In Memoriam

Robert A. Broyles

Robert, junior from San Saba, was an inspiration to all who knew him. Even though his affliction necessitated the use of crutches, he carried out all of his obligations punctually. He died following an operation on July 30.

William R. Fruge

Bill, sophomore from Junction, seemed never to have a worry in the world. Possessing an ever present smile and joyful manner, he was respected by his classmates. An automobile accident claimed Bill's life on November 13.

Robert Huddleston

Robert, junior from San Antonio, was a Fall transfer to the College from A&M. Though he had been a member of the local agriculture department less than two months, he had generated a warm regard among his classmates. His life also was taken in an automobile accident on October 21.

Dedication

To a man who has spent more than half a century in his chosen field, forty-one of those on college campuses as Dean, the 1954-55 Pedagog is most respectfully dedicated.

It is fitting that this edition of the yearbook honor Dean Henry E. Speck, Dean of Men on the Southwest Texas State Teachers College campus for the past thirty-one years, for at the end of the summer session Dean Speck will retire from active service with the College.

His departure is, however, a physical one only, for the effect of the Dean's friendly smile and his stable progressive leadership can not be erased from the minds of his students, friends, and colleagues.

Dean Speck began his career in the field of teaching with a job near Packsaddle Mountain in 1904, earning \$35 a month of which \$7 went for room and board. He taught at several other schools before going to Abilene Christian College in 1913. He became Dean of the College at ACC in 1914. It was a fortunate occasion that brought Dean Speck to the Southwest Texas campus in 1924.

Aside from his duties as director of men students on the Hill, Dean Speck has continued to teach mathematics classes, has sponsored the yearbook and newspaper several times as well as a number of other College activities, and has taken an active role in religious activities both on and off the campus.

Recognized as a minister in the Church of Christ since 1914, Dean Speck has supplied many pulpits over the state since that time. In partial recognition for his religious interest as well as his services as an educator, he was chosen to deliver the sermon at the 1954 Spring Baccalaureate Services.

The entrance to the Library is one of the most beautiful structures on the Southwest Texas State College.

FROM THE MOMENT THE EAGER, WIDE-EYED FRESHMEN, AND THE WISE, ALL-KNOWING UPPERCLASSMEN ARRIVE ON CAMPUS, LIFE AT SOUTHWEST TEXAS STATE TEACHERS COLLEGE IS PACKED WITH CLASSES AND ACTIVITIES.

FOOTBALL, BASKETBALL, AND DANCES FILL THE HOURS OUT OF CLASS DURING THE BUSY MONTHS FROM SEPTEMBER TO MAY.

TO ALL THE STUDENTS WHO HAVE MADE SOUTHWEST TEXAS THEIR HOME, THESE SCENES WILL BE PLEASANTLY FAMILIAR.

LIFE AT SOUTHWEST TEXAS

John Mettke, senior from Columbus, slides a comb through his wavy locks before dashing off to that Monday 8 o'clock class.

John flips through his dictionary to find a new word to spring on his professor.

A Typical Week on the Hill

MONDAY

Traditional blue Monday has rolled around. One gets back into the swing again after an enjoyable weekend of relaxation. The most difficult task for Hill students is getting up in the morning. It is a natural sight to see a few of us slip into class after the bell has rung.

The daily routine usually consists of a stop at the Lair for a chat or a snack.

In the afternoon, we find John in the library preparing for the next day's classes.

Tuesday, Barbara Saturnine, busy Freshman from Brownsville, purchases supplies at the Lair, takes time for lunch, and goes afternoon shopping with Nelda Bivins.

Tuesday is New Leaf in Co-ed's book

This pretty co-ed's day is filled with going to class, stopping by the Lair for that needed notebook, and shopping with a friend. The evening finds her studying or relaxing in the dorm with her friends.

Studying for the next day's class are Betty Lanier, Alta Rae Renfro, Bobo Green, Jackie Bennet and Barbara.

Janet Luska, Helen Jones and Gladys Smith use a free afternoon to work on their sewing projects for Home Economics.

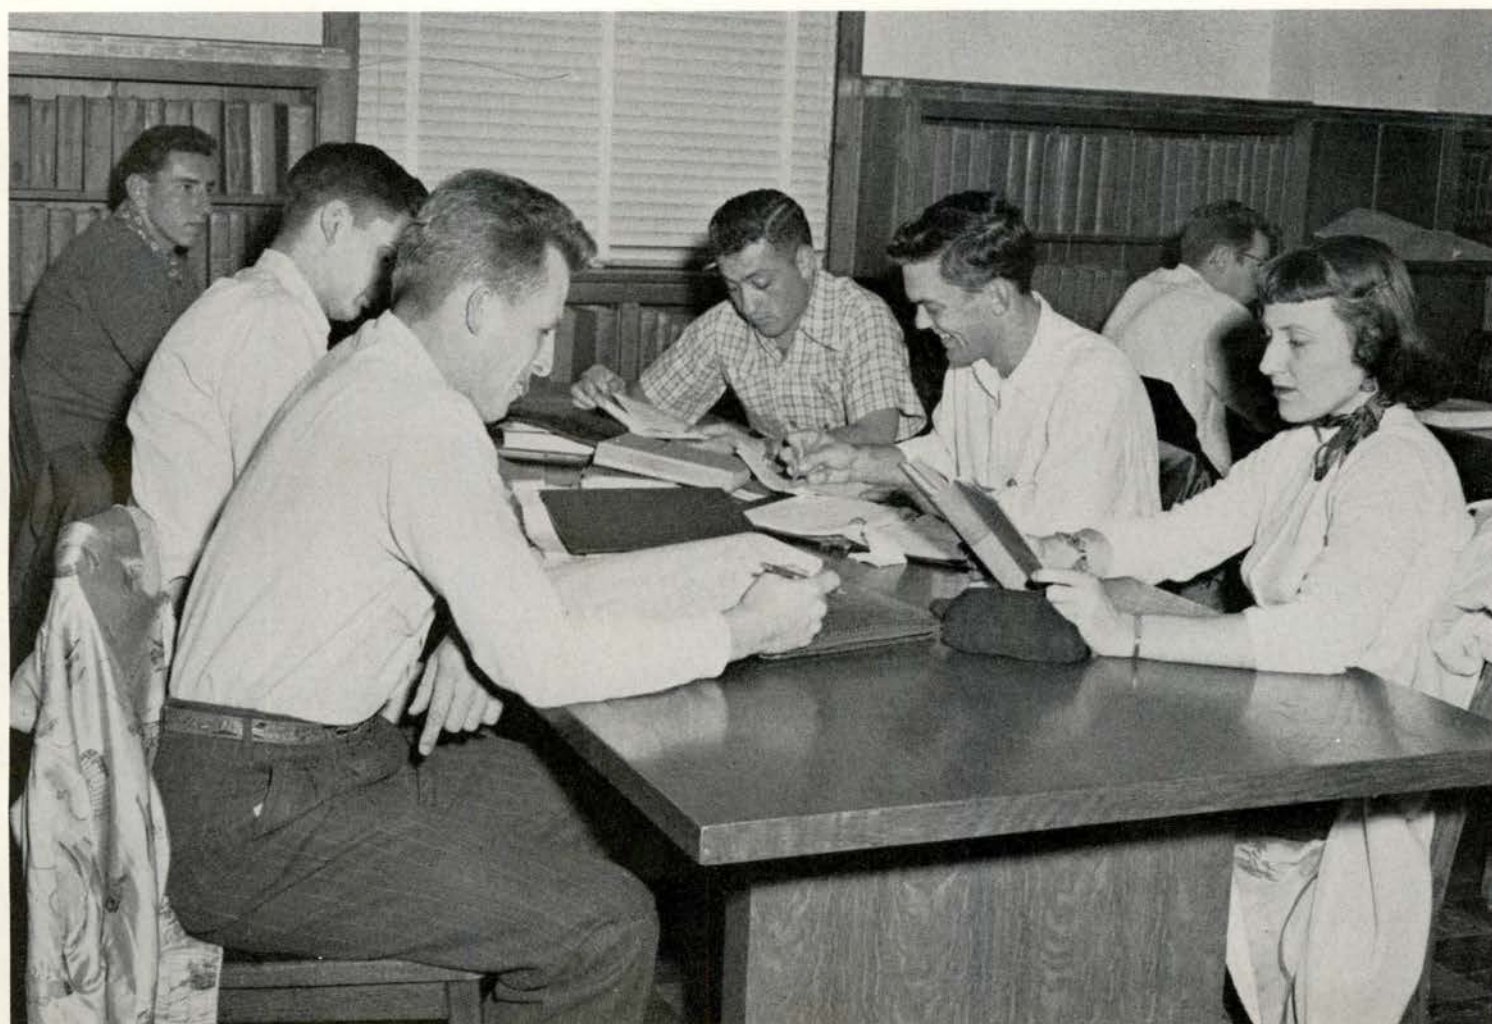

Many Hill students make a daily trip to Manske's for a cup and to listen to that "far-out" music.

"Easy there Frati, it's got to be just right for that Chem experiment."

Wednesday is Catch-Up Day

The busiest time for studying is Wednesday night. Hill students "get with it" in the library.

The Student Religious Association meets for devotional and breakfast every Thursday morning.

Dianne Weber leads the pack to 11 o'clock class.

Thursday brings S R A Morning Devotional; Evening Allied Arts Program

Thursday dawn breaks with an inspiration devotional at the SRA breakfast. The day's activities include—among other things—classes and laboratories.

Evening entertainment might well be spent at the Allied Arts Program or in the Student Union.

The 42 champions (?) in the Snare.

Emma Jewel Ruble and Betty Glenn Reese steam press their project for HE class.

Jannet Traylor signs out with date, Ted Smith, to go see "Trouble in Tahiti" sponsored by the Allied Arts.

Jannet and Ted present their blanket taxes at Evans Auditorium.

By Thursday night, Hill students are either caught up with their studying, or it can wait another day. Everyone is ready to do something different. When the Allied Arts brought the comedy opera "Trouble in Tahiti" to the campus, everyone wanted to attend. On Thursday nights when no programs are scheduled, there is always the ten-cent movie or TV at the Student Union.

The lights blinked and there is just time for a good-night kiss.

"Shall we watch 'Howdy Doody' or 'Sagebrush Sam' tonight?"

Uncle Sam is a welcomed character about the campus. Especially if he has lots of letters in his bag.

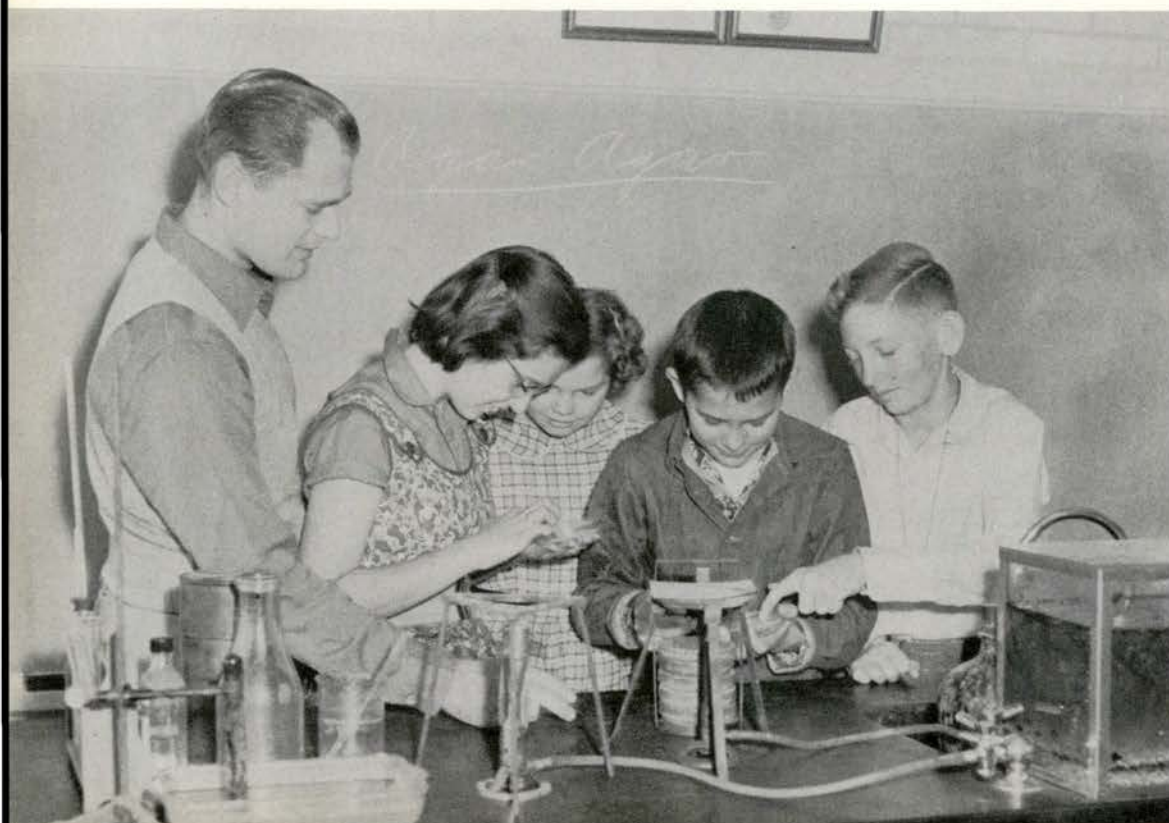

The College Star makes its debut on Friday. Students may get a copy in Main, Student Union, or the Lair.

Interrogation at Freshman Dorm: "Is the mail here?" "Has the mail been put up yet?" "Did I get any?" "Who is that from?"

friday is STAR Day

David Tampke, a practice teacher, helps his students in an experiment with bacteria.

Hanks saved the day! He blocked the extra point and was carried off the field in great style.

Saturday Ends the Week For all Activities

Approximately 300 Saturday students are enrolled on the Hill. Most of them are teachers.

Going home to see the folks.

Sunday Commences the Week With Religion, Reading and Relaxation

Leaving for their preferred churches are typical students beginning another typical week on the Hill.

THE SCENES TO FOLLOW ARE FAMILIAR TO ALL WHO MAKE SOUTHWEST TEXAS STATE THEIR HOMES. LITTLE EXPERIENCES THAT OCCUR EVERY DAY WILL LONG BE A PART OF COLLEGE MEMORIES.

DORMITORY LIFE, SHOW DATES, THE POWDER-PUFF GAME, AND THE CAFETERIA ARE PARTS WHICH MAKE UP THE COMPOSITE PICTURE OF LIFE ON THE HILL.

Barbara Dahl Is "Miss Teacher of Tomorrow"

Miss Barbara Jane Dahl, senior education major from San Antonio, was chosen "Miss Teacher of Tomorrow" in a contest conducted at East Texas State Teachers College of Commerce.

Representing the local Eta Zeta Chapter of Kappa Delta Pi, national honor society for education, were Miss Dahl and Melvin Manley, also a senior from San Antonio.

Miss Dahl won over a field of more than 40 candidates representing 35 colleges and universities from Texas, New Mexico, Oklahoma, Arkansas, and Louisiana.

She was among the six finalists selected by a panel of leading Southwestern educators at which

time she was required to give a two-minute speech on "Why I Choose to Be a Teacher." A gold loving cup on a plastic ivory base was awarded to her bearing the inscription "Miss Teacher of Tomorrow for 1954."

Candidates for the honor were judged on scholarship, appearance, personality, participation in campus educational activities, special talents, and hobbies.

On campus Miss Dahl, in addition to Kappa Delta Pi, belongs to Kappa Pi, national art fraternity, the Presbyterian Student Association, and has been named to Alpha Chi, an organization representing the upper ten per cent of the junior and senior classes.

Dr. J. G. Flowers congratulates Miss Dahl following her return to the campus. Melvin Manley attended the December convention with Barbara.

Preparing for the flip of the coin to begin the game are freshman captains, Jean Rae Stephens and Bettye Douglas; upperclassmen captains, Tug Douglas and Shirley Turek; and Ralph Gurecke, Roland McFall, and Johnny Faesler, referees.

The shapely majorettes for the upperclassmen were Patty Redd, Fannie Smith, Hattie Hanks, and Gertie Gullledge.

Spark for the cheering section was provided by Cliff Laywell, Kenneth Ponton, Phil Rodgers, and Benny Horny.

Youth Overpowers Old Age In First Powder Puff Bowl; Cheerleaders, Twirlers Star

All daintiness was discarded for two hours in the bustle of touch football between the freshmen and upperclassmen women, the first game of its kind on this campus.

Coached by Pat Patton and Dickie Brown, the freshmen showed that nimbleness and youth triumph over old age by winning 18-12. Dynamite Hoggett and Glynn Chaney coached the upperclassmen.

Graceful cheerleaders, shapely majorettes and Bob Kercheville's apt announcing added much to the color of the game. Halftime entertainment included presentation of teams' sweetheart, Gene Smith.

The game raised \$250 to add to the fund for a new score board for the football field.

Jo Ann Barsotti signs the register as head nurse Hertha Bowlin checks her record.

"Now this won't hurt, (much)!"

Ah, this is the life, isn't it Buzzy?

College Infirmary Treats Hill Students for Ailments

With its quiet corridors and its cheerful rooms the College Infirmary is the haven of refuge for all "ailing" Hillites.

Whether it is treatment for sore thumb or common cold, or perhaps just a few days' rest that is needed, the staff, headed by Registered Nurse Hertha Bowlin, capably attends to the students' medical needs.

In addition to this service of caring for jangled nerves and tired bodies, the College Infirmary also gives complete medical examinations to all Freshmen and Sophomores and keeps medical records of all students throughout their College days.

Dr. Heatly and Dr. Moore are available to all College students for expert medical care when needed.

The freshmen entertained the upperclassmen at the first rush party.

Rush Parties on the Hill

Clutching sack lunches, girls in blue jeans filed into the Student Union Ballroom for the first rush party of the season. Old club members of the Allie Evans, Aonian, Charles Craddock, Idyllic, Philosophian, and Shakespeare Literary Societies sat back and enjoyed the entertainment provided by the freshmen girls.

Later in the year the situation was reversed and the freshmen were treated to skits and games presented by the respective clubs at the traditional sweater and skirt party.

In December the final semi-formal rush party was held, beginning at 7 p.m. with individual parties in various places. At eight o'clock all the girls met in the ballroom for refreshments and a final mad scramble to match names and faces before the pledges filed down to the sunroom to fill in their preference cards.

Late that evening the club members adjourned to make out their all important lists, and the would-be pledges returned home to cross their fingers, and wait for the next day's mail which would or would not bring those all important "bids."

Philosophian club members La Merle and Wilma, entertain the group with a skit called "The Educated and Uneducated."

Rushees sign the register at the Craddocks final rush party.

The Shakespeares sing one of their club songs as part of the entertainment at their rush party.

Literary society members serve refreshments to girls interested in joining one of the six clubs.

Two rushees sign the secret ballot to give their first three club choices.

Juanita Welch dreamily recalls a previous year at SWTSTC.

Studying is more fun when done this way.

An informal "coke and gab" session is enjoyed by counselor, Celia Tijerina, and two counselees, Mary Nell Blake and Gay Aouville.

Oftentimes freshmen girls come to upperclassmen counselors for advice on current college problems.

Student Counselors Help Frosh Adjust To Hill Life

Although the initial duty of the student counselor is to greet and make comfortable the new girl coming to SWTSTC, her duties are really much broader and actually begin early in the summer months.

Each prospective transfer student or freshman is written a letter of introduction by one of the student counselors. By the time the summer is over, the new girl knows at least one person well and has a much better idea of what to expect of her new life at college.

The student counselor is on duty 24 hours a day. She is available night and day for counseling and advice. A "mother hen" for the whole year to her group of "chicks," the counselor encourages the new student to engage in extra-curricular activities, answers questions about clothes, boys, dates, studying, and so forth. The counselor is looked upon as a slightly more experienced friend and not as a source of discipline or example.

The student counselor takes a course in counseling in the Spring semester of each year. From this group are chosen the girls specifically designated as counselors (or advisors in upper classman dorms) for the following year.

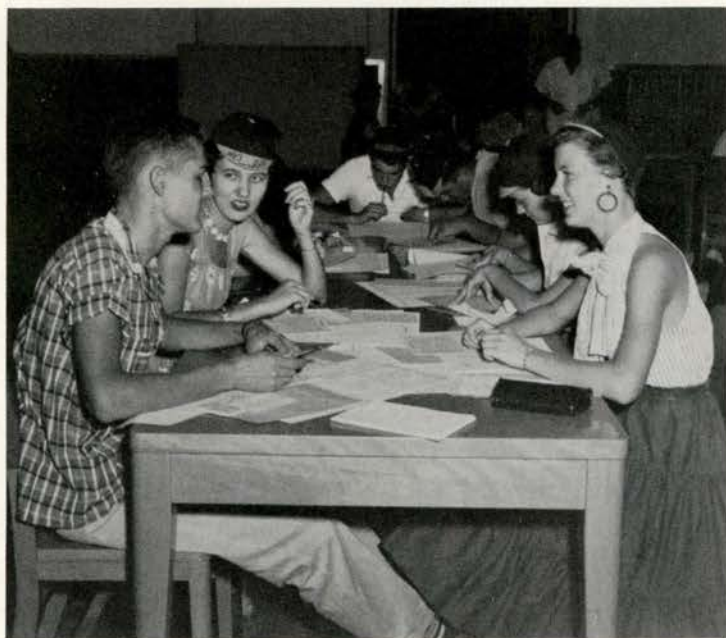

Four Beretta Dormitory Freshmen pick up some helpful hints on college life from Sue Black, sophomore from Cotulla.

Freshmen at the New Co-op anticipate the forthcoming year by looking at last year's *Pedagog*.

A clause in the dormitory rules is explained by Dixie Rehms, New Co-op counselor. A counselor's room is a popular gathering place for new students in the dormitories.

Registration Lines Exhaust Upperclassmen, Frosh Alike

Each semester begins with the mad, hectic scramble of registration. For the freshmen it is a new and exhausting experience. For the upperclassmen it is no longer new but still exhausting.

The process begins with a long line leading up to the library door, and from that point onward, the student finds himself in one line after another. There are lines for the various courses, lines for overload, lines to pay tuition, and lines for parking permits. As one stumbles out of the last line, leaving behind the assortment of cards in all sizes, shapes and colors collected during enrollment, the student feels tired, doped, unsatisfied perhaps, but glad, nevertheless, that registration is over for another semester.

"Present your railroad ticket and residence cards, please."

A tired freshman wearily pays her tuition and room and board.

Finally at the end of the long line, another freshman signs up for her 1955 Pedagog and makes an appointment to get her class picture taken.

The Southwest Texas faculty meet the German teachers as they arrive in San Marcos by train.

Dr. J. G. Flowers extends a cordial Texas welcome to Karlheinz Kessler, leader of the German delegation.

Twenty German Teachers Visit San Marcos Campus

For the second straight year, Southwest Texas State Teachers College was privileged to extend its hospitality to a group of German teachers.

Arriving in October, the group studied methods of teacher training in the United States, as well as other methods of education.

For the students and faculty of Southwest Texas their presence provided a rare opportunity for the exchange of ideas and customs and for the formation of new and permanent friendships.

Mr. Kessler tells of some orientation experiences in Washington, D. C.

Hans Gloeckel, Horst Unvericht, and Hermann Oesterwind snap pictures of the group's arrival in San Marcos.

Students on the Hill will remember the teachers as very excellent photographers.

Peggy Garner just popped a "corny".

Everyone's happy over a job well done.

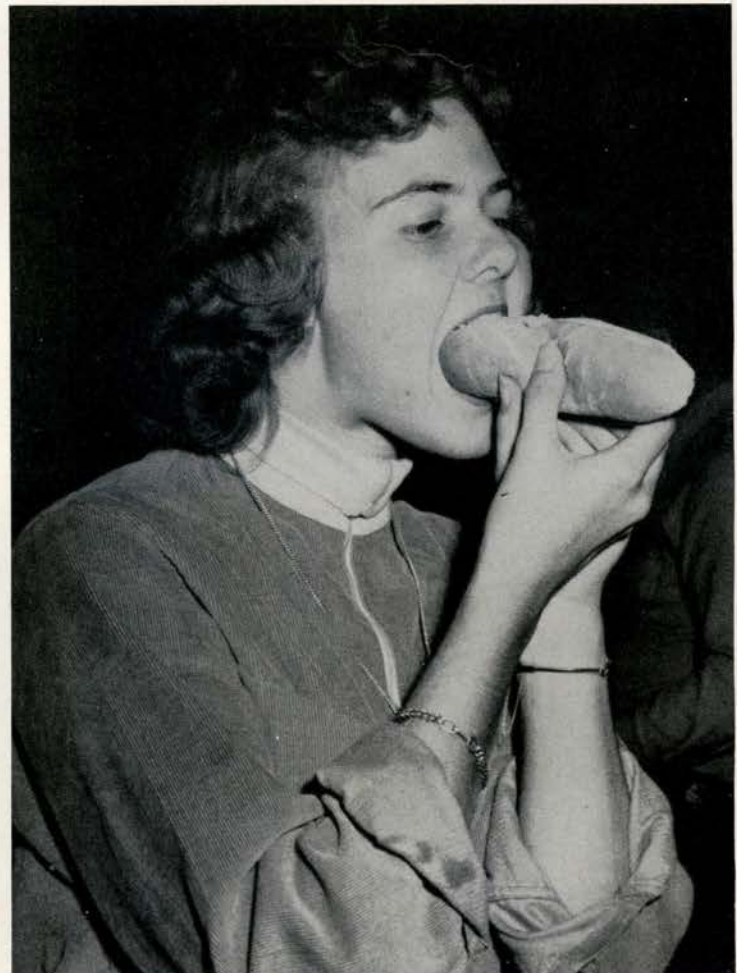

Air Base Sponsors Picnic At Campsite

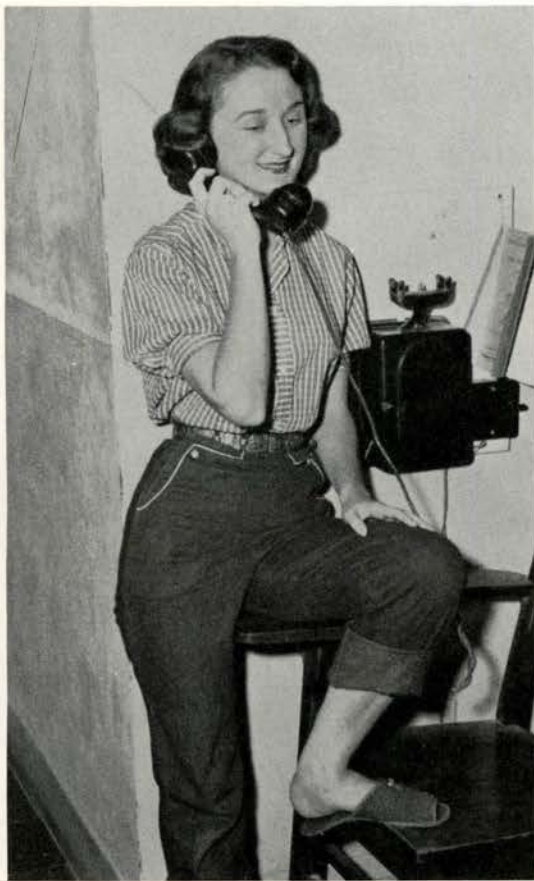

Blue jeans and western boots were the order of the day as approximately 150 college and air base students piled into buses and cars and headed for the College campsite for an Air-Force-sponsored picnic.

Once there they gathered around a big bonfire, roasted wieners, played games, and sang songs. Various groups from the base entertained with songs and dances.

As the flames of the bonfire dwindled to glowing embers and the cold December wind started to blow hard, the picnickers did a rousing bunny-hop around the fire and then boarding buses returned home.

Dorothy Pannell, freshman from Houston, takes a great big bite. What a hot dog!

It all began when Carolyn Rowley had a phone call from her latest beau.

Naturally, Carolyn didn't have a thing to wear but one of these old rags would have to do. Margaret Furry helped her choose one.

She had to make sure everything was just perfect.

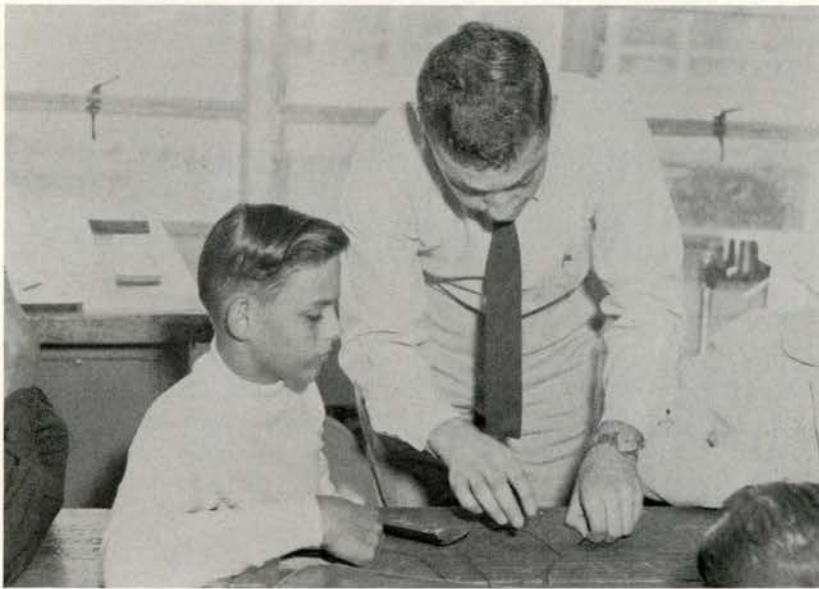

Getting Ready For a Date

Before she left she had to have everyone's approval.

"He's here."

Discussing the map of Europe with a student is Wanda Schulze.

Assisting a student in a leather work class, Allison Ponfick explains how to carve designs on the leather belt.

Practice Teachers Gain Experience in Classroom

Sooner or later the prospective teacher takes courses 291, 292 or 281, 282, better known as "Practice Teaching."

For a whole semester the student gets a taste of what actual teaching is really like. From grading papers to teaching a unit—it's all in a day's work, and what a day's work! Tired, bedraggled, "would be" teachers drag their weary way homeward each night and fall exhausted into bed. But difficult as it may be, it is challenging and rewarding work and somehow the student feels much nearer his goal than at any other period in his college career. To those really sincere in their aspiration, it is truly worth the "price one pays."

Hostesses for the open house were: Peggy Brasher, Jesserene Stinson, Linda Carlson, Loretta Gillespie, Jo Ann Ater, Lola Kruse, Ellen Anne Knox, and Carol Gray.

Men's New Dormitory Opens September, 1954

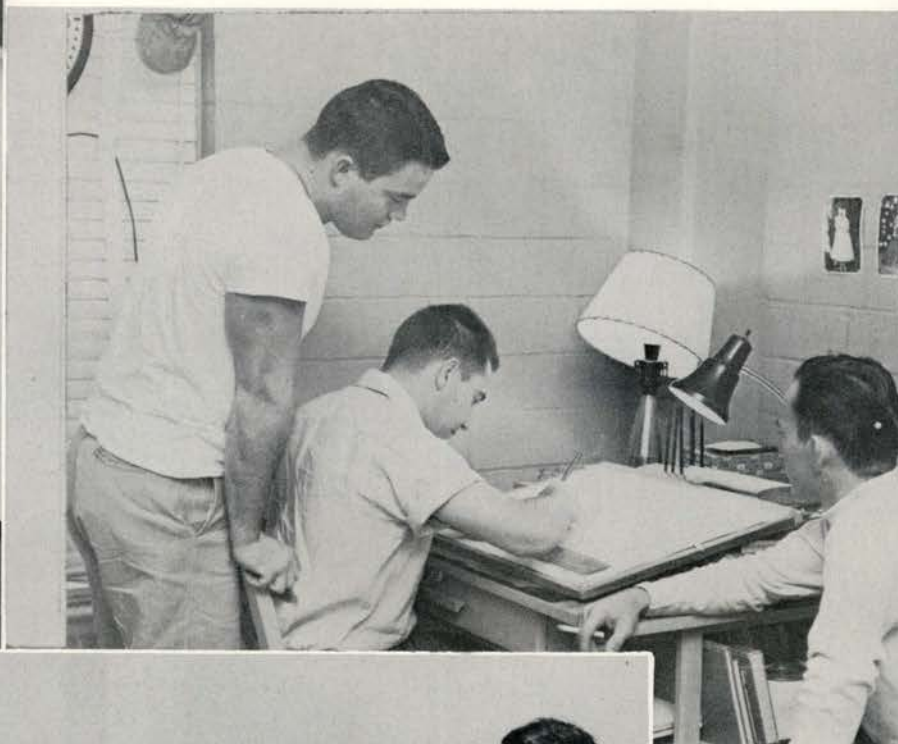

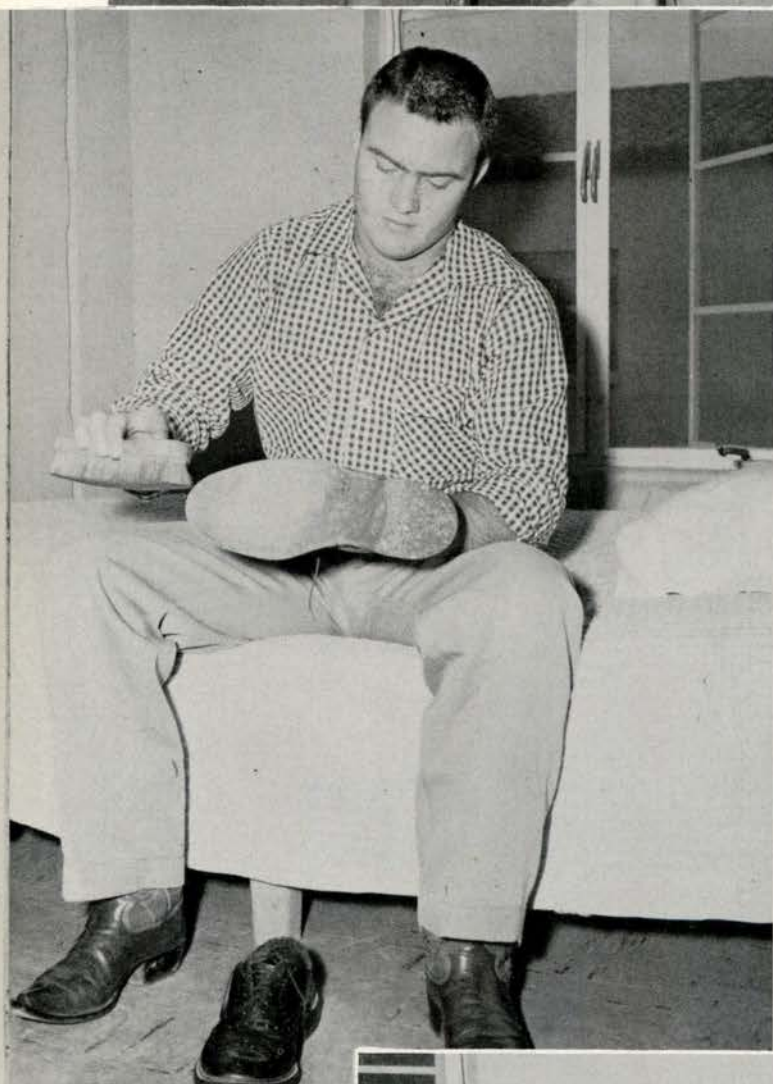

Men's New Dormitory, a \$400,000 construction housing nearly 200 boys, opened on the Hill with the registration for the 1954 Fall Semester.

The structure, containing up-to-date furniture and inner-spring mattresses, is built of the Old Spanish Colonial style as are a number of other new buildings on the Southwest Texas State Teachers College campus.

Formal opening was held on Homecoming Day to permit exes as well as students to view the interior of the modern building.

The dormitory is governed by seven elected House Council Members. Directors for the new housing unit are Mr. and Mrs. Jack Hughes.

Possessing scholarships to the College are these thirty individuals. Each was given an award by a San Marcos businessman, organization, or Hill club.

San Marcos Businessmen, Hill Organizations Present Thirty Student Scholarship Awards

The prized possessions of the thirty Hill students pictured on this page are their College scholarships.

These scholarships, given out by various College organizations and San Marcos businessmen and organizations, were awarded on the basis of scholarship and were justly earned by the people who received them.

A meeting of these students was held in the Sun Room of the Student Union so that they could meet the persons responsible for their award.

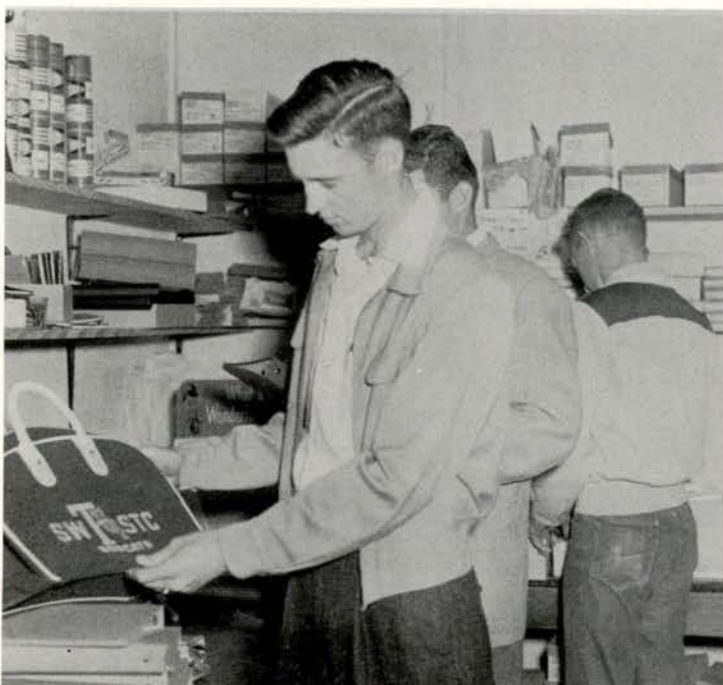

These individuals were responsible for some College students having a scholarship. Many of the contributors were unable to attend the meeting because of other engagements.

Even after the coffee is gone, the Lair is still a good place to sit and relax.

Life is Never Dead in the Lair

Raymond Long admires one of the lettered clothes bags that are sold in the Lair.

As quickly as possible after class, the average Hillite walks if not runs into the Lair to the strains of "Rock Me" or something similar. That very-much-needed cup of coffee is his first thought, but it doesn't take long for his thoughts to turn to dominoes. Many students spend leisure time in this comfortable spot enjoying the relaxation and the companionship of fellow students.

The Lair also is the place where text books and supplies are bought and sold. And Bob Kercheville, Lair Manager, takes orders from seniors for rings and invitations. In fact the Lair offers all sorts of souvenirs for Bobcat supporters to illustrate their loyalty to the College such as lettered clothes bags, stationery and SWTSTC stickers.

On occasions during the year students have an opportunity to buy special books from salesmen coming to the Lair.

The Lair even keeps stuffed Bobcats for those students who are afraid to spend the night without protection. However, these three students bought stationery instead.

Around this table in the Lair usually gather the faculty. Here they can talk, smoke their pipes, and relax.

Students discuss the day's events over cokes at Manske's.

When the air begins to get chilly, a wienie roast is bound to come up.

Varied Activities Feature Night Life About Campus

A varied program of night activities makes the Southwest Texas campus an enjoyable place to live.

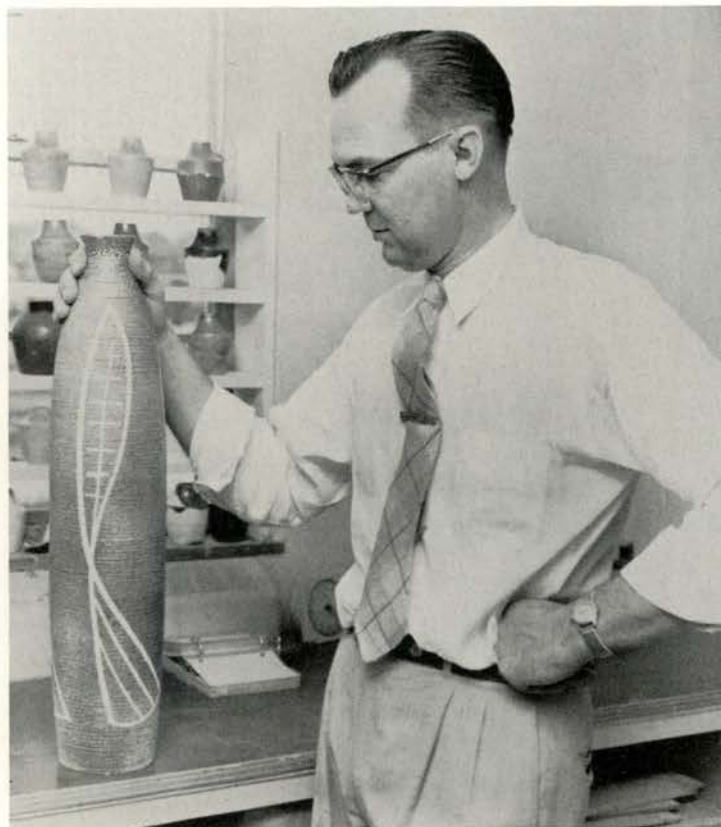

Club meetings, television in the Student Union, a wiener roast at the campsite, a bull session at Manske's, or a dance in the ballroom were all phases of after-dark festivities on the Hill.

Ceramic Classes Make Vases, Bowls, Figures

Featured in exhibits in a number of Texas towns as well as in several other surrounding states, are ceramic works of Charles W. Suckle, art instructor at the College.

In classes conducted on Monday and Thursday nights, students can learn to make bowls, vases, and other products in this field.

The bowl has just been removed from the kiln.

Glazing the dish are Alta Rae Renfroe and Celia Tijerina.

Harry Geffert has a hobby of modeling human heads and figures.

Students Use Cafeteria For Meals, Visitations

The Cafeteria, located on the first floor of Commons, is the place where most of the college students can be seen at one time. This is the basic meeting place for the Southwest Texas big, happy family. Here, everyone seems to forget the burdens of college life and joins in the singing of "Happy Birthday" and in the good-natured booing of line crashers. The boys behind the counter dish out the food with a friendly smile, and the students hurry to sit at a table with their friends. After the meal, most students sit back to relax and talk in the cafeteria—a welcome break in the hustle and bustle of a day at SWTSTC.

Jerry Zimmerman assists Annette Gerrick as she empties her supper tray into the dish washing machine.

George Spillmann collects tickets and money at the door as students leave the cafeteria. Students also can get second tickets for another tray from George.

Students "load up" their trays in one of the crowded lunch lines.

"Slim" checks for the meal tickets as the long line files through.

"The crowd" gathers at the cafeteria table for a dual purpose—tood and tun.

The card catalog aids individuals hunting books or information on a certain topic.

Adolph Acker and George Spillmann decide to impress the prof, so each checks out a giant volume.

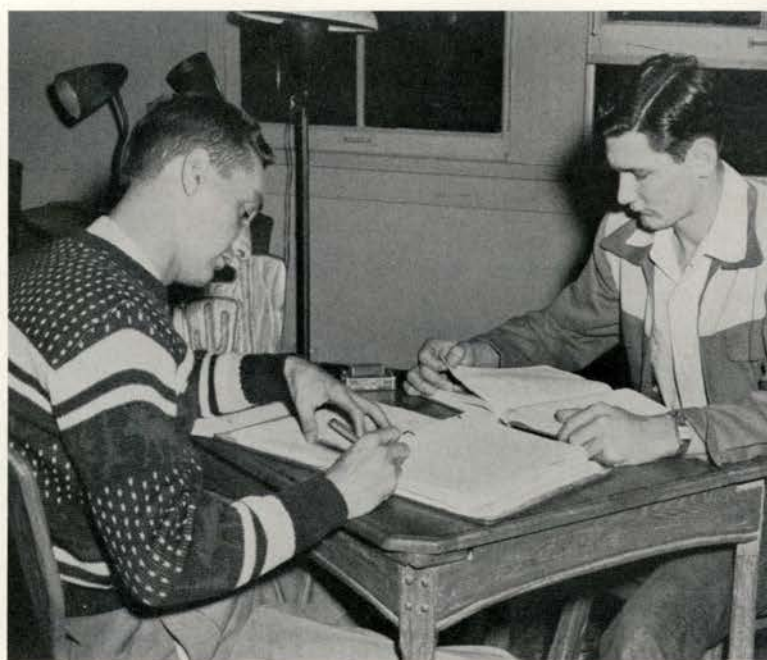

Air-Conditioned Library Makes Studying Easier

The Library is a building used by every student on the Hill. However, some students fail to avail themselves of its facilities after Registration Day.

Aside from studying material the Library subscribes to numerous magazines and newspapers for student enjoyment.

Even though Reid Sellers forgot to take his hat off, he is really getting with it.

However some people prefer to study in the Student Union where there are less people and more TV.

Ground Breaking Ceremony Begins Work on New Gym

Ground breaking ceremonies February 28 for the new Men's Gymnasium began construction on the \$500,000 building.

Athletic Director O. W. Strahan turned the first shovel, followed by President J. G. Flowers and Arthur Smith, student body president. The coaches, architect, contractor, and thirty athletes also participated in the ceremony.

The gym is slated to be finished March 1, 1956.

Take it easy, Dr., don't strain yourself.

Arthur Smith, Student Council President, represents the student body in the ceremony.

Athletic Director O. W. Strahan, veteran of 36 years as head of the athletic program, turns the first shovel full of dirt.

College Information Made Ready to Mail

The College Publication Department is responsible for sending out College publications to hometown newspapers and releases to district newspapers such as the San Antonio Express and Light and the Austin American.

Under the direction of Mrs. Lou Milligan, these girls behind the scenes work busily all year typing, sorting, tying and sealing.

They send bulletins, pamphlets and literature to prospective students, publicity to newspapers, and current information to ex-students.

Typing publicity releases for hometown newspapers is a part of Alice' and Ella Mae's jobs.

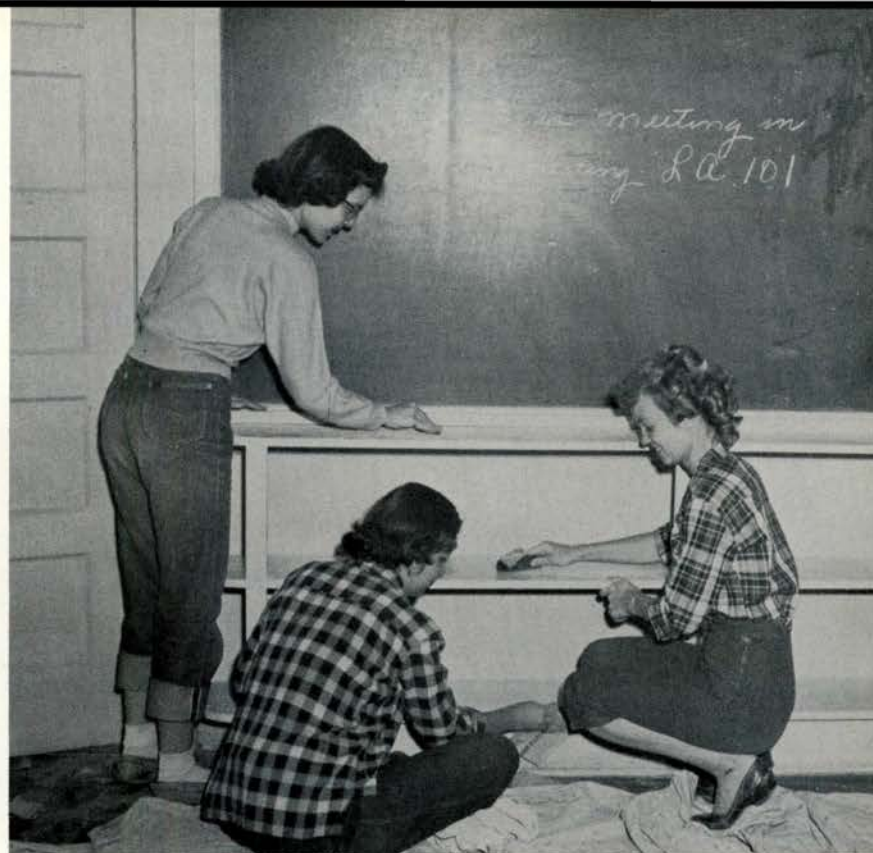

Typing up and sealing some current news, Dorothy Frost, Joyce Ayers, and Alice will send the information to ex-students.

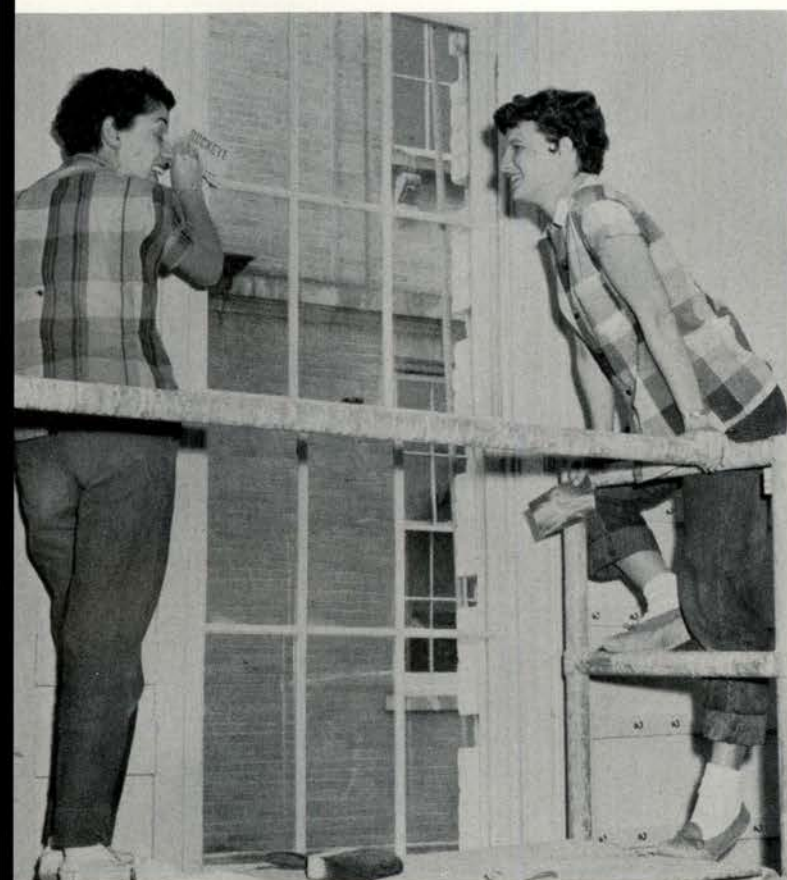

Home Economic Students Gain Painting Experience

Brushes flew as the Home Management and Marriage classes painted rooms in the Home Economics Department in the Language Arts Building.

These classes gained experience in painting and refinishing, during which time, improvement was made to the building. Work can be fun, too, as these pictures illustrate.

The Marriage Class had to be moved to another room during the main work period. Here, girls sand the woodwork in preparation for painting.

Loose paint created by the rough sandpaper causes Mary Lou Harper to sneeze as she works.

Boys got into the act, too! What was painted best—the wall or the floor?

Dublin Players Present "Juno and the Paycock"

On January 16 the famous Dublin Players from the world renowned Abbey and Gate Theaters in Ireland entertained S.W.T.S.T.C. with a production of Sean O'Casey's "Juno and the Paycock." A most enjoyable play, it dealt with the Irish-English problem in the early 1900's. After their presentation here the troupe continued with their nationwide tour.

Jowers Selected to Coach High School Hoop Stars

Further recognition of Milton Jowers' basketball coaching abilities was given this year when the Texas High School Coaches Association selected him to coach the southern team for the annual THSCA basketball game. The game will be played in San Antonio August 4.

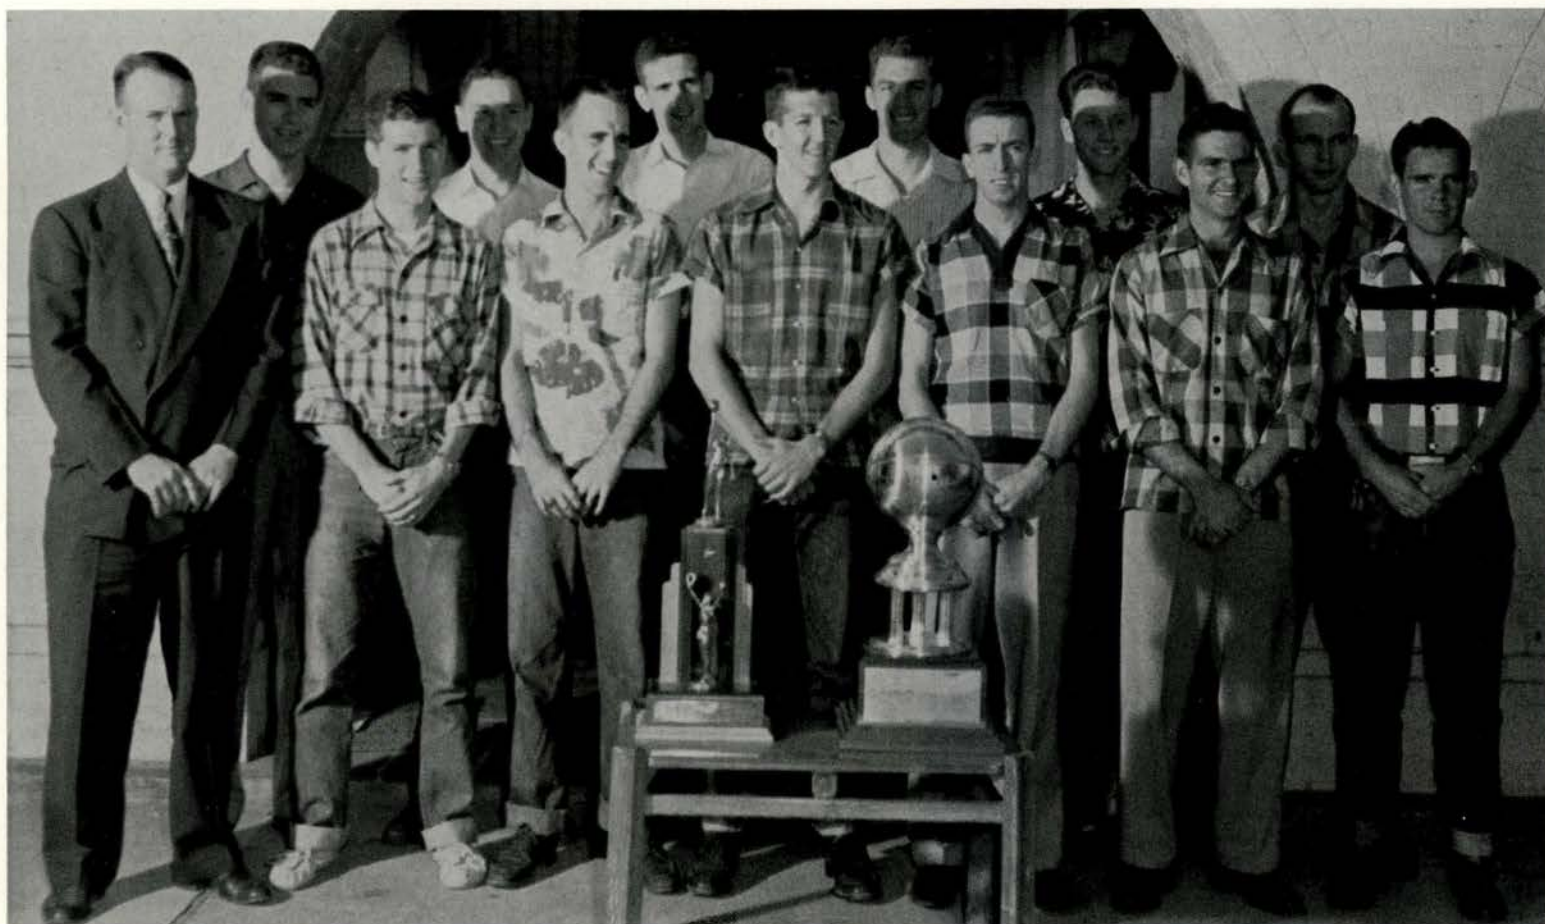

This is the first time that THSCA has selected other than a "Name" big college coach to mentor one of its clubs. And the selection of Jowers was by an overwhelming margin. Mentor of his opposition will be the coach of the number one seeded team in the nation, the San Francisco club.

Coach Jowers has built Southwest Texas into a basketball power during his services here. His clubs have won 105 and lost 19 during the past five years.

The slow-talking mentor has developed two first team Little All-American basketball players. J. C. (Spider) Maze made the honored group as a center in 1952 and Lewis Gilcrease was selected to the team in 1953 as an inside forward.

Coach Jowers is still an adept shot with the basketball himself.

This is the 1951-52 squad that won Consolation in the NAIA Tournament in Kansas City. Back Row: John Weder, Lewis Gilcrease (All-American), J. C. WHEN A STUDENT'S EVENING IS NOT FILLED WITH A DANCE OR SOME SPORTING EVENT, HE PROBABLY WILL BE FOUND AT A CLUB MEETING.

COLLEGE LIFE WOULD NOT BE COMPLETE WITHOUT THE 60 ORGANIZATIONS ON THE HILL. THESE CLUBS SPONSOR MANY VARIED ACTIVITIES WHICH APPEAL TO MANY STUDENTS—THE RELIGIOUS ORGANIZATIONS, HONORARY CLUBS, LITERARY SOCIETIES, AND DEPARTMENTAL BODIES PROVIDE VARIED INTERESTS TO ALL HILLITES.

Allah, Allie Evans!

Allie Evans Literary Society began their year of activities with a Hill Billy dance after the Stephen F. Austin football game. The Choir also performed several times during the year for College and town audiences.

R. W. PARKER, the new SWT football mentor, guided the spirited Bobcats to their share of the Lone Star Conference crown in this 1954 season. His able assistants, Coach **VERNON McDONALD**, and Coach **FRANK GENSBERG**, also turned in fine jobs as members of the coaching staff.

Allert has been a large and aggressive linesman in the Bobcat Co-champion forward wall.

BUZZY ALLERT

Williamson's All-American

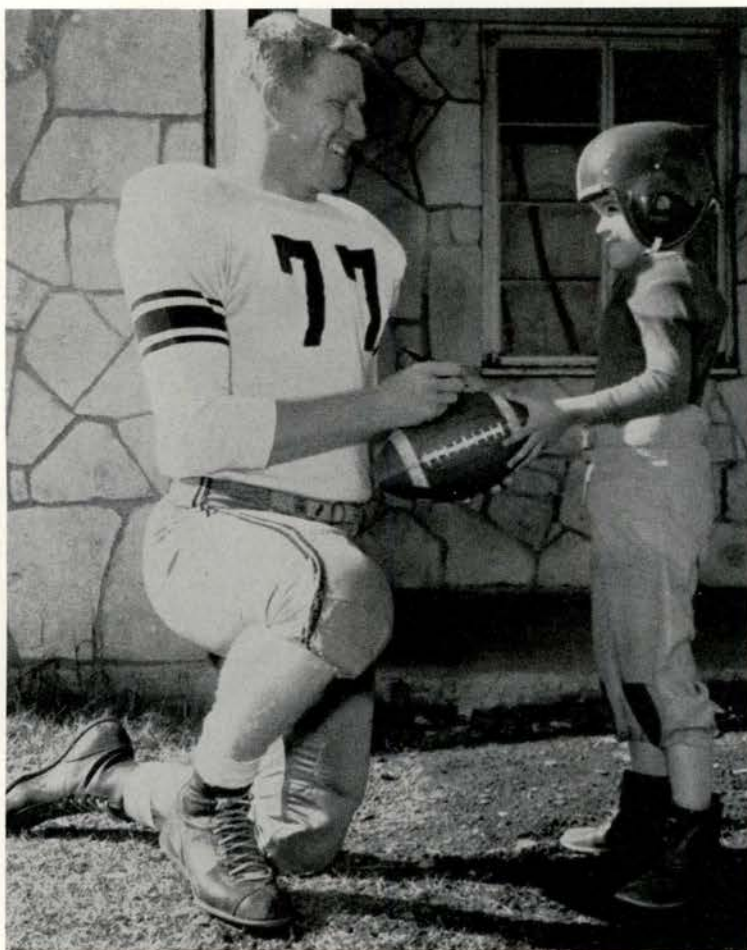

Buzzy Allert, SWT tackle, was named to Williamson's system All-American team of 1954.

To wind up his football career at San Marcos, Buzzy was showered with selections on the First Team All-Texas College and the First Team All-LSC.

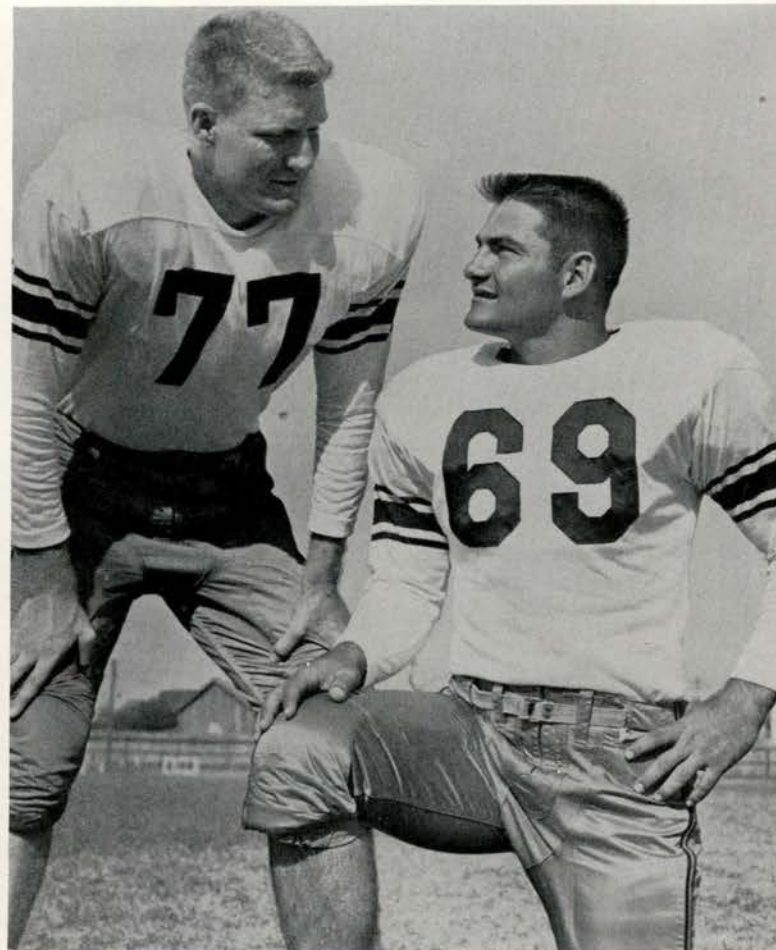

Before coming to SWT Allert was a standout on the football field at Victoria Jr. College where he was chosen to the All-Texas Jr. College and the 3rd. All-American Jr. College teams.

Buzzy received his high school football experience at Gonzales.

At Southwest Texas State, where Allert received his third letter as a Bobcat gridder, the fans will long remember him as an outstanding performer on the football field.

"Geel Mr. Allert! I'm going to be a football player like you someday."

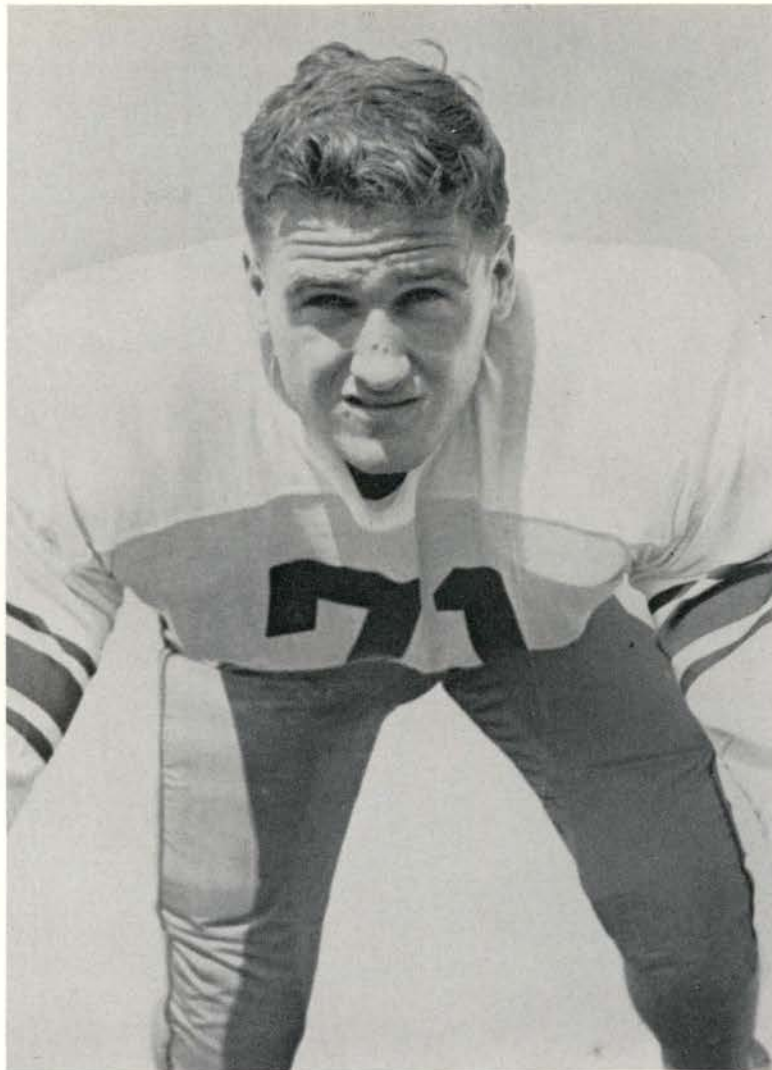

Buzzy Allert and Gene Hanks discuss strategy for next game. Allert and Hanks played together at Gonzales High School where they were star backfield men.

OUTSTANDING BOBCATS

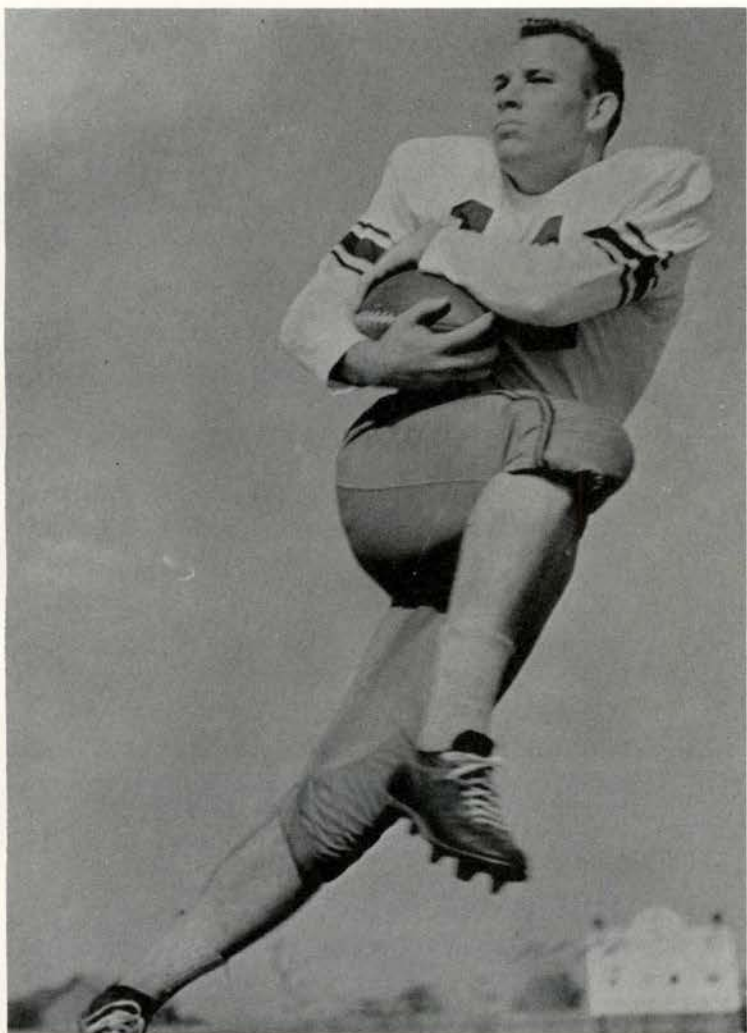

Gene Hanks' superb play on the Bobcats' Co-champion eleven, earned him a berth on the first All-conference team of 1954. He was a standout in each of the San Marcan's contests at right guard.

Gene Smith, senior tackle, was selected along with Hanks, to fill in a forward wall spot on the first All-conference team. His fine blocking and tackling was a vital key in the 1954 Bobcat success.

Receiving second All-conference team honors was the hard driving Ed Schmeltekopf of SWT. Due to an injury early in the season Ed was unable to play in all of the 1954 tilts. The Kyle senior is a fullback.

Leon Sefton rushes in to help Bobcat end Johnny Faseler take down a hard charging Brooke Army Medical Center ball carrier.

Bobby Graham was the second leading runner for the Bobcats this season. He was known for his shiftiness.

BROOKE COMETS TRIP CATS IN OPENING TILT

With speedster Alex Litman and ex-Bobcat star Caddo Sanders doing most of the damage, the star-studded Brooke Comets battered the Maroon and Gold, 34-13, in the season opener.

Two touchdowns by Litman in the first seven minutes of play put the visiting Comets ahead to stay, and began the 1954 campaign on a sour note. Litman broke loose for 42 yards from scrimmage, and intercepted a Cat aerial for another touchdown in the first quarter.

Bobby Graham scored all 13 Bobcat points, going 10 yards in the first stanza, and taking a 17 yard pass from Bob McBride midway in the last period. Graham booted his conversion after the second touchdown.

Jim McGill and Buzzy Allert played outstanding ball for Coach R. W. Parker's SWT crew in the line, as did end Johnny Faseler. Don (Tiny) Goss, ex-SMU great, was a tower of strength for BAMC up front.

POWERFUL TRINITY UPHEELS CATS, 26-7

Texas' only unbeaten college, Trinity University, pounded the Bobcats in San Marcos for the second straight year, 26-7. A deadly passing attack engineered by T-quarterback Beal guided the Tigers to 226 yards in the air, and stunned the Felines for the second week.

SWT missed a scoring opportunity just before the half when a fourth-down pass was intercepted in the end zone, and the Bobcats were not to crash the points column until the last period, with Trinity already ahead 26-0.

Beal and Bob Sweet spearheaded the Trinity attack, which had bounced the Cats the previous year 40-21. In the line, Trinity's Duke Cook and Bobby Beal, and Southwest Texas' A. J. Loth, Buzzy Allert, Herb Carleston, and Dave Rutherford played good ball.

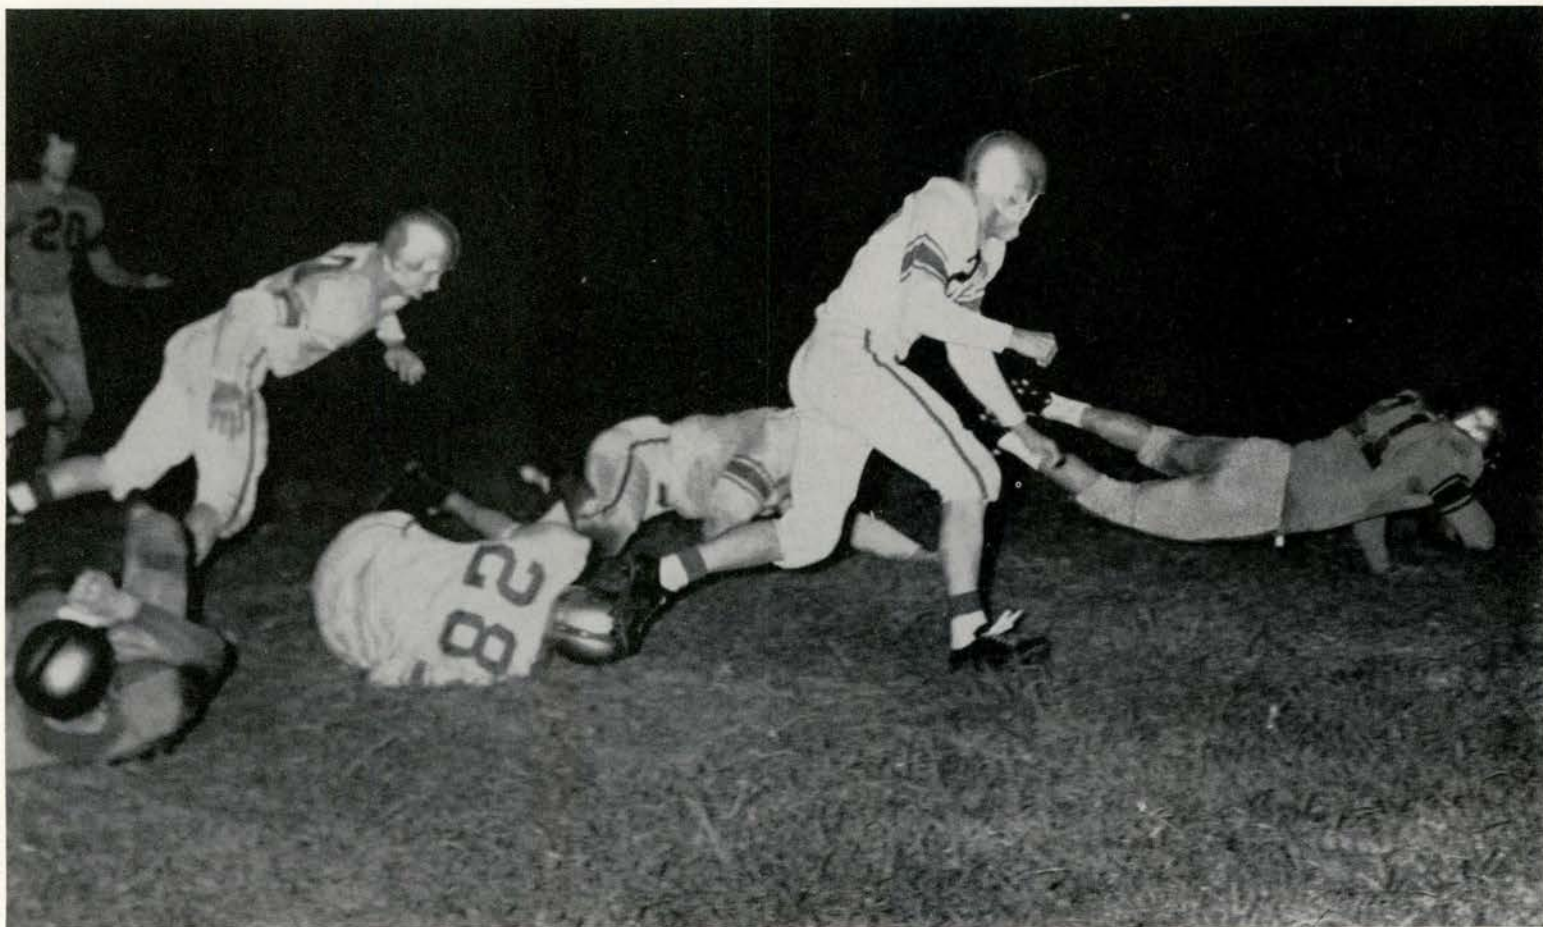

Don Roberson scored the Cat touchdown on a late two-yard plunge and Graham kicked the point.

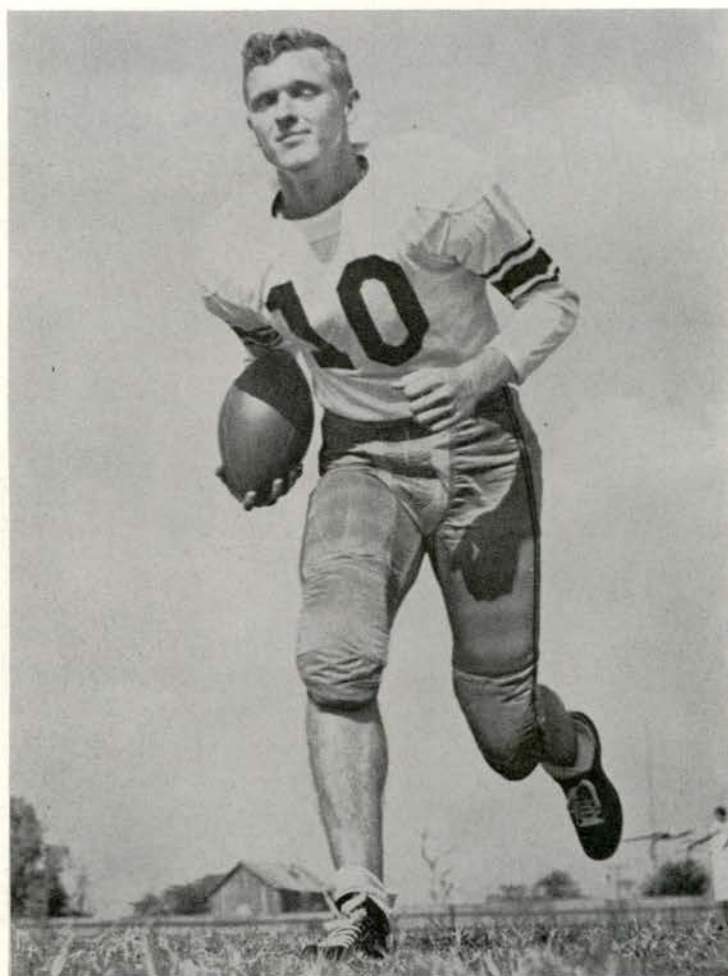

Herbert Hill was a versatile performer in the strong Bobcat forward wall.

A hard charging Bobcat back picks up yardage as he sweeps around the end on his way to paydirt.

Bobby Graham displays his powerful and shifty running, which netted him a total of 337 yards rushing for the season.

Leon Sefton was a sparkplug in the strong Bobcat defensive backfield.

BOBCATS OVERPOWER TLC BULLDOGS, 20-6

Recording their first victory of the season, the Bobcats defeated a game but outmanned Texas Lutheran Bulldog eleven, 20-6, in their third consecutive home game.

Behind 6-0 at halftime, the Bobcats roared back in the second half to score three times, with Ed Schmeltekopf and Bobby Graham guiding the offense. Ed Schmeltekopf scored twice and Graham added a touchdown and extra point to give the Bobcats their winning margin.

TLC's Eugene Sharp hit Howard Woerner with a second-period touchdown pass to put the visitors in front before the intermission. A 38-yard scoring run by Schmeltekopf in the third quarter put the Bobcats back in the ballgame, and big Ed plunged one yard early in the last stanza for another touchdown. Graham booted conversions after the two scored, and made one himself on a 24-yard last-period romp.

Gene Smith and Gene Hanks turned in outstanding performances in the Bobcat line.

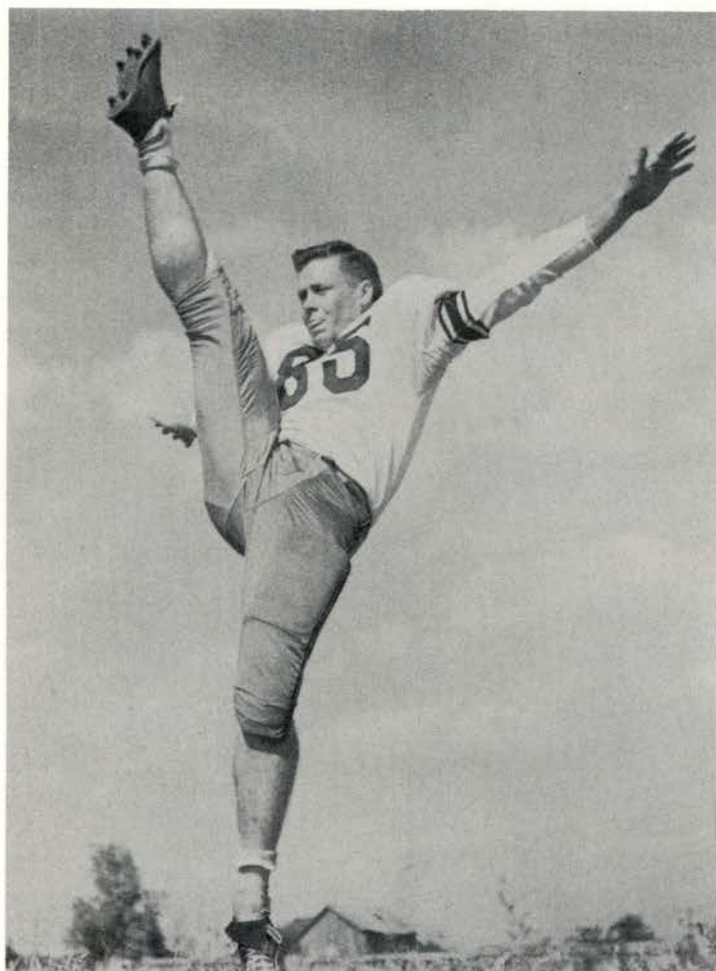

RUGGED YELLOWJACKETS CLIP BOBCATS 28-13

Playing away from home for the first time, the Bobcats succumbed to a rugged Howard Payne eleven, 28-13, in Brownwood.

Led by quarterback Jerry Milsapps, the Yellow Jackets scored in every period to hand the Maroon and Gold their third loss of the season, thereby partly avenging 55-0 and 54-13 Bobcat landslide victories in the previous two campaigns.

The first period of play found the teams waging a 7-7 battle, but Howard Payne tallied again in the second stanza to assume a lead held the rest of the way.

Milsapps scored once, passed for two more touchdowns, and kicked all four extra points for Payne. Bob McBride delivered scoring passes in the first and third quarters to John Faseler and Ray Palmour, respectively, for SWT six-pointers, and Bobby Graham toed the Cat conversion.

Ray Palmour was an outstanding punter in the LSC and also a stellar performer at end.

A fleet Bobcat back sweeps the end wide to evade the on-rushing Howard Payne tacklers.

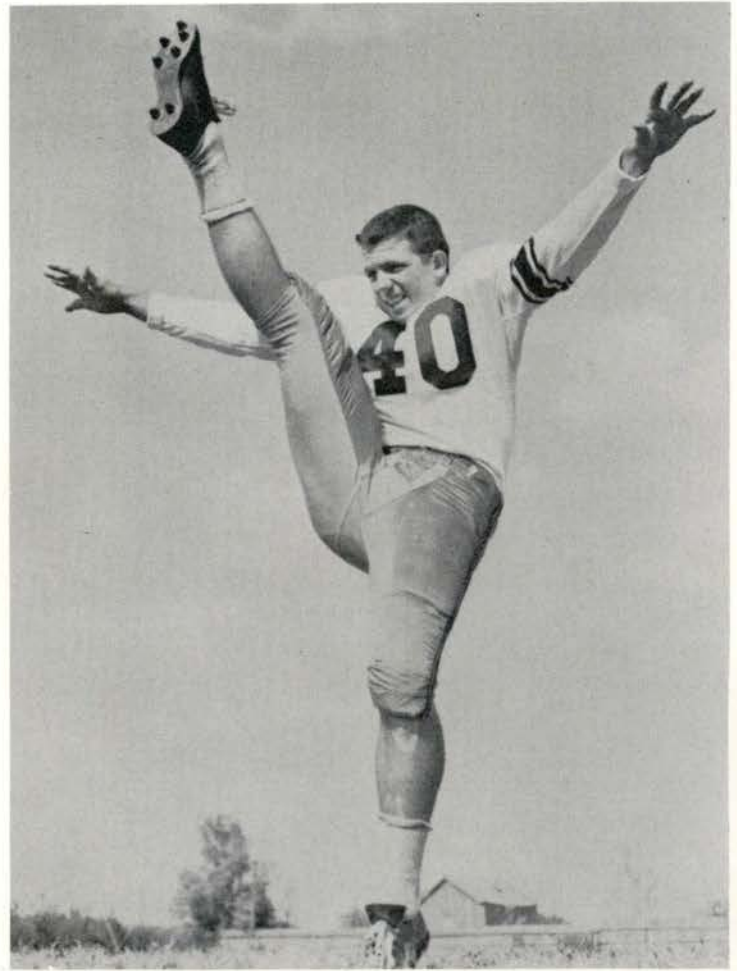

CATS DISPLAY POWER, ROMP SUL ROSS, 33-13

Southwest Texas turned on its biggest offensive blast of the season to whip visiting Sul Ross at Evans Field, 33-13, for a second straight LSC victory.

Bob McBride engineered a vicious Cat offense, scoring twice and setting up another touchdown with a 49-yard kickoff return. SWT went ahead on a McBride sneak in the first period, 7-0, and led at halftime by 20-0, following sneaks by Sammy Howard and McBride, again from two yards out, and Bobby Gibbens' two conversions.

In the third period sturdy Keith Hoffman plowed across for a 26-0 Cat edge, and Bobby Gibbens twisted 31 yards for the finale in the fourth period. Leon Sefton toed the PAT for a 33-0 edge.

Sul Ross hammered back for two scores by all-conference back Norman Cash from short yardage away to narrow the count. Herb Carleston, Buzzy Allert, Gene Smith, and Gene Hanks were key men in the line for SWT.

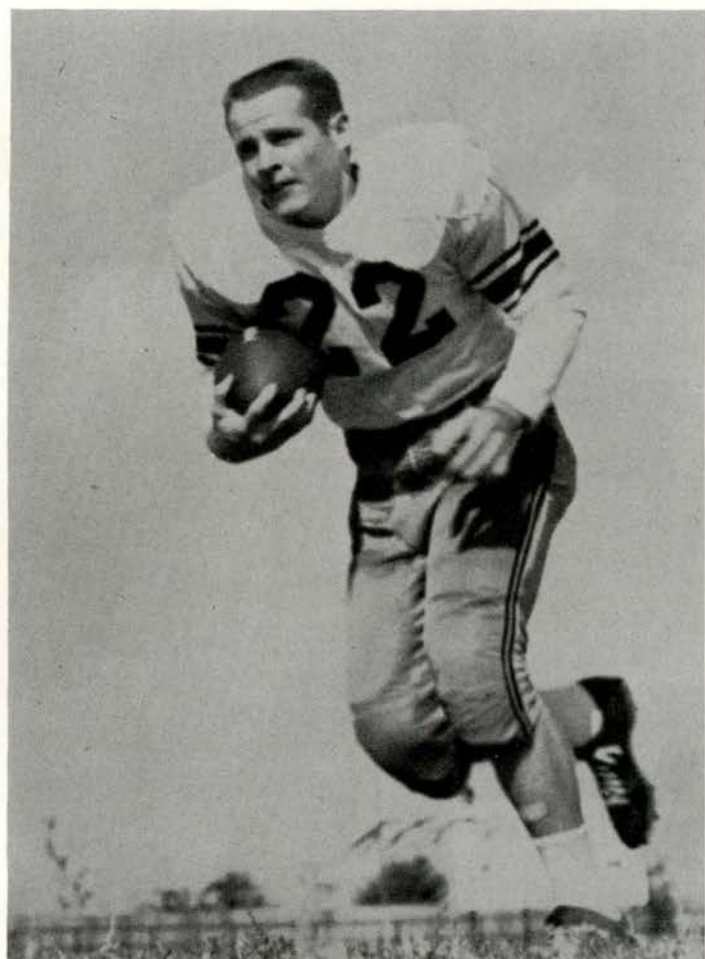

Keith Hoffman was a hard hitting tackler and speedy ball carrier on the LSC Co-champion Bobcats.

Guard Gene Smith and Tackle Buzzy Allert close in on a bewildered ball carrier from Sul Ross.

McBRIDE MARKER LEADS CATS TO 7-6 TRIUMPH

R. W. Parker's gridders continued on the upset trail with a 7-6 triumph over previously unbeaten Stephen F. Austin, a one-touchdown favorite, at Evans Field.

In the second period the Cats scored what proved to be the deciding points. Bob McBride handed off to Ed Schmeltekopf on a straight power plunge from two yards out and Schmeltekopf, finding no hole, lateralled back to McBride, who found paydirt around the right side. Bobby Graham kicked what proved to be the winning point.

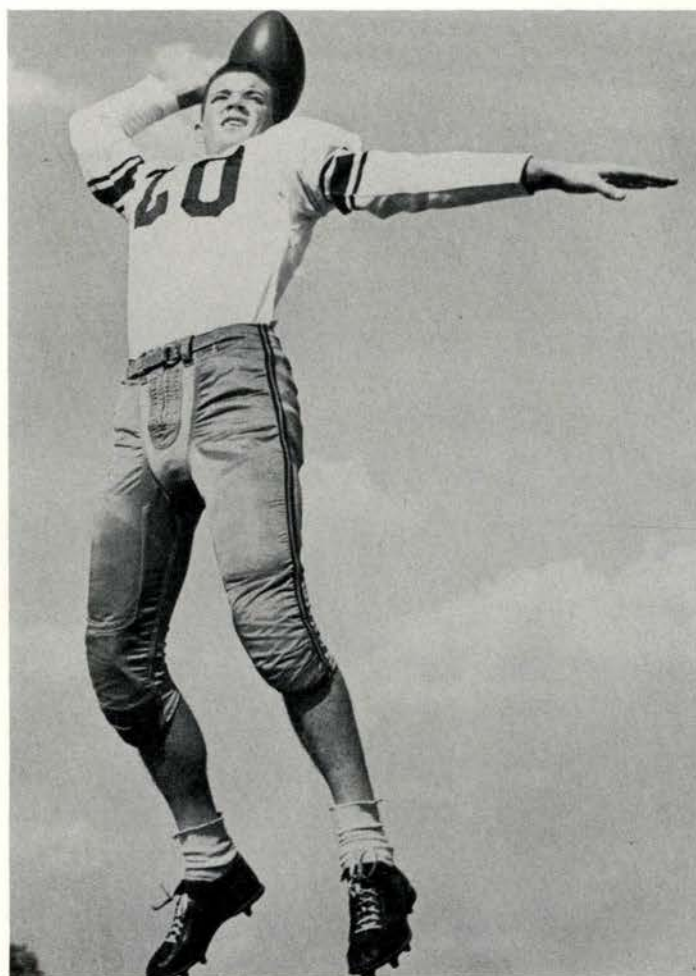

Stephen F. Austin went 80-yards on a last-period drive for their only score of the game, Bailey Marshall crashing over from the two. The PAT attempt was wide, however, leaving the Bobcats ahead. SWT had a 200-44 edge in rushing yardage, and SFA led in passing, 136-92. The game was marked by fine line play by both squads.

HANKS BLOCKS KICK; CATS WIN GAME 13-12

Steady Gene Hanks broke through the line to block the tying point-after-touchdown attempt as the Southwest Texas squad won their Homecoming tilt from Lamar Tech, 13-12.

In a thriller all the way until the finish, SWT compiled a 7-6 first-period edge, and maintained the one-point advantage the rest of the way. Bob McBride hit end Dave Rutherford with a scoring pass for the Bobcat score, after Lamar's Raymond Meyer found Tech end, Gene Powell, in the end zone for an early Cardinal lead. Ed Schmeltekopf kicked the deciding point after.

McBride scored himself in the third period from the one-yard line, after a brilliant catch by end, Charlie Hall, on a 27-yard pass play. Lamar scored in the last quarter after a fumble recovery on the SWT 15, with Sammy Carpenter going over from the four, but Hanks foiled the tying effort by the Cards.

Bobby McBride, Lone Star Conference Honorable Mention at quarterback, was Bobcats' key to Co-Championship honors.

CATS TAKE THRILLER, DEFEAT SAM HOUSTON

Refusing to be beaten, the Bobcats traveled to Huntsville to win a breath-taking, 26-22, thriller from strong Sam Houston's Bearkats.

The lead changed hands five times in the LSC battle, with Southwest Texas scoring first on a 62-yard pass interception-runback by the sparkling McBride. Sam Houston tied the game shortly afterward, but a 53-yard SWT march capped by Ed Schmeltekopf's two-yarder and conversion put the visiting Felines ahead again, 13-6.

Stan Keathley of the Bearkats hit teammate Richard Davis with a scoring aerial in the second period, and Allen Boren toed a 12-yard field goal to give the 'Kats a 15-13 halftime edge.

Don Roberson broke loose for 44 yards and another Cat score in the third period, giving the SWT eleven a 19-15 margin at the three-quarter mark. Benny Boles of SHS went 14 in the fourth period for a 22-19 Sam Houston lead, but a late 67-yard Bobcat drive, capped by Keith Hoffman's eight-yard dash, brought victory to the Southwest Texans.

Walter Dedeke was a rugged performer at center and added strength to the Cats line play.

SAN MARCANS TIE FOR LSC CROWN

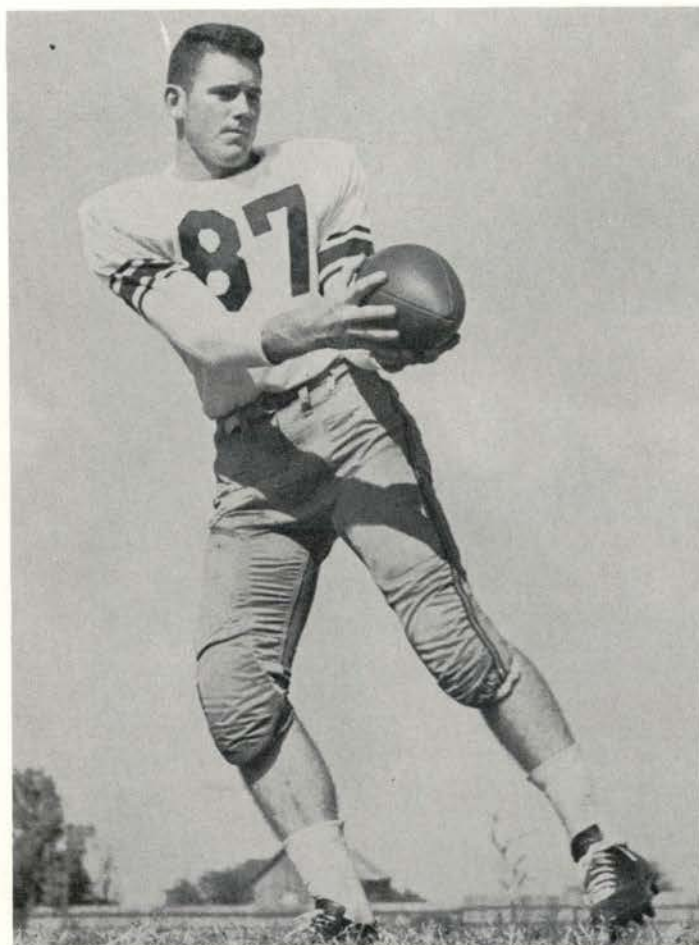

Southwest Texas climaxed a 6-3-1 season with co-championship in the Lone Star Conference, battling defending titlist East Texas to a 7-7 tie in Commerce.

The first half was all Southwest Texas, but the second part of the ballgame was a different story. The determined Cats scored on the last play of the first quarter on a 15-yard Bob McBride-to-John-Faseler aerial, capping a 42-yard drive, and Ed Schmeltekopf toed the extra point.

Time and time again the Bobcats threatened without going across in the first half, and the intermission arrived with SWT still holding the 7-0 advantage.

Following the half the East Texans came back in force, scoring after an intercepted pass gave them the ball in Cat territory midway of the third period. Six plays sent the ball across, Gene Marshall carrying over from the two. Bobby Fox kicked the conversion that settled the LSC title between the Lions and Cats, 7-7.

Charlie Hall turned in one of the outstanding individual performances of the year in a Bobcat uniform.

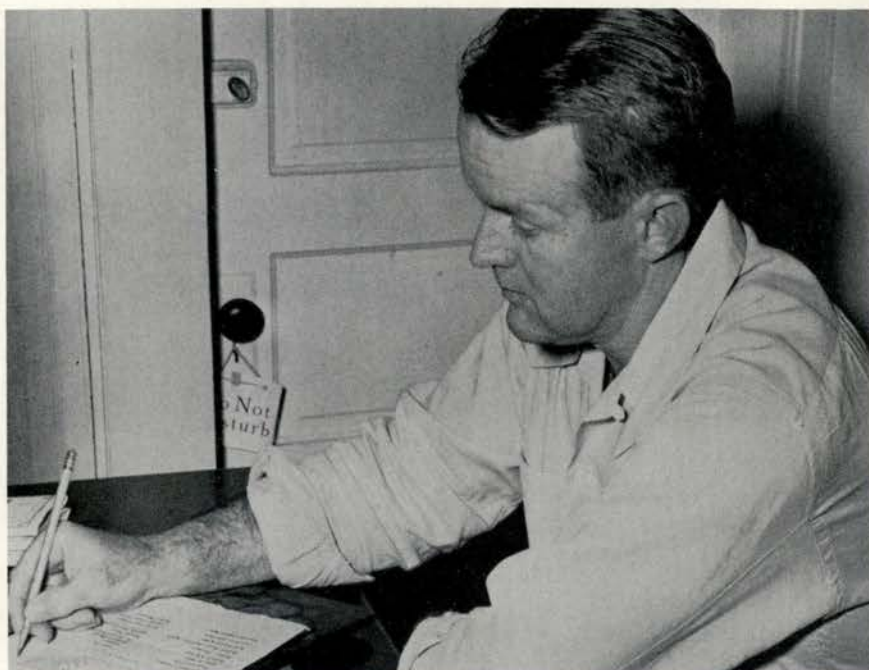

Bobby Gibbens rotated between the backfield and end, nevertheless, he was an outstanding player.

BOBCATS TIE FOR LSC CAGE TITLE

Southwest Texas' surprising quintet grabbed the school's second Lone Star Conference title share in the midst of the loop's most hectic race in years. Both clubs had tied in football.

Both the Bobcats and East Texas State finished with 9-3 conference marks, to again enter the winner's circle together. The two clubs met at Waco in a playoff for the loop's NAIA tournament spot, and East Texas claimed a sizzling 86-83 decision to end the SWT slate for 1955.

Billed as the third-rated team in conference play prior to the season's opening Southwest began their schedule with a 74-72 upset of BAMC and went on to compile a record of 20 victories and five defeats, scoring 1982 points for an average of 79.2 per tilt. Opponents tallied 1653 for a 66.1 average.

Top individual performance was turned in by Bill Banks, the 6-8 post star who twice scored 39 points in a single contest. The big hook-shot artist led scorers with 501 points in the 23

official tilts, an average of 21.7 points per contest. Not far behind was left-handed push shot star Lefty Peery, whose 495 points in season play netted a 21.5 average. Peery's top effort was 35 tallies in one game.

Other outstanding work was turned in by centers Herb Billings and Joe Cole and guards Aubrey Horner, Bobby Roberts, Bill Krueger, and Duane Vincent, who alternated starting positions.

Milton Jowers' team broke 100 points once, against Howard Payne, and five more times broke 95 in the scoring column. Longest winning streak stretched from January 8 to January 31, seven games. The Bobcats were never defeated at home during the course of the season, winning 12 straight ball games in San Marcos.

Banks, Peery, Billings, Melford Turner, and Roy Jackson ended their varsity careers for the Bobcat team.

SWT Splits With Sul Ross

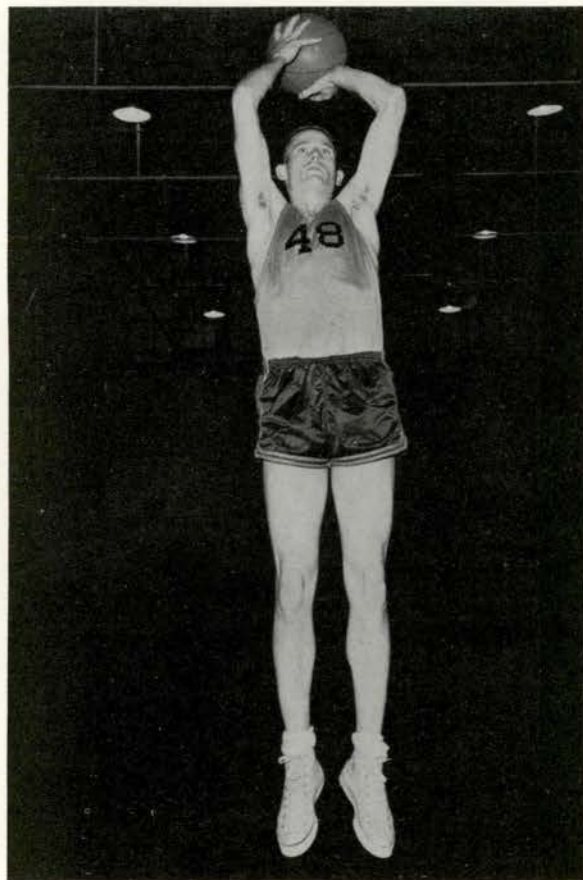

In a series which proved near disastrous in itself, Southwest Texas took a narrow 59-58 victory from Sul Ross in Alpine, after the Lobos had captured a 61-60 opener.

Behind 38-22 at halftime of the first tilt, Sul Ross fouled out Bill Banks in the first four minutes of the second half and went on to take the one-pointer. The next night the Bobcats led again at the half, by the margin of 30-20, but by the final buzzer the hosts had come to within one point of the invading SWT team.

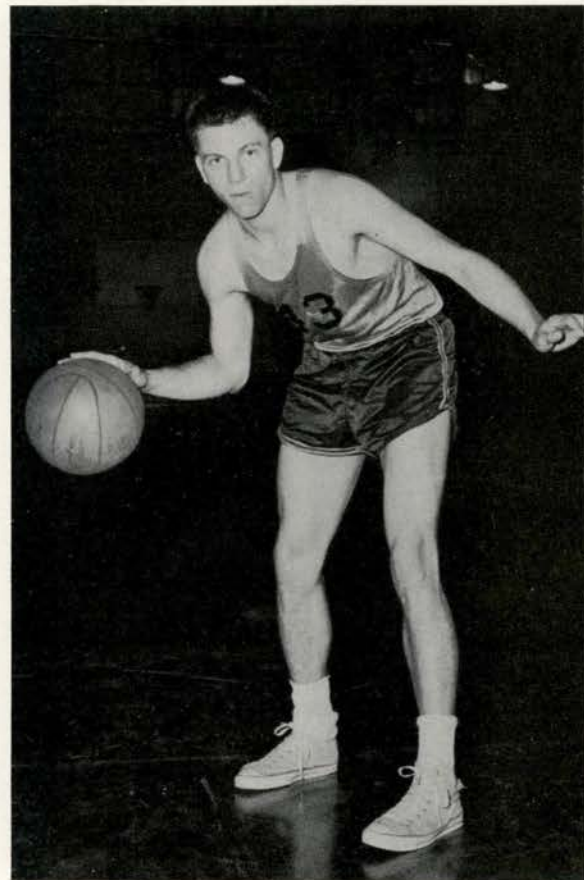

Aubrey Horner played stellar ball in scoring 28 points in the two contests to lead Southwest pointmakers. Lefty Peery high-pointed the first tilt with 16 and Joe Cole the second with 17. Don Pearson led a revamped Sul Ross squad.

Felines Top Lumberjacks

A clutch 83-70 victory in Nacogdoches gave the Bobcats their tie for the LSC crown. They defeated Stephen F. Austin's front-running Lumberjacks for the second time, and handed the Axers their first home court defeat of the year.

Earlier, Southwest Texas had outscored the SFA crew in a 78-67 battle in San Marcos.

Lefty Peery's 27 points and 22 by Banks sparked the Bobcat finish, enabling the San Marcos five to overcome odds and win the key Lone Star Conference clash. A SAF victory would have given the Lumberjacks the loop tie.

Peery also led scoring in the first game with 25, while Banks hit 20. LSC top-scorer, C. L. Nix of SFA, got 23 in the San Marcos tilt, but was limited to 16 at Nacogdoches.

Cats Split With Lamar

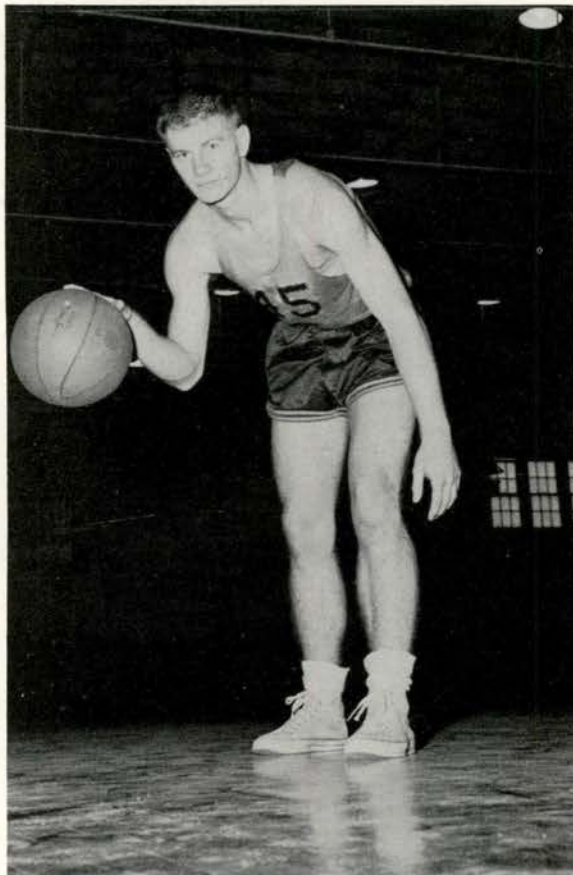

A Frank Merriwell rally netted the San Marcos five a, 79-74, victory over Lamar Tech at Bobcat Gym, but the Cardinals trounced the Bobcats in the return match in Beaumont 97-81.

Behind 18 points, 61-43, with 10 minutes playing time remaining in the game, the Red-birds faltered before a sizzling SWT rally which knotted the score at 70-70 by the end of regulation playing time. Bill Banks led the overtime surge and finished the game with 22 points. Peery had 23 and Bobby Roberts, whose play was instrumental in the triumph, netted 18.

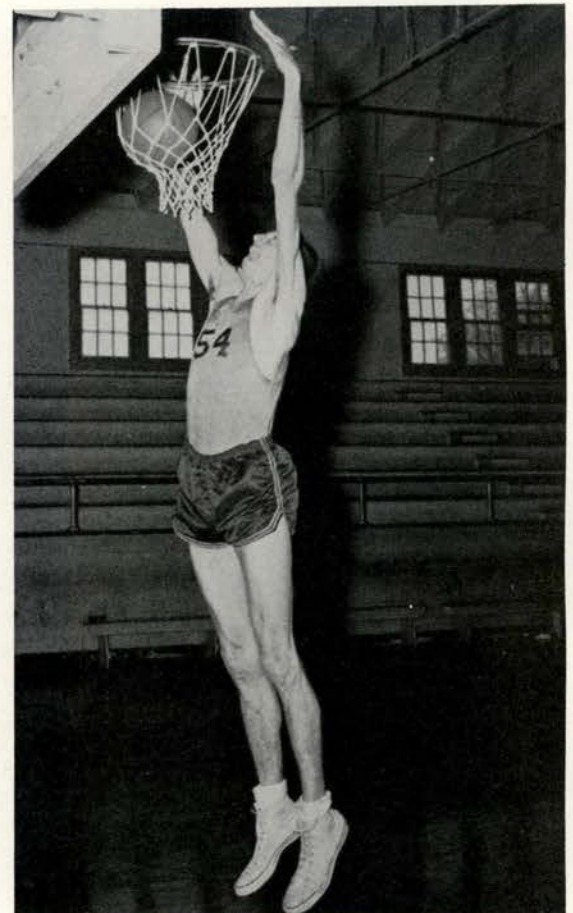

In Beaumont, Southwest trailed by only five points with four minutes to play, but Lamar capitalized on late fouls to win going away. The Tech five held a 35-17 margin in free throws. Banks led the Bobcat scoring with 30, and Lamar's Norman Miksch tallied 27.

East Texas Wins, Loses

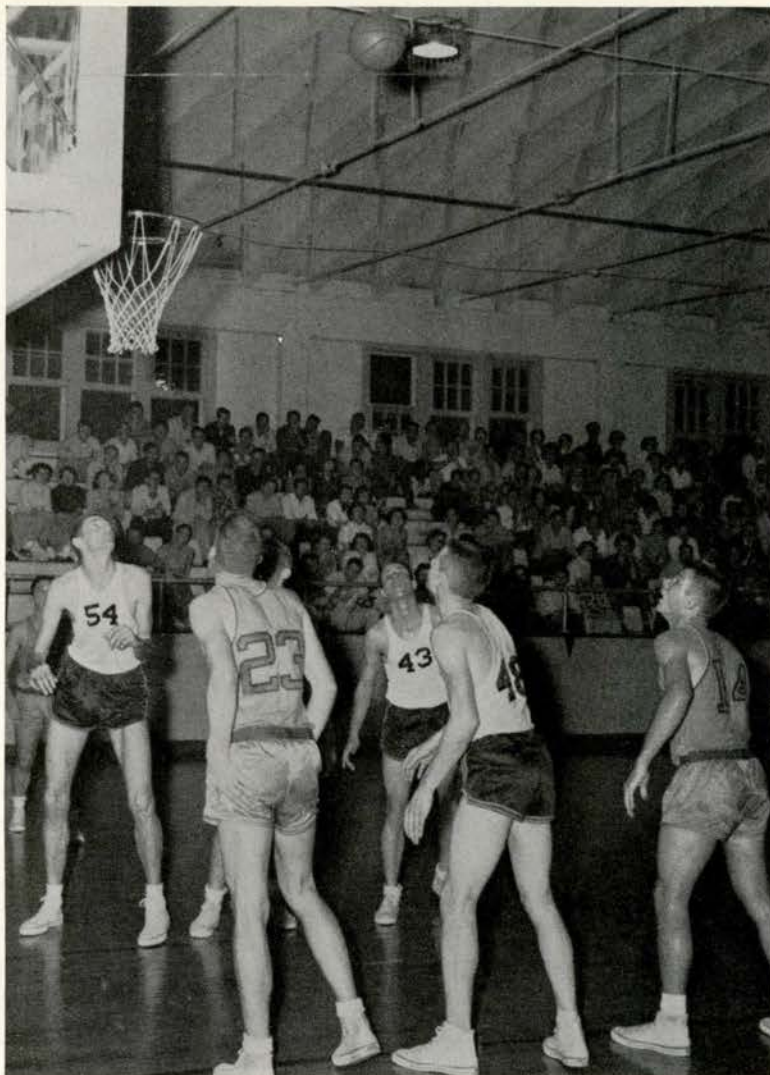

With the LSC lead balancing on the outcome, the Felines took a thrilling 80-74 battle in their first East Texas battle at Bobcat gym, but faltered in the return meeting at Commerce, as the Lions grabbed an 87-71 contest.

An inspired Bobcat contingent thrilled the largest crowd of the year at home in winning the first battle, a revenge tilt for last year's 53-51 East Texas victory in San Marcos, the loss of which snapped a 54-game win span at home for the SWT club. Five Lions hit in double figures, but SWT's Banks and Peery hit 24 and 21 to spark the victory.

East Texas led by only 45-41 at halftime in the Commerce game, but pulled ahead by more than 20 points at spots in the second half, after Banks had departed from the game on fouls. Peery hit 23 in a losing cause. The Lions followed the offensive leadership of Clarence Lynch, Jim Miller, and Shelby Metcalf in both games.

AUBREY HORNER: Junior Guard

Bobcats Bump Javs Twice

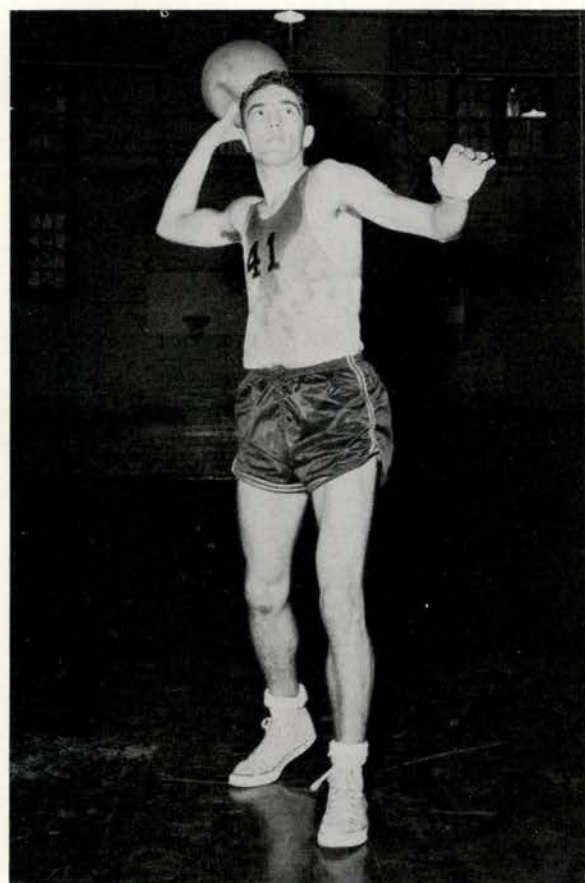

Playing both games in quest of the LSC crown the Bobcats twice defeated Texas A&I, 67-46, at San Marcos, and, 73-45, in the return match at Kingsville.

Southwest Texas sandwiched the brunt of its scoring in between a slow start and slow finish in the first game. The Bobcats held a 60-33 lead with eight minutes to go. Lefty Peery hit 21 and Bill Banks 16, with Wally Mayer leading A&I with 15.

Banks turned in the outstanding individual performance of the year in the return match, pumping 39 points through the A&I hoop before being removed from the game in the last period. Mayer, with 13, again led the Javs.

MELFORD TURNER: Senior Guard

DUANE VINCENT: Sophomore Guard

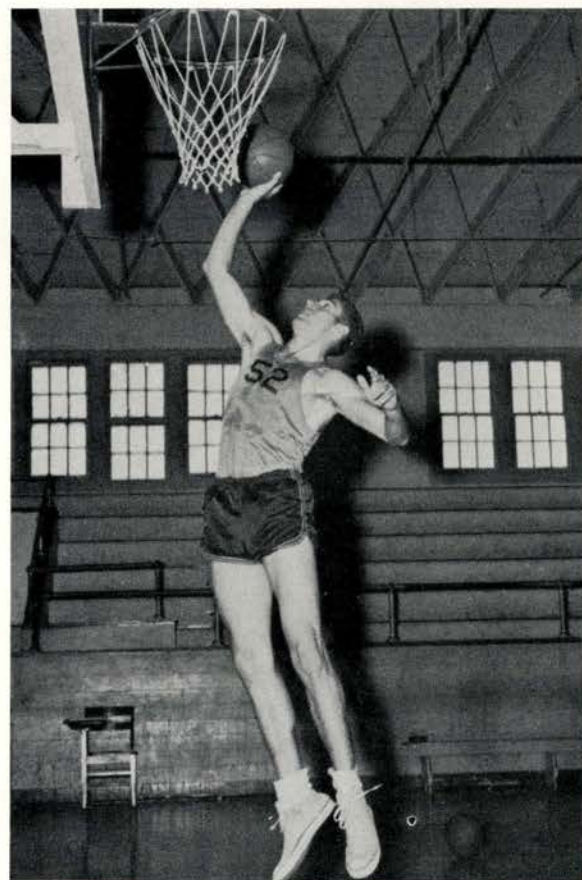

Joe Cole reaches up for the tip. His jumping opponent doesn't seem to be getting off the floor.

Sam Houston Drops Pair

Bill Banks' second 39-point spree of the year highlighted the season's highest-scoring battle, a 98-95 Bobcat victory over Sam Houston in Huntsville in the crucial final week of the campaign. The win, together with a 79-55 SWT conquest in San Marcos, gave the Felines a clean sweep of their Bearkat series.

Late tip-in work by Herb Billings iced the final Sam Houston game, which had seen the Bearkats lead through most of the contest. In the first engagement, Sam Houston came to San Marcos sporting a scoring average of better than 80 points per game, but failed to break 50 until only a minute and one half remained in the game.

Al Adams of Sam Houston was the top performer for the Bearkats in both games.

Coach O. W. Strahan

Coach O. W. Strahan is beginning his 35th year as track coach and director of athletics at SWT. Coach Strahan, regarded as the "grand old man" of Texas athletics, is the oldest athletic director and active coach in the state in years of service. His name has been synonymous with Southwest Texas athletics since he first became head coach and athletic director in 1919.

1955 OUTLOOK ON TRACK

Seven talented lettermen form the squad which won the Lone Star Conference track title last year are expected to make Southwest Texas a power in small college circles this season.

Veteran Coach O. W. Strahan will sport strength in every event in his "lucky seven," and with the addition of newcomers Bobby McBride, James Bolin, and the Moehring brothers, Alvin and Joe, along with squadmen John Burris and Raymond McLean, the 1955 squad may surpass the feats of last year's fine contingent.

Absent is Glenn Peavy, a four-year letterman in the pole vault and Frank Mendez, distance runner. Charlie Hall and McBride will team together to fill up gap at the pole vault left by Peavy.

Joe Reyna, a state winner for Eagle Pass high in

the mile run three years ago, will return to stock the mile and 880 for SWT, with sights on betterment of a fine '54 campaign. Ronald Beauford, ranked number one in the nation in the NCAA "Track and Field Guide" (1955) as freshman broad jumper, will give the squad some of it's strongest talent there, and lend aid in the sprints.

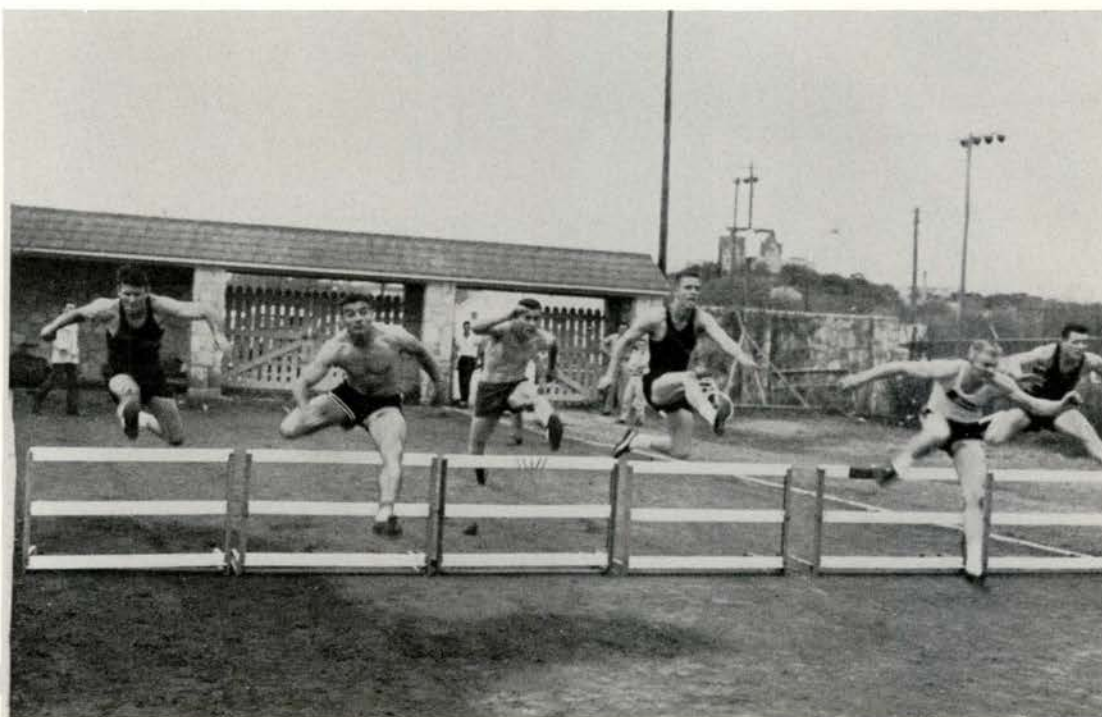

Eugene Kosarek, who fell victim to injuries for much of the '54 campaign, will be back to team with Beauford in both the broad jump and sprints. These two will form the nucleus of Strahan's relay foursomes.

In the field events, a trio of big lettermen, Herbert Hill, Billy Joe Whatley, and Bobby Gibbens, will man the shot put and discus for the maroon and gold. Squadman Buddy Kellar may aid in the field events also.

Following football came basketball. Competition was strong and spirits raged high throughout the hoop season.

Handball, volleyball, and softball completed the intramural program during the Spring Semester. Prizes were awarded to the winning teams.

Religious Emphasis Services Bring Spiritual Inspiration

During Religious Emphasis Week, this year sponsored by the University Christian Mission, a team of four speakers treated the theme, "Is God On Our Campus?" All-college participation in daily assembly programs, seminars, class discussions and dorm sessions made the week one of the most successful. Campus committees began planning and stimulating interest for the Week in September. A series of coffeeorums, films and retreats before and after the Week helped to establish the theme.

First held on campus in 1944 REW is an annual event. In 1950 the University Christian Mission first sponsored the Week with a team of five speakers.

Spearheading the campus committees were Dave and Dan Sebesta, Herb Billings and Miss Betty Brooke Eakle, faculty sponsor.

Seminars were held in the Student Union to discuss current topics of interest.

Frontier Days Celebration Held at Sewell, Campsite

Every student at Southwest Texas looks forward to the time in April called Frontier Days. Last year's celebration was one of the most successful in the history of this annual event.

The celebration started off with a literal bang as the western parade circled downtown San Marcos. Following the parade the students went to Sewell Park where they participated in Judge Roy Bean's court which was followed by the bathing beauty contest. Barely having caught their breath the SWTSTC cowboys and cowgirls rushed back to the dorms and to a western supper in the Cafeteria. A dance, with music supplied by a western swing band, was held that night. Visiting high school royalty and the College royalty were presented to open the dance.

The next day was spent at the College Campsite. A few brave souls went in swimming, but most were satisfied with just wading in the cold river. The idea of the day at the camp was to work for one's dinner and entertainment. A number of improvements were made on the site. After a barbecue dinner, the students settled down to an afternoon of loafing in the sun or participating in baseball, volleyball and other sports.

The college rodeo opened on this night and was a fitting close to the Frontier Days of 1954.

1954 Homecoming Includes Parade, Ball Game, Dance

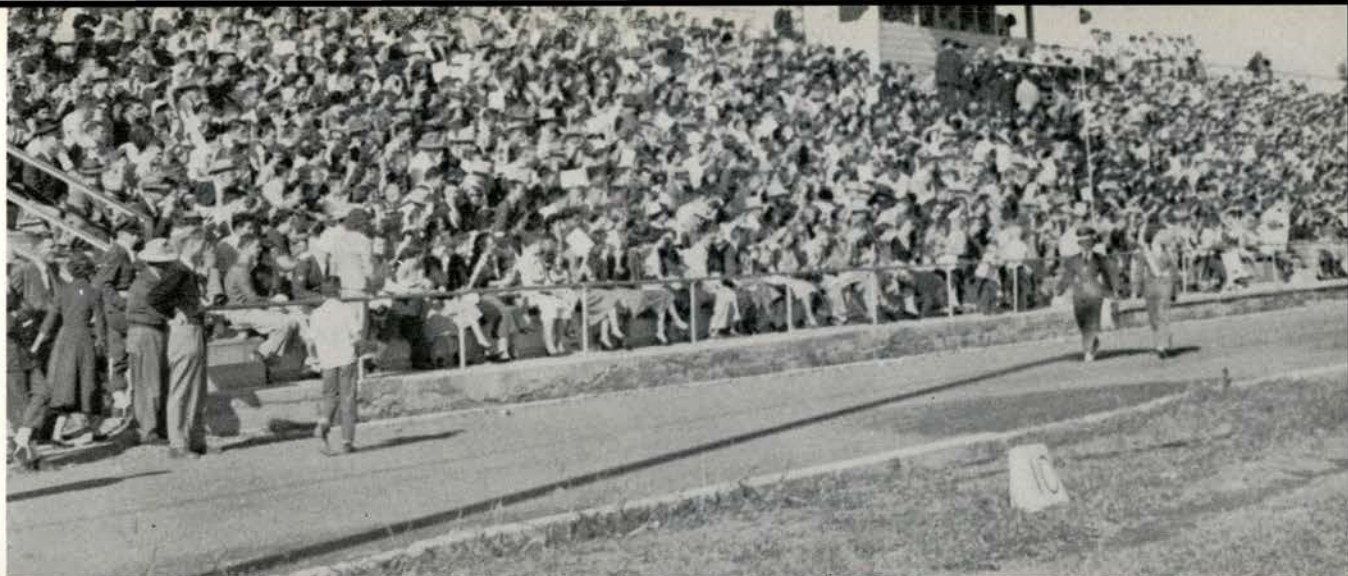

Homecoming! The ex'es returned en masse to the Hill for this, the biggest celebration of the year. Beginning with the big bon fire, pep rally, and snake dance Friday night, the activities continued until Saturday midnight.

On Saturday morning the ex'es assembled on the Quad, drank coffee, and chatted with former friends and classmates. Each collected his club ribbons and stickers. Finally some looked like generals sporting clusters of campaign badges. This was followed by an assembly at Evans Auditorium and lunch in the College Cafeteria.

The afternoon activities began with a big parade featuring five bands and prizes for the three best floats. Then everyone headed for Evans Field and the football game. When the last seconds ticked off the clock and the scoreboard showed the Bobcats victorious, a shower of Freshman beanies filled the air.

Saturday night everyone attended the Homecoming Dance and the presentation of the Gaillardians and Escorts.

Is everybody happy? Well—yes! Jubilant Bobcat fans packed the Evans Field stands for the colorful grid contest.

A tense moment of action on the turf occurred as Ed Schmeltekopf attempted the game-deciding extra point. The kick was good and the Cats won 13-12.

The lights went down and a hushed expectant silence fell over the Auditorium as Conductor Victor Alessandro raised his baton and the San Antonio Symphony began its performance in Evans Auditorium before a near capacity crowd.

Sponsored by the Allied Arts Committee the performance of the San Antonio Symphony has become an annual event; one eagerly anticipated by many Southwest Texas students and faculty. Included in the evening's program were "Beethoven's Fifth Symphony" and as an encore, the ever popular "Flight of the Bumble Bee".

Freshmen entertained upperclassmen at the annual Freshman Frolics held at Evans Auditorium. Stunts, songs, dances, and lots of fun were included in the evening's parade of events. From the Japanese Bop to the Hillbilly Hits, everyone had a good time, and freshmen had a gay time showing off their various talents.

Highlighting the evening's activities was the presentation and coronation of ROTC Queen, Bobbie Bock, by Cadet Colonel Robert A. Jandt.

Speech, Music Departments Present "Finian's Rainbow"

"Finian's Rainbow," a musical satire depicting the experience of an Irish Colleen and her even more Irish father in the deep South of the United States, was capably presented this fall by the combined forces of Southwest Texas Speech and Musical Departments.

Leprachauns and pots of gold, Shears and Robust Catalogue, the racial prejudice question, and government graft all had a significance in the plot which was "crazy," and "mixed up" but very entertaining.

The songs, including "How Are Things in Gloccomora," "Look to the Rainbow," "If This Isn't Love," were light and gay and quite capably sung by members of the Southwest Texas Choir. "The production was a difficult job well done by a very talented group," was the opinion of staff writers from the Austin American.

"Our Town" Reproduction Is Presented March 1-4

Thornton Wilder's "Our Town" is the first attempt by the Hill Drama Department to bring back to the campus plays of former years. This individual play was first presented in the Little Theatre in 1947.

Leading roles in the production were David Dillman as Stage Manager, Bobbie Bock as Emily Webb, and Jimmy McCollom as George Gibbs. David Wacker and Glenda Martin acted as Mr. and Mrs. Gibbs and Jack Adrian and Marilyn Westphal portrayed the Webb parents.

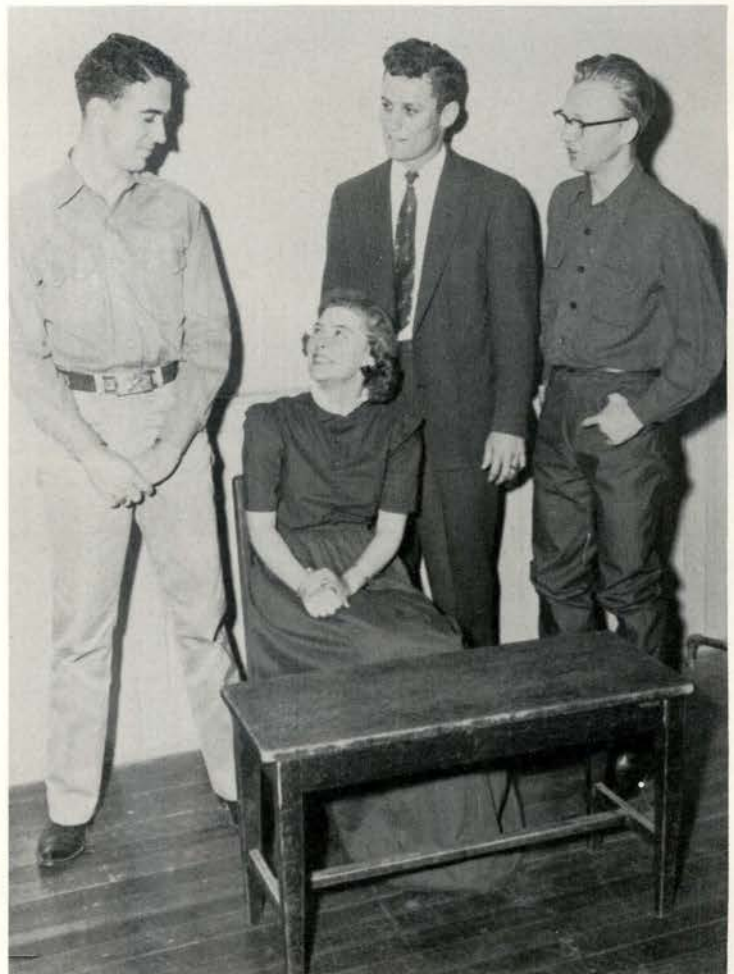

Capacity crowds attended the four night performances. For the final presentation, as many former cast members of "Our Town" as possible were brought back to the campus.

Playing parts in the Webb Family were Jack Adrian and Marilyn Westphal as Mr. and Mrs. Webb and Bobbie Bock as Emily.

Annual Children's Theater Casts Chinese Production

"The Emperor's New Clothes" is the fall production for the Annual Children's Theater. School children from the neighboring towns came to see the delightful production.

"The Emperor's New Clothes" takes place in a small province in China. It is based on the story of the emperor. He was convinced by two pranksters that they could weave a cloth that only smart people could see.
