Sheffield.

# ENDING WILDLIFE TRAFFICKING: LOCAL COMMUNITIES AS AGENTS OF CHANGE

Dr. Annette Hübschle, University of Cape Town  
Senior Researcher and Postdoctoral Fellow with  
the Global Risk Governance programme

Hosted by BIOSEC, along with the Sheffield Institute for  
International Development, The Environmental Politics Group,  
and the Political Ecology Reading Group, Dr. Hübschle's talk will  
be based on a just released report, 'Ending wildlife trafficking:  
Local communities as agents of change'

15 October, 3-5pm  
Geography building,  
seminar room D3C
