The Council reminds all congregations of the importance of STEWARDSHIP in the life of all Christians. Christ calls His disciplines to give as an act of worship to God. We are called to be stewards of all that God has given us. Paragraph 630.5e of the 2008 Discipline lists among the responsibilities in the area of Stewardship of the Conference Board of Discipleship, "To educate the local church that tithing is the minimum goal of giving in the United Methodist Church." CFA calls upon the Conference Ministry Team, the Conference Board of Discipleship, and the District Ministry Teams to consider methods of assisting our congregations in developing a process of education in a theology of stewardship.
