About This Report

This report provides a list of bills currently pending in the House and Senate Appropriations Committees, along with the FY 2025-26 expenditure impacts for these bills. Expenditure estimates are based on the most recent published LCS fiscal note for the bill.

Expenditures are listed by General Fund, cash funds, federal funds, and centrally appropriated costs. FTE and TABOR refund impacts are also noted in this report. Note that actual appropriations may differ from these estimates based on actions by the General Assembly.
