UMOJA LOGIN GUIDE

For UN Staff

1. Navigate to https://login.umoja.un.org.
2. Enter your **UN email address**.

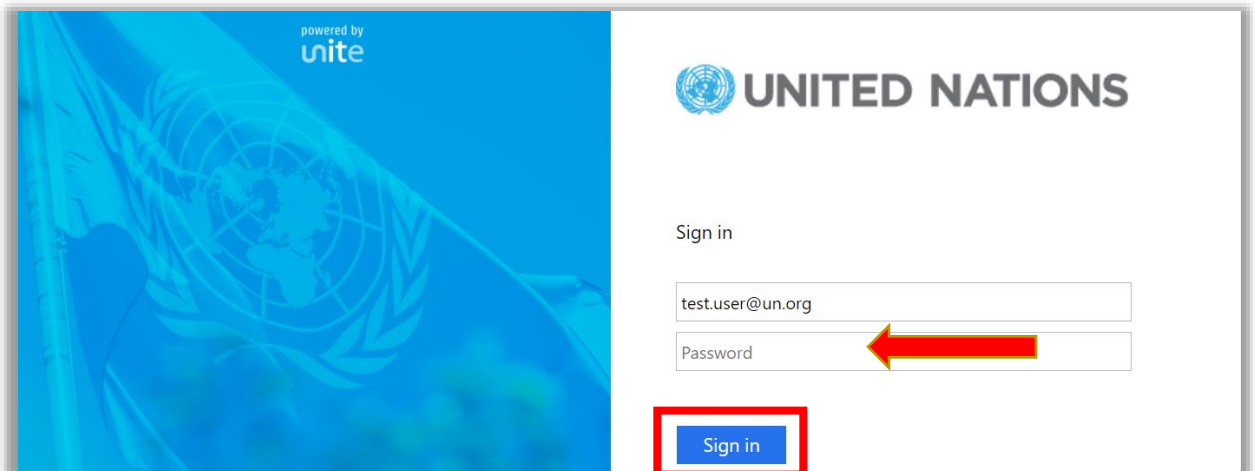

3. Enter your **password** and click on **Sign in**.

4. Follow the onscreen prompt to verify your identity (either by text message, phone call or approval via the Microsoft Authenticator app).

5. Select the desired Umoja application.

6. Note, that for a temporary period, additional login steps are required when accessing **Umoja Production**, **Supply Chain Planning Tool** and **Uniformed Capabilities Mgmt**.
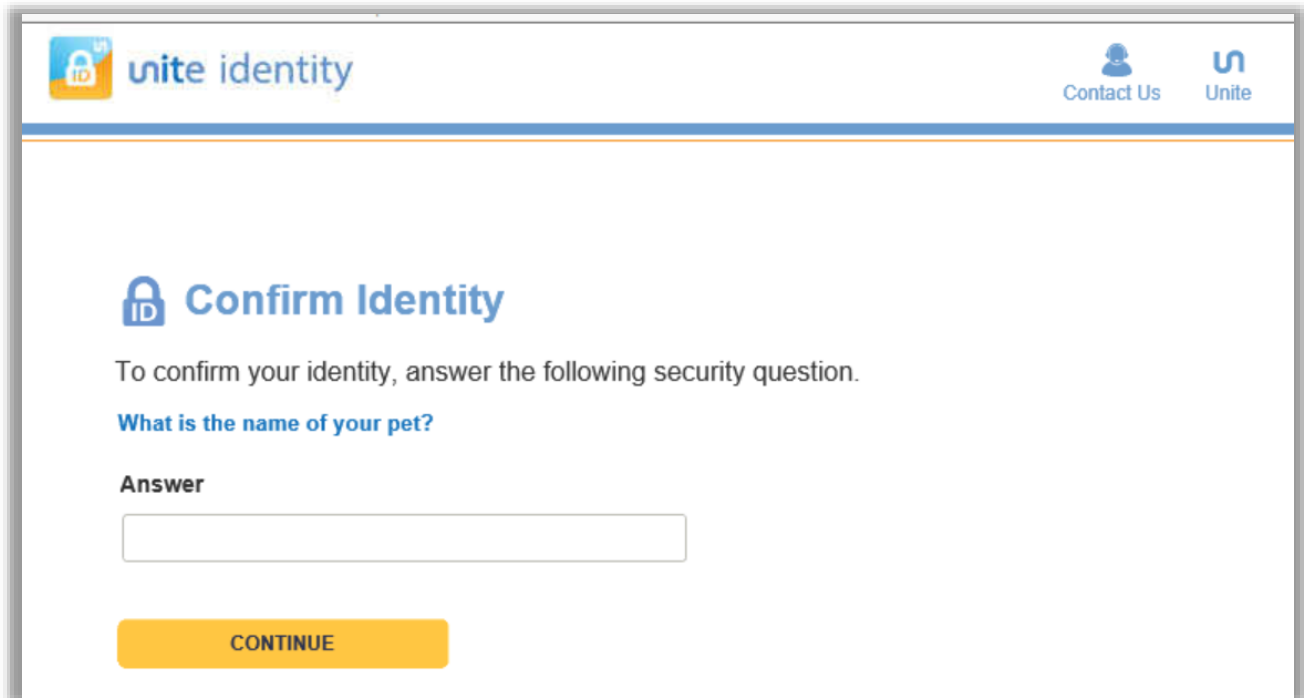

When accessing **Supply Chain Planning Tool** and **Uniformed Capabilities Mgmt**, you will need to login again using Azure and MFA.
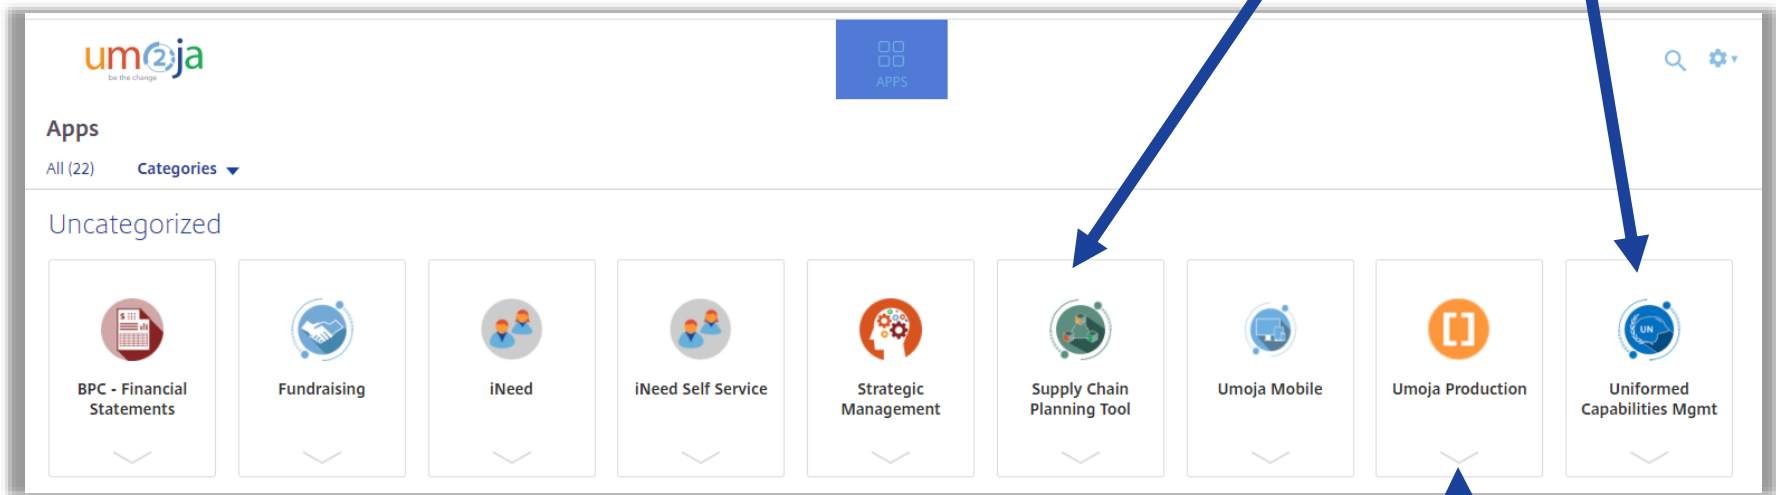

When accessing **Umoja Production**, you will be required to run a Citrix download file and answer a Unite Identity security question.

Note, the Unite Identity security question prompt will look like this (only required when accessing *Umoja Production*):
