall regular-season conference finish. The regular season champion shall earn the top seed in the tournament. The remaining seeds are then determined based on their conference winning percentage. Once all seeds are determined, the top 8 seeds will advance to the tournament and be placed accordingly into the bracket. In the event of a tie for a particular seed, the seed will be determined as follows:

2. Tie-Breakers

Tie-Breaking procedures for determining all Tournament seeding will be:

Two-Team Tie

- Highest win-loss percentage of head-to-head competition during the regular season.
- Each teams' win-loss percentage vs. the team occupying the highest position in the final regular-season standings, and then continuing down through the standings until one teams gains an advantage.
- When arriving at another group of tied teams while comparing records, use each team's record against the collective tied teams as a group (prior to that group's own tie-breaking procedure), rather than the performance against individual tied teams.
- If the records are the same against all teams, then the seeded position would be determined by a toss of the coin by the Sun Belt Conference Commissioner.

Multiple Team Tie

- Highest win-loss percentage of the tied teams against each other is first considered.
- Each teams' win-loss percentage vs. the team occupying the highest position in the final regular-season standings, and then continuing down through the standings until one teams gains an advantage.
- When arriving at another group of tied teams while comparing records, use each team's record against the collective tied teams as a group (prior to that group's own tie-breaking procedure), rather than the performance against individual tied teams.
- If there is still a tie, the seeded position of the teams will be determined by a draw conducted by the Sun Belt Conference Commissioner.
- For all ties involving three or more teams, once the tie is broken and the highest-seeded team is determined, the remaining tied teams will revert back to the beginning of the applicable tiebreaker.
