We, the members of The Community Soup Kitchen are thankful to God for the vision that He imparted to the late Lillie Bell “Granny” Goins. We are extremely grateful for the contributors, supporters and volunteers of this community whether from near or from afar. We would like to apologize for the confusion and misleading information that was presented on yesterday by Mr. Madison W. Goins, Sr. Unbeknownst to any of us affiliated with this organization, he held a meeting with Mayor Jamie Mayo, as well as a televised press conference. Mr. Goins is not affiliated with The United League of Churches ~ Community Soup Kitchen. He does not serve at any capacity, nor on any governing board. Mr. Goins does however share the entitlements to his name, “Goins,” which he received at birth. Mr. Goins’ comments and opinions are solely his and do not reflect those of the organization.

We look forward to continuing our mission of eradicating hunger and eventually homelessness in the city of Monroe. Thanks again for your support whether past, present, or future, in whatever capacity it may have been. No deed is to great or small.

Sincerely,

The members of the Community Soup Kitchen.
